¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. CORPORATE GOVERNANCE STATEMENT 2025

The Board of Astron Limited ("Astron", "the Company" or "the Group") is responsible for the corporate governance of the Group. The Board guides and monitors the business and affairs of Astron on behalf of the shareholders by whom they are elected and to whom they are accountable. This statement reports on Astron's key governance principles and practices. As Astron Limited became the parent company of the group on 29 August 2025, this corporate governance statement incorporates the corporate governance arrangements for the former parent company of the group (Astron Corporation Limited) for the time at which it was the group parent company.

The Board is committed to attaining standards of corporate governance that are commensurate with the Company's needs. In this regard, the board has created a framework for managing the Company, including internal controls and business risk management processes. This framework is reflected, in part, in the policies and charters described below.

The Board has adopted, and endorsed, the *ASX Corporate Governance Council's Principles and Recommendations (4th Edition)* as amended from time to time (**ASX Recommendations**) and has adopted the ASX Recommendations that are considered appropriate for the Company, given its size and scope of its proposed activities. Details of the Company's compliance with the ASX recommendations are set out below.

In light of the current state of development of the Company, the Board considers its current composition is appropriate. As the nature and scope of the Company's activities change, the size and composition of the Board and implementation of additional corporate governance policies and structures will be reviewed from time to time.

The 2025 Corporate Governance Statement has been adopted by the board on 30 October 2025.

The Company's corporate governance policies and practices at the date of this report are outlined below and are also available on the Company's website, www.astronlimited.com.au.

1. COMPLIANCE WITH BEST PRACTICE RECOMMENDATIONS

The Company, as a listed entity, must comply with the *Corporations Act 2001* (so far as it applies to foreign registered companies) and the Australian Securities Exchange (ASX) Listing Rules. The ASX Listing Rules require the Company to report on the extent to which it has followed the Corporate Governance Principles and Recommendations published by the ASX Corporate Governance Council. Where a recommendation has not been followed, that fact is disclosed, together with the reasons for the departure.

The table below summaries the Company's compliance with the ASX Recommendations as at the date of this report. Where a Recommendation was not complied with, the non-compliance continued for all of financial year 2025, except as noted otherwise:

ASX Recommendations	Company's response
1 Lay solid foundations for management and oversight	
1.1 A listed entity should have and disclose a board charter setting out: (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management.	The Board assumes ultimate responsibility for the leadership and setting the strategic objectives of the Company. Management of the Company's activities is delegated by the board to the managing director, Mr Tiger Brown. The managing director is assisted in managing and reporting on corporate and operational matters. The Company's board charter can be accessed at https://astronlimited.com.au/about/governance/.

ASX Recommendations	Company's response
1.2 A listed entity should: (a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a director; and (a) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	As part of the process for identification of any future candidates that may be suitable for appointment as a director of the Company, the Board will consider the person's character, experience, education and other matters. Relevant information will be provided to securityholders at the time of election or re-election.
1.3 A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	The Company's executive director, non-executive directors and senior executives have been engaged on the terms of written service contracts, key details of which are included in the Company's annual report. The respective executive and non-executive agreement set out the terms including duties and responsibilities, remuneration, termination, insurance and indemnity arrangements.
1.4 The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	The company secretary attends board meetings, shareholder meetings and providing advice is required on governance matters. In addition, each individual Director is able to communicate directly with the company secretary, or vice versa, as required.
1.5 A listed entity should: (a) have and disclose a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and (c) disclose in relation to each reporting period: (1) the measurable objectives set for that period to achieve gender diversity; (2) the entity's progress towards achieving those objectives; and (3) either: (A) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act. If the entity was in the S&P / ASX 300 Index at the commencement of the reporting period, the measurable objective	The Company's diversity policy can be accessed at https://astronlimited.com.au/about/governance/. The Company has not set any measurable objectives for the current reporting period in respect of diversity. The Company believes that while this is currently appropriate given the size and nature of the Company's operations, it is a matter to be reviewed in the future. In relation to the board, women account for 20% of board positions. The Company is not a "relevant employer" for the purposes of the Workplace Gender Equality Act.

ASX Recommendations	Company's response
for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.	
1.6 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.	The performance of the Board is reviewed against matters that the Board deems relevant. This review has regard to various matters including those set out in the Performance and Evaluation Policy, which can be accessed at https://astronlimited.com.au/about/governance/. The Remuneration and Nomination Committee will assist the Board as required and evaluation of the performance of the directors (including the Managing Director).
