The Company encourages Shareholders to appoint the Chairperson as your proxy. To do so, mark the appropriate box on the Proxy Form. If the person you wish to appoint as your proxy is someone other than the Chairperson, please write the name of that person in the space provided on the Proxy Form. If you leave this section blank, or your named proxy does not attend the Meeting, the Chairperson will be your proxy.

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, you may photocopy the Proxy Form.

To appoint a second proxy you must, on each Proxy Form, state (in the appropriate box) the percentage of your voting rights which are the subject of the relevant proxy. If both Proxy Forms do not specify that percentage, each proxy may exercise half your votes. Fractions of votes will be disregarded.

Corporate Shareholders

Corporate Shareholders should comply with the execution requirements set out on the Proxy Form or otherwise with the provisions of section 127 of the Corporations Act. Section 127 of the Corporations Act provides that a company may execute a document without using its common seal if the document is signed by:

- two directors of the company;

- for a proprietary company that has a sole director who is also the sole company secretary, that director.

Votes on Resolutions

You may direct your proxy how to vote by placing a mark in the 'FOR', 'AGAINST' or 'ABSTAIN' box opposite the Resolution. All your votes will be cast in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on the Resolution by inserting the percentage or number of Shares you wish to vote in the appropriate boxes. If you do not mark any of the boxes next to a Resolution, your proxy may vote as he or she chooses. If you mark more than one box on the Resolution, your vote will be invalid. Voting on all Resolutions will be conducted by poll.

Chairperson voting undirected proxies

If the Chairperson is your proxy, the Chairperson will cast your votes in accordance with your directions on the Proxy Form. If you do not mark any of the boxes on the Resolutions, then you expressly authorise the Chairperson to vote your undirected proxies at his/her discretion.

As at the date of this Notice of Meeting, the Chairperson intends to vote undirected proxies **FOR** each of the Resolutions. In exceptional cases the Chairperson's intentions may subsequently change and in this event, the Company will make an announcement to the market.

Voting entitlement (snapshot date)

For the purposes of determining voting and attendance entitlements at the Meeting, Shares will be taken to be held by the persons who are registered as holding the Shares at **5pm (Perth time) on Tuesday, 25 November 2025**. Accordingly, transactions registered after that time will be disregarded in determining entitlements to attend and vote at the Meeting.

Explanatory Statement

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Meeting.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the Resolutions.

This Explanatory Statement should be read in conjunction with the Notice of Meeting. Capitalised words and terms used in this Explanatory Statement are either defined herein or in the Glossary.

1. Background

1.1 Institutional Placement

On 16 October 2025, the Company announced to ASX that it had received firm commitments from a number of sophisticated and professional investors to subscribe for a total of 800,000,000 Shares at an issue price of \$0.004 per Share to raise gross proceeds of \$3.2 million (**Institutional Placement**). The Institutional Placement is (and both components of it are) being managed by Gleneagle Securities (Aust) Pty Ltd (**Lead Manager**).

Of the 800,000,000 Shares to be issued under the Institutional Placement, 71,493,893 Shares (**Tranche 1 Placement Shares**) were issued out of the Company's then (i.e. as at 16 October 2025) available Listing Rule 7.1 placement capacity with the remaining 728,506,107 Shares to be issued subject to the receipt of Shareholder approval to be sought at the Meeting (**Tranche 2 Placement Shares**).

As disclosed in the Company's ASX release¹, the Company will use the \$3.2 million raised under the Institutional Placement:

- to build a high-performance geological team and to support the continued exploration of the Company's existing portfolio of exploration assets;
- to accelerate the ongoing identification of additional exploration projects that value-add to the Company's existing portfolio of exploration assets;
- to secure low-cost exploration tenure that the Company considers to be prospective for copper/gold and rare-earth minerals; and
- for working capital (including to pay the costs of the Institutional Placement) purposes.

The funds raised by the Company are expected to be expended in the following proportions:

Activity	Amount
Building in-house geological expertise and for project generation, exploration and related expenditure	\$1,600,000
Exploration of the Company's existing copper/gold exploration projects	\$350,000
Costs of the Institutional Placement (including brokerage fees, legal expenses etc)	\$250,000
General working capital (excluding brokerage fees, legal expenses etc)	\$1,000,000
Total	<u>\$3,200,000</u>

¹ Please see: <https://announcements.asx.com.au/asxpdf/20251016/pdf/06qm6lqm87k4t7.pdf>.

The above proposed use of funds is a statement of current intentions as at the date of the Notice of Meeting. Shareholders should note that as with any budget, the allocation of funds set out above may change and actual expenditure levels may differ materially to those estimated.

The Institutional Placement was managed by the Lead Manager. The Company will pay the Lead Manager a 6% cash transaction fee for its lead management and related capital raising services.

In addition to the Shares (i.e. the Tranche 1 Placement Shares and the Tranche 2 Placement Shares) to be issued under the Institutional Placement, the Company has also agreed to issue 250,000,000 unquoted options each of which is exercisable into a Share for \$0.004 at any time on or before 5pm (Perth time) on the third anniversary of the date of their issue (**Unquoted Options**).

Subject to the receipt of Shareholder approval at the Meeting, it is also proposed that the Unquoted Options be issued to clients of the Lead Manager.

Please see below and Schedule 1 for further information.

1.2 Listing Rule requirements (Resolution 1)

Broadly speaking, and subject to a limited number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the number of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the total number of fully paid ordinary shares it had on issue at the start of that 12-month period.

As none of the issues of Tranche 1 Placement Shares fit within any of the exceptions in Listing Rule 7.2 and, as none of them have been approved or ratified by Shareholders, they effectively use up part of the 15% limit in Listing Rule 7.1, thereby reducing the Company's capacity to issue further Equity Securities without approval under that rule for the 12 months following the issue date.

Listing Rule 7.4 allows the shareholders of a listed company to ratify an issue of Equity Securities after it has been made or agreed to be made. If they do, the relevant issue of securities is taken to have been approved under Listing Rule 7.1 such that it does not reduce the company's capacity to issue further Equity Securities without approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval for any such future issues under Listing Rule 7.1. To that end, Resolution 1 seeks Shareholder ratification of the issue of Tranche 1 Placement Shares under the Institutional Placement for the purposes of Listing Rule 7.4.

If Resolution 1 is passed, the issue of the Tranche 1 Placement Shares will be excluded from calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 months following the relevant issue date (which date is set out below).

If Resolution 1 is not passed, the issue of the Tranche 1 Placement Shares will be included in the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 months following the date of issue (which date is set out below).

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 1:

Listing Rule	Required Disclosure
Listing Rule 7.5.1	The Tranche 1 Placement Shares were issued to Gleneagle Securities (Aust) Pty Ltd (i.e. the Lead Manager) who acted as Lead Manager and bookrunner to the Institutional Placement and to certain clients of the Lead Manager (and/or to their respective nominees). In seeking to procure firm commitments under the Institutional Placement, the Lead Manager identified (and then approached) those of its clients that previously expressed an interest in gaining an equity exposure to copper/gold and (potentially) REE exploration companies and who may also be interested in investing in the Company. Confirmatory statement No recipient of Tranche 1 Placement Shares is a Related Party of the Company, a member of the Company's Key Management Personnel, a substantial (i.e. 10% or more) holder of the Company's shares, an adviser to the Company (i.e. other than the Lead Manager – as to which, see footnote 3) or an Associate of any such person. Furthermore, no recipient (i.e. other than the Lead Manager – as to which, see footnote 3) of any Tranche 1 Placement Shares was issued with more than 1% of the Company's shares².
Listing Rule 7.5.2	The Company issued a total of 71,493,893 Tranche 1 Placement Shares under the Institutional Placement, each of which is a fully paid ordinary share in the equity capital of the Company.
Listing Rule 7.5.3	N/A (i.e. as the Tranche 1 Placement Shares are fully paid ordinary shares in the equity capital of the Company).
Listing Rule 7.5.4	The Tranche 1 Placement Shares were issued by the Company on 16 October 2025.
Listing Rule 7.5.5	The Tranche 1 Placement Shares were issued by the Company at an issue price of \$0.004 each.
Listing Rule 7.5.6	The purpose of and the proposed use of the funds raised under the Institutional Placement are set out in Section 1.1.
Listing Rule 7.5.7	N/A (i.e. as the Tranche 1 Placement Shares were not issued under an agreement).
Listing Rule 7.5.8	The Company will exclude all participants in the Institutional Placement from voting in favour of this Resolution. The voting exclusion statement set out in the Notice of Meeting applies to this Resolution.

² In this regard, the Company notes that the Lead Manager was issued with such number of Tranche 1 Placement Shares that amounted to at least 1% of all of the Shares on issue as at the date of the Notice of Meeting.

1.3 Directors' recommendation (Resolution 1)

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1 as it will give the Company the flexibility it may need in the future to raise additional equity capital as and when required.

1.4 Listing Rule requirements (Resolutions 2 and 3)

The Company is, subject to the receipt of Shareholder approval under Listing Rule 7.1, proposing to issue the Tranche 2 Placement Shares under the Institutional Placement and the Unquoted Options.

For further information in relation to the Institutional Placement please see above. For further information in relation to the Tranche 2 Placement Shares and the Unquoted Options please see below and Schedule 1.

Broadly speaking, and subject to a limited number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the number of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the total number of fully paid ordinary shares it had on issue at the start of that 12-month period.

The proposed issues of the Tranche 2 Placement Shares and the Unquoted Options do not fit within any of the exceptions in Listing Rule 7.2 and in any event their issue would result in the Company exceeding the 15% limit in Listing Rule 7.1. The issue of the Tranche 2 Placement Shares and Unquoted Options therefore requires Shareholder approval under Listing Rule 7.1.

Resolutions 2 and 3 seek Shareholder approval under and for the purposes of Listing Rule 7.1 to the extent necessary to permit the Company to issue the Tranche 2 Placement Shares and Unquoted Options, respectively.

If Resolutions 2 and 3 are passed, the issue of the Tranche 2 Placement Shares and Unquoted Options will be able to proceed in the manner described herein and will be excluded from calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolutions 2 and 3 are not passed, the issue of the Tranche 2 Placement Shares and Unquoted Options will not be able to proceed until and unless the Company has sufficient placement capacity under Listing Rule 7.1.

1.5 Further Listing Rule requirements (Resolution 2)

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to Resolution 2:

Listing Rule	Required Disclosure
Listing Rule 7.3.1	It is proposed that the Tranche 2 Placement Shares be issued to Gleneagle Securities (Aust) Pty Ltd (i.e. the Lead Manager) who acted as Lead Manager and bookrunner to the Institutional Placement and to certain clients of the Lead Manager (and/or to their respective nominees). In seeking to procure firm commitments under the Institutional Placement, the Lead Manager identified (and then approached) those of its clients that previously expressed an interest in gaining an equity exposure to copper/gold and (potentially) REE exploration companies and who may also be interested in investing in the Company.

	Confirmatory statement No recipient of Tranche 2 Placement Shares will be a Related Party of the Company, a member of the Company's Key Management Personnel, a substantial (i.e. 10% or more) holder of the Company's shares, an adviser to the Company (i.e. other than the Lead Manager – as to which, see footnote 5) or an Associate of any such person. Given the relatively low market capitalisation of the Company, it is possible that one or more recipients of the Tranche 2 Placement Shares will be issued with 1% or more of the Company's shares. If that occurs (and unless otherwise disclosed in this Explanatory Statement), the Company will disclose that information to ASX in accordance with the Listing Rules and Corporations Act³.
Listing Rule 7.3.2	The Company is proposing to issue a total of 728,506,107 Tranche 2 Placement Shares to complete the Institutional Placement.
Listing Rule 7.3.3	N/A (i.e. as the Tranche 2 Placement Shares are fully paid ordinary shares in the equity capital of the Company).
Listing Rule 7.3.4	The Company expects to issue the Tranche 2 Placement Shares within 5 Business Days of the Meeting. In any event, the Company will not issue any of the Tranche 2 Placement Shares later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
Listing Rule 7.3.5	The Tranche 2 Placement Shares will be issued by the Company at an issue price of \$0.004 each.
Listing Rule 7.3.6	The purpose of and the proposed use of the funds raised under the Institutional Placement are set out in Section 1.1.
Listing Rule 7.3.7	N/A (i.e. as the Tranche 2 Placement Shares will not be issued under an agreement).
Listing Rule 7.3.8	N/A (i.e. as the Tranche 2 Placement Shares are not being issued under or to fund a reverse takeover).
Listing Rule 7.3.9	The Company will exclude any proposed or potential recipient of the Tranche 2 Placement Shares from voting in favour of this Resolution. The voting exclusion statement set out in the Notice of Meeting applies to this Resolution.

³ The Company expects that the Lead Manager will be issued with such number of Tranche 2 Placement Shares that amounts to at least 1% of all of the Shares expected to be on issue on completion of the Institutional Placement.

1.6 Further Listing Rule requirements (Resolution 3)

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to Resolution 3:

Listing Rule	Required Disclosure
Listing Rule 7.3.1	It is proposed that the Unquoted Options be issued to Gleneagle Securities (Aust) Pty Ltd (i.e. the Lead Manager) who acted as Lead Manager and bookrunner to the Institutional Placement and to certain clients of the Lead Manager (and/or to their respective nominees). The allocation of Unquoted Options will be determined by the Lead Manager in consultation with the Company. In seeking to identify clients who may be willing to acquire (and subsequently fund the exercise of) Unquoted Options, the Lead Manager will determine which of its clients have previously expressed an interest in gaining a derivative equity exposure to the Company and who have the financial capacity to exercise their Unquoted Options. Confirmatory statement No recipient of Unquoted Options will be a Related Party of the Company, a member of the Company's Key Management Personnel, a substantial (i.e. 10% or more) holder of the Company's shares, an adviser to the Company (i.e. other than the Lead Manager – as to which, see footnote 6) or an Associate of any such person. Given the relatively small number of intended recipients of the Unquoted Options, it is possible that one or more recipients of Unquoted Options will be issued with 1% or more of the total number of Unquoted Options. If that occurs (and unless otherwise disclosed in this Explanatory Statement), the Company will disclose that information to ASX in accordance with the Listing Rules and Corporations Act⁴.
Listing Rule 7.3.2	The Company is proposing to issue a total of 250,000,000 Unquoted Options the terms of which are detailed in Schedule 1.
Listing Rule 7.3.3	Please see Schedule 1 for the material terms of the Unquoted Options.
Listing Rule 7.3.4	The Company expects to issue the Unquoted Options within 5 Business Days of the Meeting. In any event, the Company will not issue any of the Unquoted Options later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
Listing Rule 7.3.5	The Unquoted Options will be issued by the Company at an issue price of \$0.00001 each.

⁴ The Company expects that the Lead Manager be issued with 50,000,000 Unquoted Options (equivalent to 20% of all of the Unquoted Options to be issued by the Company).

Listing Rule 7.3.6	The purpose of issuing the Unquoted Options is to incentivise certain investors who participated in the Institutional Placement and to provide the Company with a potential (albeit subsequent) additional source of equity funding. In this regard and given the effectively nominal issue price, no material sum will be raised by the issue of the Unquoted Options themselves, however, if the Unquoted Options are ultimately exercised, the funds raised pursuant to that exercise will be used by the Company for the purposes noted in Section 1.1.
Listing Rule 7.3.7	N/A (i.e. as the Unquoted Options will not be issued under an agreement).
Listing Rule 7.3.8	N/A (i.e. as the Unquoted Options are not being issued under or to fund a reverse takeover).
Listing Rule 7.3.9	The Company will exclude any proposed or potential recipient of the Unquoted Options from voting in favour of this Resolution. The voting exclusion statement set out in the Notice of Meeting applies to this Resolution.

1.7 Directors' recommendation (Resolutions 2 and 3)

The Directors unanimously recommend that Shareholders vote in favour of Resolutions 2 and 3 as it will enable the Company to raise funds for the purposes noted in Section 1.1 and give the flexibility it may need in the future to raise additional equity capital as and when required.

Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of Key Management Personnel.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
