Disclaimer

All statements, other than statements of historical fact, which address activities, events or developments that Alara believes, expects or anticipates will or may occur in the future, are forward-looking statements.

Such statements are not a guarantee of future performance and involve unknown risks and uncertainties, as well as other factors which are beyond the control of Alara. Actual results and developments may differ materially from those expressed or implied by the forward-looking statements in connection with the Offers depending upon a variety of factors. Nothing in this announcement should be construed as either an offer to sell or a solicitation of an offer to buy or sell securities.

Not an offer in the United States

This announcement has been prepared for publication in Australia and may not be released to US wire services or distributed in the United States. This announcement does not constitute an offer to sell, or a solicitation of an offer to buy, securities in the United States or any other jurisdiction. Any securities described in this announcement have not been, and will not be, registered under the US Securities Act of 1933 and may not be offered or sold in the United States except in transactions exempt from, or not subject to, the registration requirements of the US Securities Act and applicable US state securities laws.

About Alara Resources

Alara Resources Limited (ASX: AUQ) is an Australian-based pure-play copper producer and explorer.

Alara is currently focused on operating the Al Wash-hi Majaza Copper mine and concentrate production facility in Oman. The Company is also continuing exploration activities at its other Omani projects, including the Block 7 exploration licence under the Daris JV, the Mullaq and Al Ajal exploration licences under the Al Hadeetha JV, the Block 8 exploration license under the Awtad Copper-Power Metal JV and the recently awarded Block 22B exploration licence under the Al Hadeetha Mining LLC JV.

Alara's mission is to become a mid-tier minerals producer which will deliver maximum shareholder value through profitable growth driven by low-cost, sustainable operations.
