To receive and consider the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

To consider and, if thought fit, to pass the following resolution as a **non-binding resolution**:

"That, for the purposes of section 250R(2) of the Corporations Act and for all other purposes, approval is given for the adoption of the Remuneration Report in the Annual Report of the Company for the financial year ended 30 June 2025."

Voting exclusion:

A vote in respect of the Resolution must not be cast (in any capacity) by or on behalf of any of the following persons (the "voter"):

- (a) a member of the key management personnel, details of whose remuneration are included in the remuneration report; or
- (b) a closely related party of such a member.

However, the voter may cast a vote on the Resolution as a proxy if the vote is not cast on behalf of a person described in paragraphs (a) or (b) and either:

- (c) the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the Resolution; or
- (d) the voter is the chair of the meeting and the appointment of the chair as proxy:
 - (i) does not specify the way the proxy is to vote on the Resolution; and
 - (ii) expressly authorises the chair to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the key management personnel for the company.

RESOLUTION 2 – RE-ELECTION OF DIRECTOR – ALASDAIR COOKE

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

"That Alasdair Cooke, who retires by rotation in accordance with rule 7.3 of the Constitution of the Company and Listing Rule 14.4, and being eligible, offers himself for re-election, is hereby re-elected as a director of the Company."

RESOLUTION 3 – RE-ELECTION OF DIRECTOR – WARREN HALLAM

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

"That Warren Hallam, being a Director of the Company appointed by the Directors as an additional Director and holding office until this Meeting and in accordance with rule 7.3(f) of the Constitution of the Company and Listing Rule 14.4, and being eligible, offers himself for re-election, is hereby re-elected as a director of the Company."

RESOLUTION 4 – APPROVAL OF ADDITIONAL 10% CAPACITY

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a **special resolution**:

"That, the Company have the additional capacity to issue equity securities provided for in Listing Rule 7.1A."

Voting Exclusion: The Company will disregard any votes cast in favour of the Resolution by or on behalf of, if at the time the approval is sought the entity is proposing to make an issue of equity securities under Listing Rule 7.1A.2, any person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the entity) or an associate of those persons. However, this does not apply to a vote cast in favour of the Resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the chair of the Meeting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the chair to vote on the Resolution as the chair decides; or

 - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

RESOLUTION 5 – APPROVAL TO RENEW PROPORTIONAL TAKEOVER PROVISION

Voting Exclusion: The Company will disregard any votes cast in favour of the Resolution by or on behalf of Terra or their nominees or a person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the entity) or an associate of those persons. However, this does not apply to a vote cast in favour of the Resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the chair of the Meeting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the chair to vote on the Resolution as the chair decides; or

 - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

VOTING AND PROXIES

1. A Shareholder of the Company entitled to attend and vote is entitled to appoint not more than two proxies. Where more than one proxy is appointed, each proxy must be appointed to represent a specified proportion of the Shareholder's voting rights. If the Shareholder appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half of the votes. A proxy need not be a Shareholder of the Company.
2. Where a voting exclusion applies, the Company need not disregard a vote if it is cast by the person who is entitled to vote in accordance with the directions on the Proxy Form or it is cast by the chair of the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.
3. The chair of the Meeting will vote undirected proxies on, and in favour of, all of the proposed resolutions, including Resolution 1. The Proxy Form expressly authorises the chair of the Meeting to exercise the proxy in relation to Resolution 1 even though this Resolution is connected directly or indirectly with the remuneration of a member of key management personnel. Any undirected proxies held by a Director, any member of the key management personnel or any of their closely related parties (who are not the chair) will not be voted on Resolution 1.

EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the Notice.

The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

The business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

The Company is not required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company annual financial report on its website at www.auroraenergymetals.com.

Shareholders will be offered the following opportunities:

- (a) discuss the annual financial report for the financial period ended 30 June 2025;
- (b) ask questions and make comment on the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit, preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ended 30 June 2025.

A reasonable opportunity will be provided for questions about or comments on the Remuneration Report at the Annual General Meeting.

2.2 Voting Consequences

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a "Spill Resolution") that another general meeting be held within 90 days at which all of the Directors (other than the Managing Director) must go up for re-election.

2.3 Previous voting results

At the Company's previous annual general meeting, the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

2.4 Proxy restrictions

If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote on this Resolution (Remuneration Report) by marking either "For", "Against" or "Abstain" on the Proxy Form for this Resolution.

If you appoint a member of the key management personnel whose remuneration details are included in the Remuneration Report (who is not the Chairman) or a closely related party of that member as your proxy, and you do not direct that person on how to vote on this Resolution, the proxy cannot exercise your vote and your vote will not be counted in relation to this Resolution.

The Chairman intends to vote all undirected proxies in favour of this Resolution. If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on this Resolution, by signing and returning the Proxy Form you are giving express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

Key management personnel of the Company are the Directors and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies the Company's key management personnel for the financial year to 30 June 2025. Their closely related parties are defined in the Corporations Act, and include certain of their family members, dependants and companies they control.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – ALASDAIR COOKE

Rule 7.3 of the Constitution requires that at each annual general meeting, one-third of directors for the time being (rounded down to the nearest whole number) shall retire from office and that a Director that so retires is eligible for re-election. Additionally, Listing Rule 14.4 provides that a Director must retire from office no later than the longer of the third annual general meeting of the Company or 3 years following that Director's last election or appointment. The retirement rules do not apply to the managing director.

Mr Alasdair Cooke was last re-elected as a Director at the 2022 annual general meeting. He retires by rotation in accordance with the Constitution and Listing Rule 14.4, and being eligible, offers himself for re-election as a Director.

Mr Alasdair Cooke is a Non-Executive Director of the Company. Details of the qualifications and experience of Mr Cooke is set out in the Company's 2025 Annual Report.

The Board of the Company, with Mr Cooke abstaining, recommends the re-election of Alasdair Cooke as a Director.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – WARREN HALLAM

Rule 7.3(f) of the Company's Constitution provides that any Director appointed by the Board as an additional director may retire at the next meeting of members and is eligible for re-election at that meeting. Additionally, Listing Rule 14.4 provides that a Director appointed as an additional director must not hold office (without re-election) past the next annual general meeting.

Mr Warren Hallam was appointed by the Board as an additional Director on 1 January 2025.

Mr Warren Hallam holds office until this Meeting and, being eligible, offers himself for re-election as a Director of the Company.

Mr Warren Hallam is a Non-Executive Director of the Company. Details of the qualifications and expertise of Mr Hallam are set out in the Company's 2025 Annual Report.

The Board of the Company, with Mr Hallam abstaining, recommends the election of Warren Hallam as a Director

5. RESOLUTION 4 – APPROVAL OF ADDITIONAL 10% CAPACITY

5.1 Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An "*eligible entity*" means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company has a market capitalisation of \$12,713,500 at 10 September 2025 and is an eligible entity.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

5.2 Specific information required by Listing Rule 7.3A

(i) Period for which approval is valid

An approval under Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) The date that is 12 months after the date of the annual general meeting at which the approval is obtained.
- (b) The time and date of the Company's next annual general meeting.
- (c) The time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 or Listing Rule 11.2.

(ii) Minimum price at which equity securities may be issued

Any equity securities issued under Listing Rule 7.1A must be in an existing quoted class of the eligible entity's equity securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- (b) if the securities are not issued within 10 Trading Days of the date in paragraph (a), the date on which the securities are issued.

(iii) Purposes for which funds raised may be used

Equity securities can only be issued under Listing Rule 7.1A for a cash consideration. Funds raised by the issue of equity securities under Listing Rule 7.1A may be used for the continued development of the Company's current assets, the acquisition of new assets or other investments (including expenses associated with such acquisition), and for general working capital.

(iv) Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the equity securities in that class may be significantly lower on the issue date than on the date of the Shareholder approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

The table below shows the potential dilution of existing Shareholders on the basis of 3 different assumed issue prices and values for variable "A" in the formula in Listing Rule 7.1A.2. This includes one example that assumes that "A" is double the number of Shares on issue at the time of the approval under Listing Rule 7.1A and that the price of Shares has fallen by 50%.

Number of Shares on Issue (Variable "A" in Listing Rule 7.1A.2)	Number of Shares issued under additional 10% capacity	Dilution		
		Funds raised based on issue price of 3.55 cents	Funds raised based on issue price of 7.1 cents	Funds raised based on issue price of 14.2 cents
		(50% decrease in current issue price)	(Current issue price)	(100% increase in current issue price)
179,063,737 (Current)*	17,906,374	635,676	1,271,353	2,542,705
268,595,605 (50% increase)*	26,859,560	953,514	1,907,029	3,814,058
358,127,474 (100% increase)*	35,812,747	1,271,353	2,542,705	5,085,410

*The number of Shares on issue (variable "A" in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table has been prepared on the following assumptions:

- 1. The current Shares on issue are the Shares on issue as at 10 September 2025.
- 2. The issue price set out above is the closing price of the Shares on the ASX on 10 September 2025.
- 3. The Company issues the maximum number of equity securities available under the additional 10% capacity.
- 4. No Options are exercised into Shares before the date of the issue of the equity securities.

(v) Allocation Policy

The Company's allocation policy for the issue of equity securities under the additional 10% capacity will depend on the prevailing market conditions at the time of any proposed issue. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (a) the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing security holders can participate;
- (b) the effect of the issue of the equity securities on the control of the Company;
- (c) the financial situation and solvency of the Company; and
- (d) advice from corporate, financial and broking advisers (if applicable).

The allottees under the additional 10% capacity have not been determined as at the date of this Notice but may include existing substantial shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company and may include new investors who have not previously been Shareholders.

(vi) Equity securities issued under Listing Rule 7.1A.2 in the previous 12 months

The Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A.2 in the 12 months preceding this Meeting.

(vii) Voting Exclusion Statement

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the equity securities. No existing shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

6. RESOLUTION 5 – APPROVAL TO RENEW PROPORTIONAL TAKEOVER PROVISION

6.1 Background

Under the Corporations Act, a company may include provisions in its constitution to enable it to refuse to register shares acquired under a proportional takeover bid unless a resolution approving the bid is passed by the shareholders.

The Company obtained Shareholder approval on 17 November 2022 to renew the proportional takeover approval provision in the Constitution. By section 648G of the Corporations Act, the proportional approval takeover provision ceases to apply after 3 years (being 17 November 2025). The Company may renew the proportional takeover provision for a period of up to 3 years.

The proportional takeover approval provision is set out in Annexure 1 to the Notice and the provision forms Schedule 3 of the Constitution.

By this Resolution the approval of Shareholders is sought to renew the proportional takeover approval provision in the Constitution for a further 3 year period from the date of this Meeting. The Corporations Act requires the Company to provide Shareholders with various material including an explanation of the proposed proportional takeover approval provision. This information is set out below so that Shareholders may make an informed decision on whether to support or oppose the Resolution.

6.2 What is a proportional takeover bid?

A proportional takeover bid is a takeover bid where the offer made to each Shareholder is only for a proportion of that Shareholder's securities in the relevant bid class.

Accordingly, if a Shareholder accepts in full the offer under a proportional takeover bid, the Shareholder will dispose of the specified portion of their bid class securities and retain the balance of their bid class securities. This means that control of the Company may pass without members having the chance to sell all their securities to the bidder. It also means the bidder may take control of the Company without paying an adequate amount for gaining control.

6.3 Effect of the provision to be renewed

If a proportional takeover bid is made to Shareholders of the Company, the Board will be required to convene a meeting of Shareholders to vote on a resolution to approve the proportional takeover bid ("**Approving Resolution**"). That meeting must be held at least 14 days before the offer under the proportional takeover bid closes.

The resolution shall be taken to have been passed if a majority of Shares voted at the meeting, excluding the securities of the bidder and its associates, vote in favour of the resolution. If no resolution is voted on before the end of the 14th day before the close of the offer, the resolution will be deemed to have been passed.

Where the Approving Resolution is passed or deemed to have been passed, transfers of Shares resulting from accepting the offer will be registered provided they otherwise comply with relevant regulatory requirements. If the resolution is rejected, then in accordance with the Corporations Act, the offer will be deemed to be withdrawn.

The proportional takeover approval provision does not apply to full takeover bids.

6.4 Reasons for proposing the resolution

The Directors consider that Shareholders should continue to have the proportional takeover approval provision in the Constitution. Without the inclusion of such a provision, a proportional takeover bid for the Company may enable effective control of the Company to be acquired without Shareholders having the opportunity to dispose of all of their securities to the bidder.

Accordingly, Shareholders could be at risk of passing control to the bidder without payment of an adequate control premium for all their Shares whilst leaving themselves as part of a minority interest in the Company.

The provision deals with this possibility by providing that if a proportional takeover bid is made for Shares in the Company, Shareholders must vote on whether or not a proportional takeover bid should be permitted to proceed.

The benefit of the provision is that Shareholders are able to decide collectively whether the proportional offer is acceptable in principle and it may ensure that any partial offer is appropriately priced.

6.5 No knowledge of present acquisitions proposals

As at the date on which this Explanatory Statement is prepared, no Director is aware of a proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

6.6 Potential advantages and disadvantages for the Directors and Shareholders of the Company

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages for Shareholders include the following:

- (a) Shareholders have the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) they may assist Shareholders from being locked in as a minority;
- (c) they increase the bargaining power of Shareholders and may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders and assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages for Shareholders including the following:

- (a) proportional takeover bids for Shares in the Company may be discouraged;
- (b) Shareholders may lose an opportunity to sell some of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

6.7 Review of advantages and disadvantages of the proportional takeover approval provision

While the proportional takeover approval provision has been in effect under the Company's Constitution, no takeover bids for the Company have been made, either proportional or otherwise. Accordingly, there are no actual examples against which the advantages or disadvantages of the existing proportional takeover provision (that is, Schedule 3 of the Constitution) could be reviewed for the Directors and Shareholders of the Company. The Directors are not aware of any potential takeover bid that was discouraged by the proportional takeover approval provision.

6.8 Directors' Recommendation

On balance, the Directors consider that the possible advantages outweigh the possible disadvantages such that renewal of the proportional takeover approval provision is in the interests of Shareholders.

The Directors recommend that Shareholders vote in favour of this Resolution.

If this Resolution is approved, then the proportional takeover approval provision will take effect for a further 3 years from the date of the Meeting.

7. RESOLUTION 6 – APPROVAL TO ISSUE CONSIDERATION OPTIONS

7.1 General

On 19 November 2024, the Company announced that it had entered into an option agreement with Terra Metallica Nominees Pty Ltd (**Terra**) to acquire an option over 100% of Metalbelt Holdings Pty Ltd (**Metalbelt**) (the **Metalbelt Option**) which holds a number of granted exploration licences across Western Australia (**Metalbelt Option Agreement**).

Material terms of the Metalbelt Option Agreement are set out in Annexure 2.

Pursuant to the Metalbelt Option Agreement, the Company may elect to exercise the Metalbelt Option by issuing 30,000,000 Options to Terra (or nominee/s) with an exercise price of \$0.15 and an expiry date of three years from the date of issue and otherwise on the terms and condition in Annexure 3 (**Consideration Options**).

The Metalbelt Option was initially exercisable until 18 May 2025 and thereby Shareholder approval was sought, and obtained, to the issue of the Consideration Options to Terra at the extraordinary general meeting on 16 January 2025. This Shareholder approval expired on 16 April 2025. The Consideration Options were not issued prior to this expiry as the period for the exercise of the Metalbelt Option was extended until 18 November 2025. Therefore, the Company again seeks Shareholder approval pursuant to Listing Rule 7.1 to issue 30,000,000 Consideration Options to Terra (or its nominees).

7.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of the Consideration Options to Terra (or its nominees) does not fit within any of the exceptions to Listing Rule 7.1 and the Company does not have sufficient placement capacity remaining under Listing Rule 7.1 to accommodate the issue of the Consideration Options to Terra (or its nominees).

The effect of Shareholders passing this Resolution will be to allow the Company to issue the Consideration Options and retain the flexibility to issue equity securities in the future up to the 15% additional placement capacity set out in Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

7.3 Technical information required by ASX Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue of the Consideration Options to Terra (or nominee/s).

If this Resolution is not passed, the Company will be unable to proceed with the issue of the Consideration Options to Terra (or nominee/s) and will be unable to complete the acquisition of Metalbelt under the Metalbelt Option Agreement, or may need to renegotiate the terms of the proposed acquisition of Metalbelt. Such terms may be less favourable to the Company.

7.4 Specific information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to the proposed issue of the Consideration Options to Terra (or nominee/s):

- (a) A maximum of 30,000,000 Consideration Options will be issued to Terra (or nominee/s). Terra is not a related party of the Company.
- (b) The Consideration Options are exercisable at \$0.15 each and expire 3 years from the date of issue and will otherwise be on the terms and conditions in Annexure 3.
- (c) Shares issued upon exercise of the Consideration Options will be fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.
- (d) The Consideration Options will be issued no later than 3 months after the date of the Meeting, subject to the Company exercising the Metalbelt Option within this period.
- (e) The Consideration Options will be issued for nil cash consideration as they are being issued as partial consideration upon exercise of the Metalbelt Option. Accordingly, no funds will be raised from the issue of the Consideration Options.
- (f) A summary of the material terms of the Metalbelt Option Agreement is set out in Annexure 2. The Metalbelt Option Agreement contains additional provisions, including warranties and indemnities, which are considered standard for agreements of this nature.
- (g) A voting exclusion statement is included in the Notice.

7.5 Additional information

This Resolution is an ordinary resolution.

The Board recommends that Shareholders vote in favour of this Resolution.
