Additional information

Additional information in relation to the Entitlement Offer and the Company can be found in the Investor Presentation, which contains important information, including details regarding the Company's projects, a breakdown of sources and uses of funds and foreign selling restrictions with respect to the Entitlement Offer. It is noted that like many investments in mining exploration companies, an investment in the Company involves risks, such as approvals processes, going concern and solvency, exploration and future funding risks. The Company is also exposed to specific risks regarding the future of the Gorno Project (including, non-exhaustively, risks relating to (i) conducting a sale process of the Gorno Project, (ii) seeking to obtain a Mining Licence and/or (iii) seeking to proceed to commercial production). A number of the risks applicable to Altamin are summarised in the Investor Presentation. Nothing contained in this announcement constitutes investment, legal, tax or other advice. Investors should seek appropriate professional advice before making any investment decision. All amounts are in Australian dollars unless otherwise indicated.

Not an offer in the United States
