ASX RELEASE **5 June 2026**

Cleansing Notice

Aura Energy Limited (ASX: AEE, AIM: AURA) ("**Aura**" or the "**Company**") provides this notice under section 708A(5)(e) of the Corporations Act 2001 (Cth) ("Corporations Act").

The Company advises the issue of 1,197 fully paid ordinary shares ("Shares") upon the exercise of options, as detailed in the Appendix 2A lodged with ASX on 5 June 2026.

The Corporations Act restricts the on-sale of securities issued without disclosure unless the sale is exempt under section 708 and 708A of the Corporations Act. By the Company giving this notice, the issue of the Shares will fall within the exemption in section 708A(5) of the Corporations Act.

Together with the accompanying ASX Appendix 2A and in accordance with section 708A(5)(e) of the Corporations Act, the Company confirms that:

1. the issue of the Shares on conversion of options outlined above was issued without disclosure under Part 6D.2 of the Corporations Act;
2. this notice is being given under section 708A(5)(e) of the Corporations Act
3. as at the date of this notice, the Company has complied with:
   (a) the provisions of Chapter 2M of the Corporations Act as they apply to the Company; and
   (b) sections 674 and 674A of the Corporations Act; and
4. as at the date of this notice, there is no 'excluded information' within the meaning of sections 708A(7) and 708A(8) of the Corporations Act which is required to be disclosed by the Company.

About Aura Energy (ASX: AEE, AIM: AURA)

Aura Energy Limited (ASX:AEE, AIM:AURA) is an Australian-based company focused on the development of uranium and battery metals to support a cleaner energy future.

Aura is advancing two key projects:

- **Tiris Uranium Project, Mauritania** – A fully permitted, near-term development asset with a potential long mine life. Aura plans to transition from a uranium explorer to a uranium producer to capitalise on the rapidly growing demand for nuclear power as the world shifts towards a decarbonised energy sector.[1]
- **Häggån Polymetallic Project, Sweden** – A globally significant deposit containing vanadium, sulphate of potash, and uranium with potential long-term value.[2]

Aura is committed to creating value for host nations, local communities, and shareholders through responsible and sustainable resource development.
