Corporate Shareholders should comply with the execution requirements set out on the proxy form or otherwise with the provisions of section 127 of the Corporations Act. Section 127 of the Corporations Act provides that a company may execute a document without using its common seal if the document is signed by:

If you do not mark any of the boxes next to a Resolution, your proxy may vote as he or she chooses. If you mark more than one box on the Resolution, your vote will be invalid.

Chairperson Voting Undirected Proxies

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders in connection with the business to be conducted at the General Meeting to be held at **10:00am (WST) on Wednesday, 4 February 2026** at the **Celtic Club Perth, West Perth, WA 6005**.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on all the Resolutions in the accompanying Notice of General Meeting.

This Explanatory Statement should be read in conjunction with the Notice of General Meeting.

Capitalised terms in this Explanatory Statement are defined in the Glossary or otherwise in the Explanatory Statement.

1. RESOLUTION 1 – RATIFICATION OF SHARES ISSUE TO PLACEMENT PARTICIPANTS (NON-RELATED PARTIES)

1.1 Background Information

On 5 December 2025, the Company announced that it had received firm commitments from various sophisticated, professional and otherwise exempt investors (**Placement Participants**) to raise \$10 million (before costs), comprising \$8.92 million through the issue of 189,787,234 Shares in the Company at an issue price of \$0.047 per Share (**Placement Shares**) and \$1.08 million for an additional 22,978,724 Shares to two of the Company's Directors (**Related Party Participation Shares**). The Director participation is subject to Shareholder approvals, being the subject of Resolutions 2(a) and 2(b) below (together **Placement**).

1.2 Use of Funds Raised under the Placement

Funds raised from the Placement, together with the Company's existing cash reserves, will primarily be used to accelerate and expand on the Stage 3 RC drilling program (+20,000m) at the Cangallo Project in Peru, in order to extend the copper and gold mineralisation to the south of the current drill coverage, in areas where surface geological and geochemical data suggests that the centre of the porphyry system may also occur, as well as for general working capital purposes.

1.3 Requirement for Shareholder Approval

As described in Section 1.1 above, the Company issued a total of 189,787,234 Placement Shares under the Placement to the Placement Participants using its available issuing capacity under Listing Rule 7.1.

None of the Placement Participants who participated in the issue of 189,787,234 Placement Shares were or are Directors or other Related Parties of the Company.

Resolution 1 is an ordinary resolution seeking approval by Shareholders for the ratification of the issue of the 189,787,234 Placement Shares.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Placement Shares does not fall within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period from the issue date of the Placement Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 1 seeks Shareholder approval for the issue of Placement Shares under and for the purposes of Listing Rule 7.4.

If Resolution 1 is passed, the issue of the Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 1 is not passed, the issue of the Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue date.

1.4 ASX Listing Rule 7.5 Information Requirements

In accordance with the disclosure requirements of Listing Rule 7.5, the following information is provided in relation to Resolution 1:

(a) Basis on which Placement Participants were identified

In respect of Resolution 1, the Placement Shares were issued to professional, sophisticated and otherwise exempt investors who are clients of Euroz Hartleys Limited, who acted as lead manager and corporate advisory to the Placement. The recipients were identified through a bookbuild process, which involved the Lead Manager seeking expressions of interest to participate in the capital raising from non-related parties of the Company. None of the Placement Participants are members of the Company's key management personnel, a substantial holder, an advisor or an associate of the Placement Participants, with no Placement Shares issued to any party greater than 1% of the Company's issued capital at the time of issue.

(b) Number and class of securities issued

In respect of Resolution 1, a total of 189,787,234 Placement Shares were issued to Placement Participants utilising the Company's placement capacity pursuant to Listing Rule 7.1.

The Placement Shares are fully paid ordinary Shares ranking equally with the Company's existing Shares then on issue.

(c) Date on which the securities were issued

The Placement Shares in respect of Resolution 1 were issued by the Company on 15 December 2025.

(d) Price at which the securities were issued

The Placement Shares were issued at an issue price of \$0.047 per Placement Share.

(e) Purpose of issue and the use or intended use of the funds raised

The Company intends to use the funds from the issue of the Placement Shares for the purposes described in Section 1.2 of this Notice.

(f) Issued under an agreement

The issue of the Placement Securities was not made under an agreement.

(g) Voting exclusion

A voting exclusion statement applies to Resolution 1.

1.5 Directors' Recommendation – Resolution 1

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1 as it will refresh the Company's issuing capacity under Listing Rule 7.1 and give the Company the flexibility to raise additional working capital through the offer and issue of equity securities, if and as required.

2. RESOLUTIONS 2(A) AND 2(B) – APPROVAL TO ISSUE RELATED PARTY PARTICIPATION SHARES TO DIRECTORS (RELATED PARTIES)

2.1 Background Information

Messrs Chris Ellis and Graeme Drew are two of the Company's existing directors who wish to participate in the Placement on the same terms as unrelated participants in the Placement (**Related Party Participation**), as set out in 1.1 above, for an aggregate of 22,978,724 shares (**Related Party Participation Shares**). This is in addition to the Placement Shares and the Company will raise a further \$1.08 million from the Related Party Participation.

Subject to Shareholder approval of Resolutions 2(a) and 2(b), the Company proposes to issue a total of 22,978,724 Related Party Participation Shares in the following proportions to Related Parties:

(a) Mr Chris Ellis – Non-Executive Director – 21,276,596 Related Party Participation Shares; and

(b) Mr Graeme Drew – Managing Director – 1,702,128 Related Party Participation Shares.

2.2 Chapter 2E of the Corporations Act

Section 208 of the Corporations Act provides that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Related Party Participation in the Placement will result in the giving of a financial benefit as Messrs Ellis and Drew are Related Parties of the Company by virtue of being Directors of the Company.

In respect of Resolution 2(a), the Board (other than Mr Ellis who has a material personal interest in Resolution 2(a)) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of Resolution 2(a) because the Related Party Participation Shares will be issued on the same terms as the Shares issued under the Placement to non-related party participants in the Placement and as such the giving of the financial benefit is on arm's length terms.

In respect of Resolution 2(b), the Board (other than Mr Drew who has a material personal interest in Resolution 2(b)) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of Resolution 2(b) because the Related Party Participation Shares will be issued on the same terms as the Shares issued under the Placement to non-related party participants in the Placement and as such the giving of the financial benefit is on arm's length terms.

2.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 – a related party;
- 10.11.2 – a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 – a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 – an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 – a person whose relationship with the company or a person referred to in Listing Rule 10.11.1 to 10.11.4 is such that, ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains approval of its shareholders.

The proposed issue of Related Party Participation Shares to Directors falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing rule 10.12. It therefore requires approval of the Company's Shareholders under Listing Rule 10.11.

Resolutions 2(a) and 2(b) seek the required shareholder approval for the issue of Related Party Participation Shares under and for the purposes of Listing Rule 10.11.

If Resolutions 2(a) and 2(b) respectively are passed, the Company will be able to proceed with the issue of Related Party Participation Shares on the same terms as those offered to other Placement Participants.

If Resolutions 2(a) and 2(b) respectively are not passed, the Company will not be able to proceed with the issue of Related Party Participation Shares on the same terms as those offered to other Placement Participants.

2.4 Information Required by Listing Rule 10.13

Listing Rule 10.13 requires that information be provided to Shareholders for the purposes of obtaining Shareholder approval pursuant to Listing Rule 10.11 as follows:

(a) The names of the persons to whom securities will be issued

Messrs Chris Ellis (Resolution 2(a)) and Graeme Drew (Resolution 2(b)), or their nominees.

(b) Which category in rules 10.11.1 – 10.11.5 the persons fall and why

Messrs Ellis and Drew fall under Listing Rule 10.11.1 as they are Directors of the Company.

(c) The number and class of securities to be issued to the persons

- (i) Resolution 2(a) – Mr Chris Ellis (Non-Executive Director) – 21,276,596 Related Party Participation Shares; and
- (ii) Resolution 2(b) – Mr Graeme Drew (Managing Director) – 1,702,128 Related Party Participation Shares.

The Related Party Participation Shares are fully paid ordinary Shares ranking equally with the Company's existing Shares then on issue.

(d) The date or dates on which the Company will issue the securities to the persons

Subject to Shareholder approval, the Company proposes to issue the Related Party Participation Shares shortly following the Meeting, or otherwise on one date no later than one month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).

(e) The price or consideration the entity will receive for the issue

The Company is proposing to issue 22,978,724 Related Party Participation Shares at an issue price of \$0.047 per Related Party Participation Share, to raise \$1.08 million (before costs). The issue price of the Related Party Participation Shares is the same issue price as all other shares issued to other participants in the Placement. The Company will not receive any other consideration for the issue of the Related Party Participation Shares.

(f) Purpose of the issue and use of funds raised

The purpose of the issue and the proposed use of the funds raised are for the same purposes and use as all other funds raised under the Placement, as detailed in section 1.2 of this Notice.

(g) Remunerate and incentivise

The issue of the Related Party Participation Shares is not intended to remunerate or incentivise the directors.

(h) Issued under an agreement

The issue of the Related Party Participation Shares is not made under an agreement.

(i) Voting exclusion statement

A voting exclusion statement applies to Resolutions 2(a) and 2(b) respectively.

2.5 Directors' Recommendation – Resolutions 2(a) and 2(b)

Each recipient of the Related Party Participant Shares is a Related Party of the Company by virtue of being a Director of the Company. Accordingly, Messrs Ellis and Drew have a material personal interest in the outcome of Resolutions 2(a) and 2(b). In the interests of good corporate governance, Messrs Ellis and Drew decline to make any recommendations as to how Shareholders should vote on Resolutions 2(a) and 2(b).

Mr Greg Hancock, who is the Non-Executive Chairman of the Company will not be participating in the Related Party Placement, recommends that Shareholders vote in favour of Resolutions 2(a) and 2(b) on the basis that the Related Party Participant Shares are offered on the same terms as those under the Placement.

3. RESOLUTION 3 – APPROVAL TO ISSUE BROKER OPTIONS (NON-RELATED PARTY)

3.1 Background Information

As described in section 1.1 above, the Company completed a Placement as announced on 5 December 2025, raising \$8.92 million (before costs) through the issue of 189,787,234 Shares in the Company at an issue price of \$0.047 per Share. This excluded an additional \$1.08 million raised from certain Directors, the subject of Resolutions 2(a) and 2(b) of this Notice.

Euroz Hartleys Limited (**Euroz Hartleys**) acted as the Sole Lead Manager to the Placement. In accordance with the lead manager agreement signed with Euroz Hartleys, the fees payable for lead manager services performed includes the grant of 20,000,000 Unlisted Options, the subject of Resolution 3 of this Notice.

3.2 Broker Engagement

The Company and Euroz Hartleys entered into a Capital Raising Engagement (**Broker Engagement**) dated 28 November 2025, whereby Euroz Hartleys is to provide capital raising services to meet the Company's funding requirements.

Under the terms of the Broker Engagement, Euroz Hartleys will be entitled to the following:

- (a) a cash fee equal to 6% of the funds raised under the Placement, comprising a management fee equal to 3% and a distribution fee equal to 3%; and
- (b) 20,000,000 new Unlisted Options (**Broker Options**) for a subscription price of \$0.00001 per Broker Option to be issued, each with an exercise price of \$0.0705, being a 50% premium of the agreed Placement Share Price of \$0.047, and expiring 3 years from the date of issue. The proposed issue is subject to payment of the subscription price by Euroz Hartleys, and is also subject to shareholder approval of Resolution 3 in this Notice.

The other terms and conditions of the Broker Mandate are considered standard for an agreement of this nature.

3.3 ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 provides that a company must not issue or agree to issue during any 12-month period any equity securities, or other securities with rights to conversion to equity, if the number of those securities exceeds 15% of the number of securities in the same class on issue at the commencement of that 12-month period without shareholder approval.

The issue of the Broker Options does not fall within any exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires approval of Shareholders under Listing Rule 7.1.

To that end, Resolution 3 seeks the required Shareholder approval for the issue of the Broker Options under and for the purposes of Listing Rule 7.1.

3.4 Technical Information required by Listing Rule 14.1A

If Resolution 3 is passed, the Company will be able to proceed with the issue of the 20,000,000 Broker Options, increasing the total number of Options on issue. If all the Broker Options are exercised prior to expiry, the Company will raise up to \$1,410,000 on receipt of the exercise price for the Broker Options and the Company anticipates it will use those funds for working capital purposes as required at that time.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of the Broker Options to the Broker or their nominee(s). In this scenario, the Company will be required to satisfy its obligation to issue Broker Options in another manner. In this eventuality, the Broker may be less inclined to assist the Company in its future capital raising endeavours.

3.5 ASX Listing Rule 7.3 Information Requirements

In accordance with the disclosure requirements of Listing Rule 7.3, the following information is provided in relation to Resolution 3:

(a) The names of the persons to whom securities will be issued or the basis on which those persons were determined

The Broker Options are proposed to be issued to the Broker, Euroz Hartleys Limited (or their nominee(s)). The issue is not more than 1% of the Company's current issued capital.

The Broker is not a Related Party of the Company.

(b) The number and class of securities to be issued

The Company agreed to issue 20,000,000 Broker Options, being unlisted Options to subscribe for Shares.

(c) A summary of the material terms of the securities

The Broker Options will be issued, each with an exercise price of \$0.0705, being 50% premium of the agreed Placement Share Price of \$0.047, and expiring 3 years from the date of issue.

The material terms of the Broker Options are set out in Schedule 1.

(d) The date on which the securities will be issued

The Broker Options will be issued as soon as possible after the Meeting and in any event no later than three months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).

(e) The price or consideration the entity has received or will receive for the issue

The Broker Options are to be issued at a nominal subscription price of \$0.00001 each, in consideration for services performed by the Broker under the Broker Engagement. The issue of the Broker Options will raise a nominal amount of \$200.

(f) The purpose of the issue, including use or intended use of the funds raised

The purpose of the issue of the Broker Options is to satisfy the Company's obligations under the Broker Mandate.

If all the Broker Options are exercised prior to expiry, the Company will raise up to \$1,410,000 and anticipates it will use those funds for working capital purposes as required at that time.

(g) If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement

The Broker Options are proposed to be issued pursuant to the Broker Engagement, the material terms of which are summarised at Section 3.2 above.

(h) A voting exclusion statement

A voting exclusion statement in respect of Resolution 3 is included in this Notice.

3.6 Directors' recommendation – Resolution 3

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3 as it will assist the Company in conserving its cash which would otherwise have been used as payment for the provision of capital raising services and in addition, it will enable the Company to raise up to \$1,410,000 in funds for the Company if all Broker Options are exercised prior to their expiry date.

SCHEDULE 1 – TERMS OF BROKER OPTIONS

The Broker Options (**Broker Options**) are to be issued on the following terms:

1. **Entitlement:** Each Broker Option entitles the holder, being Euroz Hartleys Ltd or its nominee (**Euroz Hartleys**) to subscribe for one fully paid ordinary Share in the Company.
2. **Payment on grant:** Euroz Hartleys is required to pay \$0.00001 on the grant of each Broker Option.
3. **Exercise price:** The exercise price of each Broker Option is A\$0.0705 (**Exercise Price**).
4. **Expiry date for Broker Options:** Each Broker Option comes into effect upon being issued by the Company and will expire at 5pm (AWST) 3 years from the date of issue (**Expiry Date**). A Broker Option that has not been exercised before the Expiry Date will lapse and be cancelled.
5. **Exercise:** The Broker may exercise Broker Options during the Exercise Period by giving the Company:
 - (a) a written exercise notice (in the manner specified on the certificate for the Broker Option or in the form otherwise approved by the directors of the Company from time to time) (**Exercise Notice**) specifying the number of Broker Options being exercised;
 - (b) payment of the Exercise Price for the Broker Options being exercised in Australian currency by electronic funds transfer or other means acceptable to the Company; and
 - (c) the certificate (if any) for the Broker Options being exercised.

Unless the Company otherwise agrees, Broker Options may only be exercised in multiples of 100,000 unless fewer than 100,000 Broker Options are held, in which case all such Broker Options must be exercised.

6. **Exercise Date:** An Exercise Notice is effective on and from the later of the date of receipt of the Notice of Exercise and the date of receipt of payment of the Exercise Price for the Broker Options being exercised in cleared funds (**Exercise Date**).
7. **Timing and issue of Shares on exercise:** Within 5 Business Days after the Exercise Date the Company will:
 - (a) issue the Shares pursuant to the exercise of the Broker Options as specified in the Exercise Notice in accordance with these terms and conditions;
 - (b) if required, give ASX a notice in accordance with section 708A(5) of the Corporations Act meeting the requirements of section 708A(6) of the Corporations Act or, if the Company is unable to issue such a notice for any reason, the Company must within 45 days of receiving a valid Exercise Notice, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares issued on exercise of the Broker Options does not require disclosure to investors; and
 - (c) apply for official quotation on ASX of the Shares issued on exercise of the Broker Options, if the Shares are admitted to the official list of ASX at the time.

If a notice delivered under paragraph (7) above for any reason is not effective to ensure that an offer for sale of the Shares issued on exercise of the Broker Options does not require disclosure to investors, the Company must within 20 Business Days of becoming aware of such notice being ineffective, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares issued on exercise of the Broker Options does not require disclosure to investors.

8. **Shares issued on exercise of Broker Options:** Shares issued upon exercise of Broker Options will rank equally in all respects with all other Shares then on issue.
9. **Participation rights:** The Broker Options do not confer on the Broker any participation or entitlement rights inherent in holding Shares and the Broker will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Broker Options without exercising the Broker Options.

- 10. Reconstructions:** If there is a reorganisation (including consolidation, sub-division, reduction or return) of the issued share capital of the Company, then the rights of the Broker will be adjusted in accordance with the ASX Listing Rules and Corporations Act applicable at the time and any adjustments which are required to be made will be made by the Company's Directors and will, in the absence of manifest error, be final and conclusive and binding on the Company and the Broker.
- 11. Change in Exercise Price:** A Broker Option does not confer a right to a change in the Exercise Price of the Broker Option or a change to the number of Shares over which the Broker Option can be exercised.
- 12. Voting:** A Broker Option does not confer on the Broker the right to vote at general meetings of the Company.
- 13. Transfer:** The Broker Options are transferable, subject to any restrictions under the ASX Listing Rules or applicable law.
- 14. Quotation of Broker Options:** The Company will not seek to have the Broker Options quoted by ASX.
