**Share Price and Trading Update**

The Board advises that it is not aware of any information concerning the Company that has not been disclosed to the market which, if known, could explain the recent decrease in the Company's share price based on very small trading volumes.

The Company confirms that actual sales for the period to 30 April 2026 totalled $10.612 million compared to $9.738 million 30 April 2025 up 8.97%. Based on current global operating conditions, the Company anticipates that total sales for the financial year ending 30 June 2026 will be in line with current performance.
