Quarterly Activities Report

For the quarter ending 30 June 2026

Activeport Group Ltd (ASX:ATV) ("Activeport" or "the Company") is pleased to announce its activities and financial results for the fourth quarter (Q4) of FY26.

Q4 Business Highlights

Q4 was a transitional quarter that saw the appointment of Activeport's **new Chief Operating Officer Michael Glynn** in May, following on from the earlier appointment of Matt Hawken as Activeport's new VP of Product and Development.

Michael and Matt made rapid progress kicking Activeport into gear. During the quarter this new leadership team:

- Refreshed Activeport's branding and marketing plan and re-engineered Activeport's software user interfaces.
- Launched the internationalised **globaledge.network** portal and created a **new AI orchestration portal**.
- Won a number of **new contracts** with international telcos and significantly **expanded the sales pipeline**.
- Completed a roadshow and capital raise to provide funding for new growth initiatives and kicked off a restructure to **reduce costs** and re-align resources to global markets.

Heading into FY27, Activeport is now perfectly positioned to reach new heights under Michael's leadership. Drawing from his unmatched experience building innovative software defined networking businesses on a global scale, Michael has achieved immediate results that will begin to produce **tangible financial results** from the first quarter of FY27.

Financial Highlights

- SaaS revenue was up 12% on the previous quarter as new deployments began contributing to the top line.
- Underlying recurring revenue was up 5% at \$1.44M across the business and recurring SaaS revenue now represents 84% of group revenue, up from 77% in Q3, reflecting a continued shift in mix towards higher-quality, repeatable income.
- Total revenue increased 2% for the quarter showing the first shoots of growth following the appointment of the new COO and VP of Product during the quarter.
- Cash used in operating activities of \$1.75M reflects the payroll increase from new appointments and one-off costs associated with the restructure initiated during the quarter.
- Cash receipts from customers of \$1.67M were lower than Q3, reflecting the timing of customer invoicing and collections rather than a change in underlying demand.

\$'m	FY26 Q3	FY26 Q4	Variance
Group Revenue	1.51	1.54	2%
Software Revenue	0.35	0.24	(31%)
SaaS Revenue	1.16	1.30	12%
Cash Used in Operating Activities	(1.09)	(1.75)	(61%)
Cash Receipts from Customers	2.13	1.67	(22%)

Post quarter-end, a substantially oversubscribed \$3.6 million placement was completed with strong institutional demand reflecting high investor confidence in ATV's recent executive appointments and strategic direction.

Outlook

With the new leadership team in place and the restructure underway, Activeport enters FY27 with a lower cost base, a materially larger sales pipeline and additional funding from the capital raise completed during the quarter. The Company's near-term focus is on converting the pipeline built in Q4, scaling Global Edge in international markets and continuing to grow recurring SaaS revenue as a proportion of group revenue.

Other Activities

In accordance with Listing Rule 4.7C, payments made to related parties in item 6.1 and in item 6.2 of the Appendix 4C for this quarter comprise fees, salary, and superannuation for Directors. Item 6.2 relates to capitalised development costs primarily in relation to work performed by the Chief Technology Officer (who is also a Director) in further enhancing Activeport's software.

Each ZEPO will expire at 5:00 pm (WST) on the date that is five (5) years from the date of issue (Expiry Date). Any ZEPO not exercised on or before the Expiry Date will automatically lapse on the Expiry Date.

Vesting of the ZEPOs will terminate on 30 November 2027. Vesting conditions that have not been met by 30 November 2027 will no longer be capable of being satisfied.

The ZEPOs will vest upon satisfaction of the following vesting conditions:

- (i) issue the number of Shares required under these terms and conditions in respect of the number of ZEPOs specified in the Notice of Exercise;
- (ii) if required, give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, or, if the Company is unable to issue such a notice, lodge

with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors; and

There are no participation rights or entitlements inherent in the ZEPOs and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the ZEPOs without exercising the ZEPOs.

All ZEPOs have remained on issue since their date of issue.

No ZEPOs has been cancelled, vested or exercised since their date of issue. None of the ZEPOs vesting conditions have been met since their date of issue.
