The Chair intends to vote all undirected proxies in favour of each resolution.

- An undirected proxy in relation to Item 3 that is given to a member of the Company's Key Management Personnel (other than the Chair) or any of their Closely Related Parties will not be voted. Ordinary Business

Item 1 – Financial Reports

The Corporations Act requires the financial report, Directors' report and independent auditor's report to be laid before the AGM each year.

The financial report has been approved by the Directors and audited by the independent auditor.

Whilst there is no requirement for the reports to be approved by shareholders, shareholders as a whole will have a reasonable opportunity at the AGM to ask questions about, and make comments on, the reports.

Shareholders will also have a reasonable opportunity to ask the auditor questions relevant to the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company and the independence of the auditor.

Shareholders may also address written questions to the Chair about the management of the Company or to the auditor if the question is relevant to the contents of the auditor's report or the conduct of the audit of the financial report to be considered at the AGM. In accordance with section 250PA(1) of the Corporations Act, written questions for the auditor, Deloitte Touche Tohmatsu, must be submitted to the Company by no later than the fifth business day before the day on which the AGM is held (ie. by no later than Wednesday, 20 May 2026).

Item 2 – Re-election of Directors

The Company's constitution requires each Director (other than a Managing Director and alternate Directors) to retire from office no later than the longer of the third AGM of the Company or three years, following their last election or appointment.

Mr David Scott Blackhall OAM, BCom, MBA

Mr Blackhall was initially appointed as a non-executive Director of the Company in December 2019 and was last re-elected by shareholders three years ago at the AGM in May 2023.

After over six years of outstanding service to the Company, Mr Blackhall is intending not to seek further re-election and will retire as a Director at the conclusion of this year's AGM.

Mr Blackhall has been an extremely dedicated, professional and loyal servant of the Company since his initial appointment to the Board, including the vital role of Chair of the Company's Audit & Risk Committee.

The Board acknowledges and thanks Mr Blackhall for his tireless efforts and immense contribution as a Director of the Company since his initial appointment to the Board.

(a) Mr Tim Crommelin BCom, FSIA, FSLE

Having been initially appointed as a non-executive Director of the Company in February 2011, Mr Crommelin was last re-elected to the Board at the Company's AGM in May 2023.

Mr Crommelin retires by rotation and, being eligible, offers himself for re-election as a Director of the Company at the AGM in accordance with the Company's constitution.

The Board considers Mr Crommelin to be an independent Director in that he is free of any interest, position, association or relationship that might influence, or reasonably be perceived to influence, in any material respect his capacity to bring independent judgement to bear on issues before the Board and act in the best interests of the Company and shareholders generally.

As an independent non-executive Director, Mr Crommelin chairs the Company's Board and is a member of the Remuneration & Nomination Committee.

Mr Crommelin has broad knowledge of corporate finance, risk management and acquisitions and over 40 years' experience in the stockbroking and property industry. He is a Director of Morgans Holdings (Australia) Limited since 1991, having served as Morgans' Chair from 2010 to 2023, a Director of University of Queensland Endowment Foundation (UQEF) and a trustee of Australian Cancer Research Foundation. He was previously a Director of Senex Energy Ltd (2010 to April 2022) and the former Deputy Chair of Queensland Gas Company Limited (2006 to 2009).

Further information about Mr Crommelin is set out in the Company's 2025 annual report, which is available on the Company's website at www.eagersautomotive.com.au.

Board Recommendation

The Board (with Mr Crommelin abstaining) is unanimous in its support for the re-election of Mr Crommelin and recommends that shareholders **vote in favour** of this resolution.

(b) Mr Marcus John Birrell

Having been initially appointed as a non-executive Director of the Company in July 2016, Mr Birrell was last re-elected to the Board at the Company's AGM in May 2023.

Mr Birrell retires by rotation and, being eligible, offers himself for re-election as a Director of the Company at the AGM in accordance with the Company's constitution.

The Board considers Mr Birrell to be an independent Director in that he is free of any interest, position, association or relationship that might influence, or reasonably be perceived to influence, in any material respect, his capacity to bring independent judgement to bear on issues before the Board and to act in the best interests of the Company as a whole and shareholders generally.

As an independent non-executive Director Mr Birrell is a member of the Company's Audit & Risk Committee.

Mr Birrell has had a distinguished career in the automotive industry, including 38 years at manufacturer, financier and retail level and 21 years as Executive Chair of Birrell Motors Group. He also brings international experience to the Board, including in areas such as international logistics, shipping and structuring, cross border transactions and supplier negotiations.

Mr Birrell was a Director of Australian Automotive Dealer Association Limited from 2014 to 2017.

Further information about Mr Birrell is set out in the Company's 2025 annual report, which is available on the Company's website at www.eagersautomotive.com.au.

Board Recommendation

The Board (with Mr Birrell abstaining) is unanimous in its support for the re-election of Mr Birrell and recommends that shareholders **vote in favour** of this resolution.

(c) Ms Sophie Alexandra Moore BBus, CA, FFin

Having been initially appointed as an executive Director of the Company in March 2017, Ms Moore was last re-elected to the Board at the Company's AGM in May 2023.

Ms Moore retires by rotation and, being eligible, offers herself for re-election as a Director of the Company at the AGM in accordance with the Company's constitution.

Ms Moore commenced with the Company as its Chief Financial Officer in August 2015. She continues in that role, with executive responsibility for the Company's accounting, taxation, internal audit, payroll and treasury functions. Ms Moore is therefore not considered to be an independent Director of the Company.

Ms Moore has previously held senior finance roles with PricewaterhouseCoopers and Flight Centre Travel Group Limited. She was admitted as a Chartered Accountant in 1997.

Further information about Ms Moore is set out in the Company's 2025 annual report, which is available on the Company's website at www.eagersautomotive.com.au.

Board Recommendation

The Board (with Ms Moore abstaining) is unanimous in its support for the re-election of Ms Moore and recommends that shareholders **vote in favour** of this resolution.

(d) Ms Michelle Victoria Prater BBus, CPA, ACIS, AICD

Ms Prater was initially appointed by the Board as a non-executive Director in February 2020 and was last re-elected to the Board at the Company's AGM in May 2023.

Ms Prater is a substantial shareholder in the Company. Ms Prater is also the Executive Chair of APPL Group, having held that position since 2004. APPL is a property development and investment group with an extensive automotive property portfolio including significant properties leased to the Company's operations in Western Australia. Ms Prater is therefore not considered to be an independent Director of the Company.

Ms Prater held executive roles at corporate and operational levels with Automotive Holdings Group Limited from 1993 to 2004, including as an executive Director from 2002 to 2004.

Further information about Ms Prater is set out in the Company's 2025 annual report, which is available on the Company's website at www.eagersautomotive.com.au.

Board Recommendation

The Board (with Ms Prater abstaining) is unanimous in its support for the re-election of Ms Prater and recommends that shareholders **vote in favour** of this resolution.

Item 3 – Remuneration Report

Shareholders are asked to adopt the Company's remuneration report for 2025. The Corporations Act requires that listed companies put a resolution to their shareholders to adopt their remuneration report, by way of a non-binding advisory vote, each year.

The Board views remuneration arrangements very seriously and has a dedicated Remuneration Committee to assist in considering and addressing these matters.

The remuneration report is set out in the Company's 2025 annual report, which is available on the Company's website at www.eagersautomotive.com.au.

The remuneration report:

- outlines the Company's remuneration strategy, principles, framework and governance arrangements;
- explains the link between remuneration and value creation for shareholders;
- describes the relationship between remuneration and the Company's performance;
- sets out the Company's remuneration arrangements for Key Management Personnel; and
- makes clear that the basis for remunerating non-executive Directors is distinct from the basis for remunerating executives, including executive Directors.

The Board believes the remuneration arrangements outlined in the remuneration report are appropriate for the Company given its size, complexity, operational requirements and business objectives, and that these arrangements are appropriately aligned with market practice and help drive the Company's performance for the benefit of all shareholders.

Shareholders will have a reasonable opportunity at the AGM to ask questions and make comments on the remuneration report.

Voting Exclusion Statement

Any member of the Company's Key Management Personnel and their Closely Related Parties are not entitled to vote on this resolution in any capacity. However, any such person may vote as a proxy for another person who is entitled to vote on this resolution if the proxy appointment directs them how to vote on the resolution. In addition, this prohibition does not apply to the Chair of the meeting acting as proxy for a person entitled to vote where the proxy appointment expressly authorises the Chair to exercise an undirected proxy even though the resolution is connected with the remuneration of Key Management Personnel.

Board Recommendation

As this resolution relates to matters including the remuneration of the Directors, as a matter of corporate governance and in accordance with the spirit of section 250R(4) of the Corporations Act, the Board makes no recommendation regarding this resolution.

Item 4 – Renewal of Proportional Takeover Provisions of Constitution

(a) Background

The Company's constitution includes, at Articles 80 and 81, proportional takeover approval provisions that require the Company to refuse to register shares subject to acquisition under a proportional takeover bid, unless the bid is approved by a resolution passed by shareholders in general meeting.

Articles 80 and 81 were renewed by shareholders in accordance with the Corporations Act at the AGM on 24 May 2023. In accordance with the constitution and the Corporations Act, those Articles will cease to have effect unless they are renewed for a further three-year period by a special resolution of shareholders.

(b) Proportional takeover bids

In a proportional takeover bid, the bidder offers to buy only a proportion of each shareholder's shares in the target company.

This means that control of the target company may pass without shareholders having the chance to sell all their shares to the bidder, and that the bidder may take control of the target company without paying an adequate premium for gaining control. Shareholders are also exposed to the risk of being left as part of a minority in the company.

To deal with this possibility, the Corporations Act allows a company to provide in its constitution that if a proportional takeover bid is made for shares in the company, shareholders must vote on whether to approve the takeover bid.

Such a provision allows shareholders to decide collectively whether the proportional takeover bid is acceptable in principle, and may ensure that the bid is appropriately priced.

(c) The effect of the proportional takeover provisions in the constitution

The effect of Articles 80 and 81 of the Company's constitution is that if a proportional takeover bid is made for Eagers Automotive Limited, the Company must refuse to register a transfer of shares giving effect to any acceptance of the bid unless the takeover bid is approved by shareholders in a general meeting.

The Directors must convene a meeting of shareholders to vote on a resolution to approve the proportional takeover bid. For the resolution to be approved, it must be passed by a simple majority of votes cast at the meeting, excluding votes of the bidder and its Associates.

If no such resolution is voted on before the fourteenth day before the last day of the takeover bid period, the resolution will be deemed to have been approved. This effectively means that shareholders as a body may only prohibit a proportional takeover bid from being made by rejecting such a resolution.

If the resolution is approved or deemed to have been approved, transfers of shares under the proportional takeover bid (provided they are in all other respects in order for registration) must be registered. Note that approval of the bid does not compel any shareholder to accept the bid – the decision to accept or reject a proportional takeover offer continues to be one for each individual shareholder.

If the resolution is rejected, registration of any transfer of shares resulting from that proportional takeover bid is prohibited and the offer is deemed by the Corporations Act to have been withdrawn.

If Articles 80 and 81 are renewed, they will expire three years after their renewal unless they are again renewed by a further special resolution of shareholders.

Proportional takeover provisions do not apply to full takeover bids.

(d) Reasons for proposing the resolution

The Directors consider that shareholders should have the opportunity to vote on a proposed proportional takeover bid for the Company. A proportional takeover bid may result in effective control of the Company changing hands without shareholders having the opportunity of disposing of all their shares. A proportional takeover bid could result in shareholders being at risk of control of the Company passing to the bidder without payment of an adequate control premium for their shares, while also leaving them as part of a minority interest in the Company.

Articles 80 and 81 can prevent this occurring by giving shareholders the opportunity to decide whether a proportional takeover bid is acceptable and should be permitted to proceed for consideration by individual shareholders.

(e) Presently proposed acquisitions

As at the date of these Explanatory Notes, no Director of the Company is aware of any proposal by any person to acquire or increase the extent of a substantial interest in the Company.

(f) Potential advantages and disadvantages for Directors

While the renewal of Articles 80 and 81 will allow the Directors to ascertain shareholders' views on a proportional takeover bid, it does not otherwise offer any advantage or disadvantage to the Directors who will remain free to make their own recommendation as to whether any proportional takeover bid should be accepted.

(g) Potential advantages and disadvantages for shareholders

The Directors consider that there are potential advantages associated with shareholders having the opportunity to consider and vote upon any proposed proportional takeover bid. For a proportional takeover bid to be approved, it must be approved by more than half of the shares voted at the meeting excluding the shares of the bidder and its Associates, and accordingly the existence of Articles 80 and 81:

- is likely to cause an intending bidder to formulate its offer in a way that would be attractive to the holders of a majority of shares, including appropriate pricing;
- may have the effect of not allowing control of the Company to pass without payment of a control premium;

- should assist shareholders to avoid being locked in as minority shareholders; and
- will help individual shareholders assess the likely outcome of a proportional takeover bid when determining whether to accept or reject the bid.

The potential disadvantages for shareholders renewing Articles 80 and 81 include:

- proportional takeover bids for the Company may be discouraged;
- any speculative element in the market price of the Company's shares arising from the possibility of a proportional takeover offer being made may be reduced; and
- the provisions may be considered to constitute an unwarranted additional restriction of the right of individual shareholders to freely deal with their shares as they see fit.

There have been no full or proportional takeover bids for the Company during the time Articles 80 and 81 have been in effect. Accordingly, there has not been any example against which to review the advantages or disadvantages of the provisions for the Directors and shareholders, respectively, during this period.

Board Recommendation

The Board considers that the potential advantages for shareholders of the proportional takeover provisions outweigh the potential disadvantages. Accordingly, the Board unanimously recommends that shareholders approve the renewal of Articles 80 and 81 of the constitution and **vote in favour** of the resolution.

Item 5 – Placement of Shares to Mitsubishi Corporation - Ratification under Listing Rule 7.4

(a) Background

On 1 October 2025, in conjunction with the CanadaOne Auto acquisition, the Company announced that it had entered into the Mitsubishi Strategic Placement Agreement with Mitsubishi Corporation to raise \$50 million through the issue of 2,777,778 Shares, under the Company's existing 15% Capacity.

The issue of those Shares was completed on 14 October 2025.

(b) 15% Capacity - Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, the Listing Rules limit the number of Equity Securities that a listed company can issue or agree to issue without the approval of its shareholders over any 12 month period to 15% of the aggregate of the fully paid ordinary shares it had on issue at the start of that 12 month period plus any fully paid ordinary shares issued with shareholder approval under certain Listing Rules ("**15% Capacity**").¹

(c) Ratification - Listing Rule 7.4

An issue of Equity Securities will be treated as having been made with the approval of shareholders for the purposes of the Listing Rules if, relevantly, shareholders subsequently approve it.² As the issue of the Mitsubishi Strategic Placement Shares was within the Company's 15% Capacity, and was not previously approved by shareholders, the Company now seeks shareholder ratification of the issue to refresh its capacity to make further issues without shareholder approval under the Listing Rules.

If this resolution is approved, the prior issue of the 2,777,778 Mitsubishi Strategic Placement Shares may be treated by the Company as having been made with shareholder approval under the Listing

¹ Listing Rules 7.1, 7.2 and 7.4

² Listing Rule 7.4

Rules. The Company will therefore have the flexibility, if required, to issue additional Equity Securities without the Mitsubishi Strategic Placement Shares counting towards the 15% Capacity, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the Mitsubishi Issue Date.

If this resolution is not approved, the prior issue of the Mitsubishi Strategic Placement Shares will not be treated by the Company as having been made with shareholder approval under the Listing Rules and those Shares will continue to reduce the Company's 15% Capacity, decreasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the Mitsubishi Issue Date.

(d) Information required by Listing Rule 7.5

The Listing Rules require that the following information be provided to shareholders for the purpose of obtaining shareholder approval:

7.5.1	Names of the persons receiving the securities	Mitsubishi Corporation
7.5.2	Number and class of securities	2,777,778 Shares
7.5.3	If the securities are not fully paid ordinary securities, a summary of the material terms	N/A
7.5.4	Date of issue	14 October 2025
7.5.5	Issue price	\$18.00 per Share
7.5.6	The purpose of the issue	The Company has entered into a Strategic Partnership Agreement with Mitsubishi Corporation, under which the parties will explore and evaluate collaboration opportunities in areas of their businesses that have the potential to be of mutual benefit, including new vehicle dealership network and independent used car business (easyauto123 and Carlins) as well as exploring business opportunities across financial services, fleet management and lifecycle ownership solutions for new energy vehicles. The Mitsubishi Strategic Placement Shares were issued to further support the objectives of the Strategic Partnership Agreement. The funds raised will be used to partly fund the CanadaOne Auto acquisition.
7.5.7	Summary of other material terms of the Mitsubishi Strategic Placement Agreement	The Mitsubishi Strategic Placement Shares were to be issued free of encumbrances and rank equally with all other Shares on the date of issue, and be free from contractual restrictions on transfer. The Subscription Amount was required to be paid at least one Business Day prior to the issue date. The Company was required to apply for quotation of the Shares, to issue a cleansing notice under section 708A(6) of the Corporations Act and to deliver a holding statement for the issued Shares. The Mitsubishi Strategic Placement Agreement also contains various customary warranties by the Company and by Mitsubishi Corporation.

7.5.8	A voting exclusion statement.	A voting exclusion statement is set out below.
-------	-------------------------------	--

Voting Exclusion Statement

The Company will disregard any votes cast in favour of this resolution by or on behalf of:

- Mitsubishi Corporation, being the person who participated in the issue or who is a counterparty to the agreement being approved; or
- an Associate of Mitsubishi Corporation.

However, this does not apply to a vote cast in favour of the resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on a resolution in that way; or
- the Chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary providing the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an Associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Board Recommendation

The Board unanimously recommends that shareholders **vote in favour** of this resolution.

Item 6 – Exchangeable Shares issued for the CanadaOne Auto acquisition - Ratification under Listing Rule 7.4

(a) Background

On 1 October 2025, the Company announced that it had entered into an agreement for a proposed strategic investment of A\$1.0³ billion in CanadaOne Auto group, one of Canada's largest auto dealership groups, through the acquisition of 65% of the shares in its holding company,⁴ with the remaining 35% of shares held by entities associated with CanadaOne Auto founder Pat Priestner.

The CanadaOne Auto acquisition is expected to be completed in Q2 2026.

Part of the consideration for the CanadaOne Auto acquisition is the issue of 21,429,009 Exchangeable Shares⁵ by ExchangeCo, of which 19,286,108 will be held by Triadic Auto Holdings 3 Ltd. and 2,142,901 will be held by Triadic Auto Holdings 2 Ltd., each an entity controlled by Pat Priestner (**Priestner Entities**).

The Exchangeable Shares are designed to provide the economic equivalent to owning a Share. The issue of exchangeable shares is a common structure in Canada as there is no Canada-Australia cross-border equivalent to Australian capital gains tax rollover relief.

Exchangeable Shares can be exchanged into an equivalent number of Shares in certain circumstances. If Exchangeable Shares are exchanged, the Company has agreed to issue the relevant Shares to the holders of the Exchangeable Shares under the Exchange Rights and Support

³ Purchase Price of CAD \$953 million has been converted to AUD at CAD/AUD exchange ratio of 1.095 and subject to post-completion adjustments.

⁴ 2750828 Alberta Ltd., a corporation incorporated under the laws of the province of Alberta, Canada

⁵ ASX has determined that the Exchangeable Shares are 'convertible securities' for the purposes of the Listing Rules, including Listing Rule 7.1

Agreement. The Shares issued on exchange of the Exchangeable Shares may be subject to escrow restrictions and, if necessary, separate shareholder approval will be obtained at the relevant time to enable the Company to enter into those escrow restrictions.

An outline of the key terms of the Exchange Rights and Support Agreement and Exchangeable Share terms is set out in Attachment 1.

(b) Ratification - Listing Rule 7.4

As the agreement to issue the Exchangeable Shares was within the Company's 15% Capacity, and was not previously approved by shareholders, the Company now seeks shareholder ratification and approval of the agreement to issue, and issue of, the Exchangeable Shares under the Listing Rules. At the date of these Explanatory Notes, the Exchangeable Shares have not yet been issued, and no Shares have been issued on exchange of Exchangeable Shares, but it is possible that this could occur prior to the date of the meeting.

If this resolution is approved, the agreement to issue 21,429,009 Exchangeable Shares and the actual issue of the Shares,⁶ will be taken to have been made with shareholder approval under the Listing Rules. The Company will therefore have the flexibility, if required, to issue additional Equity Securities without that number of Exchangeable Shares counting towards the 15% Capacity, effectively increasing the number of Equity Securities it can issue without shareholder approval during the period to 30 September 2026.⁷

If this resolution is not approved, neither the agreement to issue, nor issue of, the Exchangeable Shares, nor the issue of the Shares upon exchange of Exchangeable Shares, will be taken to have been made with shareholder approval under the Listing Rules. That agreement, and those Exchangeable Shares, respectively will therefore reduce the Company's 15% Capacity for the purposes of Listing Rules, effectively decreasing the number of Equity Securities it can issue without shareholder approval during the period to 30 September 2026. After that time, any Shares issued on exchange of the Exchangeable Shares will be taken into account when calculating the 15% Capacity (that is, they will be added to the issued capital when calculating the 15% limit, and they will not reduce the 15% Capacity). If the resolution is approved, any Shares issued on exchange of the Exchangeable Shares before 30 September 2026 will be added to the issued capital when calculating the 15% limit (and will not reduce the 15% Capacity).

(c) Information required by Listing Rule 7.5

The Listing Rules require that the following information be provided to shareholders for the purpose of obtaining shareholder approval:

7.5.1	Names of the persons receiving the securities	The relevant Priestner Entities.
7.5.2	Number and class of securities	Up to 21,429,009 Exchangeable Shares. ⁸
7.5.3	If the securities are not fully paid ordinary securities, a summary of the material terms	The key terms of the Exchangeable Shares and the Exchange Rights and Support Agreement are summarised in Attachment 1.
7.5.4	Date of issue of Exchangeable Shares	The Exchangeable Shares will be issued on the CanadaOne Auto Acquisition Date, which is expected to occur before, or within 3 months after, the date of the Meeting.

⁶ Subject to any variation in connection with any reorganisation by the Company (see paragraph 13 of Attachment 1).

⁷ Being 12 months from the date of the Share Purchase Agreement for the CanadaOne Auto acquisition, under which Eagers agreed to issue the Exchangeable Shares and enter into the Exchange Rights and Support Agreement (under which it will agree to issue Shares on exchange of the Exchangeable Shares) at completion of that acquisition.

⁸ Subject to any variation in connection with any reorganisation by the Company (see paragraph 13 of Attachment 1).

7.5.5	Issue price	As the Exchangeable Shares will be issued as part of the consideration for the CanadaOne Auto acquisition, no additional cash consideration is payable to the Company.
7.5.6	The purpose of the issue	The Exchangeable Shares will be issued as part of the consideration for the acquisition of CanadaOne Auto.
7.5.7	Summary of other material terms of the Exchange Rights and Support Agreement and Exchangeable Shares	See Attachment 1.
7.5.8	A voting exclusion statement.	A voting exclusion statement is set out below.

Voting Exclusion Statement

The Company will disregard any votes cast in favour of this resolution by or on behalf of:

- The persons set out in Attachment 2, being persons who are a counterparty to the agreement being approved; or

Attachment 1 – Summary of Exchange Rights and Support Agreement and Exchangeable Share Terms

1. **Nature of Exchangeable Shares** - Each Exchangeable Share is a non-voting share in the capital of ExchangeCo, which may be exchanged by the holder for one Share.
2. **Exchange of Exchangeable Shares by Retraction Notice** – Unless the Exchangeable Shareholder has exercised its Put Right or CallCo has exercised its Retraction Call Right, the Exchangeable Shareholder may by giving a Retraction Request require ExchangeCo to redeem at least 1 million Exchangeable Shares (or the lesser balance held at the time) from time to time for an amount per Exchangeable Share equal to the Exchangeable Share Consideration. The Exchangeable Shareholder may revoke the notice prior to the redemption date.
3. **Exchangeable Share Consideration** – in respect of each Exchangeable Share, is an amount equal to:
 - (a) the current market price of one Share, which must be satisfied only by the issue or transfer of one fully paid Share;
 - (b) an amount in cash equal to all declared, payable and unpaid cash dividends or other distributions or returns of capital on each Exchangeable Share; and
 - (c) any other type of property (other than cash) constituting any declared and payable non-cash dividends or distributions or returns of capital on each Exchangeable Share.
4. **Escrow of Shares** – If the Exchangeable Shareholder exercises its Put Right or gives a Retraction Request, the Shares that are issued are escrowed as follows:
 - (a) for the first 6,122,574 Shares issued – 3 years from the date of completion of the acquisition of CanadaOne Auto; and
 - (b) for any additional Shares issued – 5 years from the date of completion of the acquisition of CanadaOne Auto.
5. **No exchange in Restricted Period** – If the proposed retraction date is within the Restricted Period, unless the Retraction Request has been revoked, the redemption occurs on the business day immediately after the end of the Restricted Period.

The **Restricted Period** is any period during which the Company determines, acting in good faith, that it would need to issue a cleansing notice under Section 708A of the Corporations Act in connection with any Shares issued on a retraction, and that issuing such notice would materially disadvantage the Company. The Restricted Period ends on the earlier of (a) the date on which the relevant “excluded information” (as defined in Section 708A of the Corporations Act) has been publicly disclosed, and (b) the date on which the Company determines, acting in good faith, that issuing a cleansing notice would no longer materially disadvantage the Company. This does not apply during the one-month period following the Company's filing of its half yearly or annual financial statements, or in respect of any Retraction Notice submitted in connection with an Offer.
6. **Redemption by ExchangeCo** - Subject to applicable law, and provided CallCo has not exercised the Redemption Call Right or an Exchangeable Shareholder has not exercised their Put Right, upon the occurrence of the following events (**Redemption Events**), ExchangeCo shall have the right to redeem all but not less than all of the then outstanding Exchangeable Shares for the Exchangeable Share Consideration:
 - (a) an **Eagers Control Transaction**:
 - (i) a takeover offer under the Corporations Act where holders of not less than 50% of the Shares to which is relates have accepted the offer;

 - (iii) an agreement for the sale of all or substantially all of the Company's assets is approved by shareholders and completes;

 - (v) the entry into, or completion of, a sale or purchase agreement involving shares in the Company or its subsidiaries, or assets of the Company or its subsidiaries, which results or will result in a change of control of the Company or its business operations;
 - (vi) the formation of, or entry into, a joint venture arrangement that materially alters the control, ownership, or operational structure of the Company;
 - (vii) the implementation of a dual-listed company structure or other synthetic merger resulting in a change of control or effective merger of the Company;

- (b) an insolvency event occurs in relation to ExchangeCo;
 - (c) the 10th anniversary of the date that the Exchange Rights and Support Agreement was entered into, unless extended to the 15th anniversary at the request by the Exchangeable Shareholder and with the consent of ExchangeCo, such consent not to be unreasonably withheld; or
 - (d) the day upon which Canadian tax legislation is amended and becomes effective such that all Canadian resident Exchangeable Shareholders may receive Shares in exchange for their Exchangeable Shares on a tax deferred basis for Canadian income tax purposes.

7. **Participation in Offers** – if a tender offer, share exchange offer, takeover bid, merger, business combination or similar transaction with respect to Shares, including an Eagers Control Transaction (each, an **Offer**), is proposed by the Company or recommended by the Board (or otherwise effected with the consent or approval of the Board), the Company must use commercially reasonable efforts to enable Exchangeable Shareholders to participate in such Offer to the same extent and on an economically equivalent basis as holders of Shares, without discrimination.

8. **Automatic Exchange on Company Liquidation Event** - subject to each of the Liquidation Call Right and Put Right (if applicable) not having been exercised, each of the then outstanding Exchangeable Shares shall be automatically exchanged for Shares on the occurrence of a Company Liquidation Event.

To effect such automatic exchange, CallCo shall be deemed to have purchased each Exchangeable Share outstanding on the occurrence of the Company Liquidation Event, and each Exchangeable Shareholder shall be deemed to have sold the Exchangeable Shares held by them to CallCo, for an amount per share equal to the Exchangeable Share Consideration.

A Company Liquidation Event is:

- (a) any determination by the Board to institute voluntary liquidation, dissolution or winding-up proceedings with respect to the Company or to effect any other distribution of the Company's assets among its shareholders for the purpose of winding up its affairs; and
- (b) any instituted claim, suit, petition or other proceedings with respect to the involuntary liquidation, dissolution or winding-up of the Company or to effect any other distribution of assets of the Company among its shareholders for the purpose of winding up its affairs, in each case where the Company has failed to contest in good faith any such proceeding commenced in respect of the Company within 30 days of becoming aware thereof.

9. **ExchangeCo Liquidation Event** - Subject to the Liquidation Call Right and the Put Right, in the event of liquidation, dissolution or winding-up of ExchangeCo, each Exchangeable Shareholder is entitled to receive, in priority to holders of common shares and other junior ranking shares of ExchangeCo, the Exchangeable Share Consideration. Exchangeable Shareholders are not otherwise entitled to share in any further distribution of the assets of ExchangeCo.

11. **Holder Put Rights** – Subject to CallCo's Call Rights, CallCo grants to each Exchangeable Shareholder the right (**Put Right**) to require CallCo to purchase Exchangeable Shares held by the Exchangeable Shareholder for the Exchangeable Share Consideration upon the occurrence and during the continuance of:
- (a) an insolvency event in relation to ExchangeCo;
 - (b) a Company Liquidation Event;
 - (c) a Redemption Event; and
 - (d) any event causing the transfer, disposition or exchange of the Exchangeable Shares for Exchangeable Share Consideration or requiring the Exchangeable Shareholder to transfer, dispose or exchange their Exchangeable Shares for Shares, including but not limited to the giving of a Retraction Notice.
- In respect of events (a), (b) and (c), the Put Right applies to all (but not less than all) of the Exchangeable Shares held by the Exchangeable Shareholder, and in respect of event (d), to any or all of the Exchangeable Shares that are the subject of the event.
12. **Equivalent dividends and distributions** – Subject to applicable law, the directors of ExchangeCo must cause ExchangeCo to provide, for each Exchangeable Share, to a dividend, distribution or return of capital equivalent to any dividend, distribution or return of capital made in respect of Shares.
13. **Reorganisations by the Company** - If the Company, without the prior approval of ExchangeCo and the Exchangeable Shareholders, subdivides, consolidates, reduces or reclassifies the Shares, or effects an amalgamation, merger, reorganisation or other transaction affecting the Shares, ExchangeCo must ensure that the same change is simultaneously made to the rights of the Exchangeable Shareholders.
