One Click Group Achieves Record Revenue of \$3m in Month of July as Exceptional Growth Continues

Key Highlights:

- **July record month with Revenue of \$3 million⁽¹⁾ up 34% on pcp**
- **July record EBIT of \$1.4 million⁽¹⁾**
- **Revenue year to date of \$4.3 million⁽¹⁾ up 32% on pcp**
- **EBIT year to date of \$0.45 million⁽¹⁾**

Fast growing life admin technology platform **One Click Group Limited** (ASX:ICG) ("Company") is pleased to provide a trading update on exceptional growth in Revenue and profit for the Company.

The One Click Life platform provides online financial products and services with revenue currently generated primarily from its online tax service. In the first 7 months of 2025 the One Click Life platform has grown by over 30,000 registered users surpassing 200,000 registered users in July.

July revenue was exceptional with growth of 34% on prior period to \$3 million⁽¹⁾ generating an EBIT profit of \$1.4 million⁽¹⁾ for the month. This demonstrates the leverage of the Company's business model with costs largely fixed and only small incremental cost increases required as the revenue grows.

Outstanding new user growth combined with a strong returning customer rate has resulted in 32% growth in revenue to \$4.3 million⁽¹⁾ at the end of July. The Company is now at a year to date EBIT profit of \$0.45 million⁽¹⁾.

Managing Director Mark Waller commented "July was an extremely successful month as foreshadowed in previous announcements. We're delighted with July financial performance of \$3 million in revenue and \$1.4 million EBIT. Importantly we're now profitable across the first 7 months of the year and looking forward to continued success as we close out our full year ending 31 December.

⁽¹⁾Unaudited

Were delighted with the successful start to our main revenue and profit generating period. The key indicators of Revenue growth, New User growth, reduced Customer Acquisition Costs and strong returning customer rates are setting the Company up for a very successful year."
