Information Form and Checklist

(ASX Listing)

Name of entity

BMC Minerals Ltd.

We (the entity named above) supply the following information and documents to support our application for admission to the official list of ASX Limited (ASX) as an ASX Listing.

Note: by giving an Appendix 1A *Application for Admission to the ASX Official List (ASX Listing)* to ASX, the entity is taken to have warranted that all of the information and documents it has given, or will give, to ASX in connection with its admission to the official list and the quotation of its securities are, or will be, accurate, complete and not misleading. It also indemnifies ASX to the fullest extent permitted by law in respect of any claim, action or expense arising from, or connected with, any breach of that warranty (see Appendix 1A of the ASX Listing Rules).

The information and documents referred to in this Information Form and Checklist (including any annexures to it) are covered by the warranty and indemnity mentioned above.

Terms used in this Information Form and Checklist and in any Annexures have the same meaning as in the ASX Listing Rules.

If an applicant is admitted to the Official List of ASX, this Information Form and Checklist will be released on the Market Announcements Platform at the time of admission. Prior to admission, and promptly after this Information Form and Checklist is submitted to ASX, certain key details regarding the upcoming listing will be published on the ASX website at: <https://www2.asx.com.au/listings/upcoming-floats-and-listings>.

Part 2 – Checklist Confirming Compliance with Admission Requirements

Instructions: please indicate in the “Location/Confirmation” column for each item below and in any Annexures where the information or document referred to in that item is to be found (e.g. in the case of information, the specific page reference in the Offer Document where that information is located or, in the case of a document, the folder tab number where that document is located). If the item asks for confirmation of a matter, you may simply enter “Confirmed” in the “Location/Confirmation” column. If an item is not applicable, please mark it as “N/A”.

In this regard, it will greatly assist ASX and speed up its review of the application if the various documents referred to in this Checklist and any Annexures are provided both in hard copy and in electronic form in one or more folders and/or in any other appropriate electronic form containing consecutively numbered and titled documents (e.g. ‘Attachment 1 – Certificate of Incorporation’, ‘Attachment 2 – Constitution’, etc.), together with a document index. Where this Checklist indicates that an original document is required, ASX will also accept a certified copy of the relevant document.

Note that completion of this Checklist and any Annexures is not to be taken to represent that the entity is necessarily in full or substantial compliance with the ASX Listing Rules or that ASX will admit the entity to its official list. Admission to the official list is in ASX’s absolute discretion and ASX may refuse admission without giving any reasons (see Listing Rule 1.19).

A reference in this Checklist and in any Annexures to the “Offer Document” means the listing prospectus, product disclosure statement or information memorandum lodged by the applicant with ASX pursuant to Listing Rule 1.1 Condition 3.

If the applicant lodges a supplementary or replacement prospectus, product disclosure statement or information memorandum with ASX, ASX may require it to update this Checklist and any Annexures by reference to that document.

³ Actual assumed prices should be disclosed. It is not sufficient to refer to a "spot price", without disclosing the actual price in question. Where the actual assumed prices used are said to be commercially sensitive, the entity must disclose sufficient information, perhaps in narrative rather than numerical form, for investors to understand the methodology it has used to determine these prices.

⁴ Estimates of metallurgical recoveries for each metal must be used to calculate meaningful metal equivalents. Reporting on the basis of metal equivalents is not appropriate if metallurgical recovery information is not available or able to be estimated with reasonable confidence.

38. Where in the Offer Document does it state the relevant proportions of ore reserves, mineral resources, exploration target and qualifying foreign estimates underpinning the production target (Listing Rule 5.16.3)?	TAR Executive Summary (page vi) Prospectus Sections 3.7

¹² Note that disclosing a production target that is based solely on an exploration target or solely on a combination of inferred mineral resources and an exploration target is prohibited (Listing Rule 15.5(a)), as is disclosing a production target based solely or partly on historical estimates or foreign estimates (other than qualifying foreign estimates) of mineralisation (Listing Rule 15.5(b)). A production target that is based solely on an inferred mineral resource must comply with Listing Rule 5.16.6.

Nº	Item	Location/Confirmation
39.	Is a proportion of the production target based on an inferred mineral resource? If so, please indicate where in the Offer Document the required cautionary statement has been included stating that:¹³ <i>"There is a low level of geological confidence associated with inferred mineral resources and there is no certainty that further exploration work will result in the determination of indicated mineral resources or that the production target itself will be realised"</i> (Listing Rule 5.16.4)?	No
40.	Is a proportion of the production target based on an exploration target? If so, where in the Offer Document does it include a statement of the factors that lead the entity to believe that it has a reasonable basis for reporting the production target in that context (Listing Rule 5.16.5 and section 8 of Guidance Note 31 <i>Reporting on Mining Activities</i>)? Please also indicate where in the Offer Document the required cautionary statement has been included stating that:¹⁴ <i>"The potential quantity and grade of an exploration target is conceptual in nature, there has been insufficient exploration to determine a mineral resource and there is no certainty that further exploration work will result in the determination of mineral resources or that the production target itself will be realised."</i> (Listing Rule 5.16.5 and section 8 of Guidance Note 31 <i>Reporting on Mining Activities</i>)?	No Not applicable Not applicable
41.	Is the Production Target based solely on an inferred mineral resource? If so, where in the Offer Document does it include a statement of the factors that lead the entity to believe that it has a reasonable basis for reporting the production target based solely on inferred mineral resources (Listing Rule 5.16.6 and section 8.7 of Guidance Note 31 <i>Reporting on Mining Activities</i>)? Please indicate where in the Offer Document it states the level of confidence with which the inferred mineral resources are estimated and the basis for that level of confidence (Listing Rule 5.16.6) Please also indicate where in the Offer Document the required cautionary statement has been included stating that:¹⁵ <i>"There is a low level of geological confidence associated with inferred mineral resources and there is no certainty that further exploration work will result in the determination of indicated mineral resources or that the production target itself will be realised. The stated production target is based on the company's current expectations of future results or events and should not be solely relied upon by investors when making investment decisions. Further evaluation work and appropriate studies are required to establish sufficient confidence that this target will be met."</i> (Listing Rule 5.16.6) And provide a copy of the technical report required under Listing Rule 5.16.6 to support the production target with a sufficient level of confidence and which has been prepared by, or under the supervision of, a named independent competent person or persons and includes the information referred to in Listing Rules 5.22(b) and (c)	No Not applicable Not applicable Not applicable Not applicable

44.	Does the Offer Document include forecast financial information derived from a production target relating to: - the mineral resources and ore reserves holdings of the entity (an entity level production target); or - a material mining project of the entity (or two or more mining projects which together are material to the entity)? If so, where in the Offer Document does it include all material assumptions on which the forecast financial information is based (Listing Rule 5.17.1)? ¹⁶ Where in the Offer Document does it state the production target from which the forecast financial information is derived, including all the information contained in Listing Rule 5.16 (Listing Rule 5.17.2) If a significant proportion of the production target is based on an exploration target, where in the Offer Document does it state the implications for the forecast financial information of not including the exploration target in the production target (Listing Rule 5.17.3)	Yes Prospectus Section 3.7 TAR Executive Summary, Sections 9, 10, 11, 12, 13 and Appendix A Table 1 Section 4 TAR Executive Summary (pages xvi to xxii), Section 13.4.2, Prospectus 3.7(b) Not applicable

¹⁶ If the economic assumptions are commercially sensitive to the entity, an explanation of the methodology used to determine the assumptions rather than the actual figure can be reported. Note, however, that economic assumptions may not be commercially sensitive. An entity that considers that certain information is commercially sensitive should refer to section 8.6 of Guidance Note 31 on the steps ASX expects it to take in these circumstances.

Scoping studies¹⁷

Complete this section if the Offer Document includes any reference to a scoping study.

45. Is the scoping study partially supported by an inferred mineral resource and/or exploration target?
If so, where in the Offer Document does it state both the proportion and relative sequencing of the inferred mineral resource and/or exploration target within the scoping study (JORC clause 38)?

Not applicable

46. Where in the Offer Document is the cautionary statement required under clause 38 of the JORC Code about the scoping study?¹⁸

Not applicable

47. Has the sample cautionary statement suggested in clause 38 of the JORC Code been augmented to reflect the surrounding facts and circumstances and to address the other issues dealt with in ASX's scoping study guidance (ASX Scoping Study Guideline 4)?

Mining exploration entities

Complete this section if the entity is a mining exploration entity.

48. Where in the Offer Document is there a map or maps of the entity's mining tenements prepared by a competent person, which:

- indicate the geology and other pertinent features of the tenements, including their extent and location in relation to a capital city or major town, and relative to any nearby properties which have a significant bearing on the potential of the tenements;
- are dated; and
- identify the competent person and the report to which they relate?

TAR Executive Summary, Sections 2, 5 & 6

49. Where in the Offer Document is there a schedule of the entity's mining tenements prepared by a competent person, which states in relation to each mining tenement:

- the geographical area where the mining tenement is situated;
- the nature of the title to the mining tenement;
- whether the title has been formally confirmed or approved and, if not, whether an application for confirmation or approval is pending and whether the application is subject to challenge; and
- the person in whose name the title to the mining tenement is currently held?

¹⁷ JORC clause 38 defines a "scoping study" as an order of magnitude technical and economic study of the potential viability of mineral resources. It includes appropriate assessments of realistically assumed modifying factors together with any other relevant operational factors that are necessary to demonstrate at the time of reporting that progress to a pre-feasibility study can be reasonably justified.

¹⁸ Note that the cautionary statement must be in the same paragraph as, or immediately following, the disclosure of the scoping study.

Nº Item	Location/Confirmation
51. Within the 2 years preceding the date of the entity's application for admission to the official list, has the entity acquired, or entered into an agreement to acquire, an interest in a mining exploration area or similar mining tenement from any person? If so, where in the Offer Document does it disclose: - the date of the acquisition or agreement; - full details of the tenement, including any title particulars; - the name of the vendor; - if the vendor was not the beneficial owner of the tenement at the date of the acquisition or agreement, the name of the beneficial owner; - details of any relationship between the vendor (or, if the vendor was not the beneficial owner of the tenement at the date of the acquisition or agreement, between the beneficial owner(s)) and the entity or any related party or promoter of, or adviser to, the entity; and - details of the purchase price paid or payable and all other consideration (whether legally enforceable or not) passing directly or indirectly to the vendor, and, if the vendor acquired the tenement from a third party within that 2 year period, the equivalent details to those set out above in relation to the arrangements between the vendor and the third party?	Section 8.8(f) of the Prospectus Appendix F of the TAR
Is the vendor (or, if the vendor was not the beneficial owner of the tenement at the date of the acquisition or agreement, are any of the beneficial owner(s)) a related party or promoter of the entity or an associate of a related party or promoter of the entity? If so, please enter "Confirmed" in the column to the right to indicate that the consideration paid by the entity for the tenement was solely restricted securities, save to the extent it involved the reimbursement of expenditure incurred in developing the tenement¹⁹ or the entity was not required to apply the restrictions in Appendix 9B under Listing Rule 9.1.3 (Listing Rule 1.1 Condition 11)	No
Please also provide a copy of the agreement(s) relating to the acquisition entered into by the entity and any expert's report or valuation obtained by the entity in relation to the acquisition	See Annexure U for a copy of the Purchase and Sale Agreement between Roger Hulstein and BMC Minerals Limited. No expert's report/valuation was obtained by the Company in relation to the acquisition (purchase price C\$25,000).
52. Is the entity or a child entity in a joint venture arrangement to investigate or explore a mining tenement?	No
If so, please provide a copy of the joint venture agreement	Not applicable
Where in the joint venture agreement does it provide that if the entity requires it, the operator of the joint venture will give the entity all the information the entity requires to comply with the Listing Rules, and that the information may be given to ASX for release to the market if necessary for the entity to comply with the Listing Rules (Listing Rule 5.45)?	Not applicable

Historical or foreign estimates for a material mining project²⁰

Complete this section if the Offer Document includes any reference to historical or foreign estimates for a material mining project.

53. Where in the Offer Document does it disclose the source and date of the historical estimates or foreign estimates (Listing Rule 5.12.1)?	Not applicable
54. Where in the Offer Document does it disclose whether the historical estimates or foreign estimates use categories of mineralisation other than those defined in JORC and if so, an explanation of the differences (Listing Rule 5.12.2)?	Not applicable
55. Where in the Offer Document does it disclose the relevance and materiality of the historical estimates or foreign estimates to the entity (Listing Rule 5.12.3)?	Not applicable
56. Where in the Offer Document does it disclose the reliability of the historical estimates or foreign estimates, including by reference to any of the criteria in JORC Table 1 which are relevant to understanding the reliability of the historical estimates or foreign estimates (Listing Rule 5.12.4)?	Not applicable
57. Where in the Offer Document does it disclose, to the extent known, a summary of the work programs on which the historical estimates or foreign estimates are based and a summary of the key assumptions, mining and processing parameters and methods used to prepare the historical estimates or foreign estimates (Listing Rule 5.12.5)?	Not applicable
58. Where in the Offer Document does it disclose any more recent estimates or data relevant to the reported mineralisation available to the entity (Listing Rule 5.12.6)?	Not applicable
59. Where in the Offer Document does it disclose the evaluation and/or exploration work that needs to be completed to verify the historical estimates or foreign estimates as mineral resources or ore reserves in accordance with JORC (Listing Rule 5.12.7)?	Not applicable
60. Where in the Offer Document does it disclose the proposed timing of any evaluation and/or exploration work that the entity intends to undertake and a comment on how the entity intends to fund that work (Listing Rule 5.12.8)?	Not applicable

²⁰ An "historical estimate" is an estimate of quantity and grade of mineralisation that is based on information and supporting documentation that was prepared prior to the introduction of JORC (1989) and which an entity has not verified as mineral resources or ore reserves in accordance with JORC (Listing Rule 19.12). A "foreign estimate" is an estimate of quantity and grade of mineralisation that was prepared using a mineral resources classification and reporting standard from another jurisdiction prior to an entity acquiring, or entering into an agreement to acquire, an interest in a mining tenement that contains the deposit, and which the entity has not verified as mineral resources or ore reserves in accordance with JORC (Listing Rule 19.12). Note that an entity must not include historical estimates or foreign estimates (other than qualifying foreign estimates) of mineralisation in an economic analysis (including a scoping study, preliminary feasibility study, or a feasibility study) of the entity's mineral resources and ore reserves holdings (see Listing Rule 5.11).

Nº Item

Location/Confirmation

61. Where in the Offer Document does it include the required cautionary statement that:

- the estimates are historical estimates or foreign estimates and are not reported in accordance with the JORC Code;
- a competent person has not done sufficient work to classify the historical estimates or foreign estimates as mineral resources or ore reserves in accordance with the JORC Code; and
- it is uncertain that following evaluation and/or further exploration work that the historical estimates or foreign estimates will be able to be reported as mineral resources or ore reserves in accordance with the JORC Code (Listing Rule 5.12.9)?²¹

Not applicable

62. Where in the Offer Document does it include the required statement by a named competent person or persons that the information in the Offer Document provided under Listing Rules 5.12.2 to 5.12.7 is an accurate representation of the available data and studies for the project and the information referred to in Listing Rules 5.22(b) and (c) (Listing Rule 5.12.10)?

Not applicable

²¹ Note that the cautionary statement must be proximate to, and have equal prominence as, the reported historical estimates or foreign estimates.

1. Evidence that the entity is registered as a foreign company in Australia (Listing Rule 1.1 Condition 4)

See Annexure C3 - ASIC Certificate of registration of foreign company

2. Where in the Offer Document does it state the entity's place of incorporation, registration or establishment (Guidance Note 4 section 3.2)?

See Important Notices – page 1, Section 1 (Investment Overview) – page 13. Section 2.2 (Group Structure) – page 39 and Section 8.1 (Corporate Information) of the Prospectus – page 186.

3. Where in the Offer Document does it include a statement to the effect that: “As [*name of entity*] is not established in Australia, its general corporate activities (apart from any offering of securities in Australia) are not regulated by the Corporations Act 2001 of the Commonwealth of Australia or by the Australian Securities and Investments Commission but instead are regulated by [*insert name of governing legislation*] and [*insert name of corporate regulator administering that legislation*].” (Guidance Note 4 section 3.2)?

See Section 1 (Investment Overview) – page 37, Section 2.2 (Group Structure) – page 39 of the Prospectus.

4. Where in the Offer Document does it include a concise summary of the rights and obligations of security holders under the law of its home jurisdiction covering:

- what types of transactions require security holder approval;
- whether security holders have a right to request or requisition a meeting of security holders;
- whether security holders have a right to appoint proxies to attend and vote at meetings on their behalf;
- how changes in the rights attaching to securities are regulated;
- what rights do security holders have to seek relief for oppressive conduct;
- what rights do security holders have to bring or intervene in legal proceedings on behalf of the entity; and
- whether there is any equivalent to the “two strikes” rule in relation to remuneration reports in Part 2G.2 Division 9 of the Corporations Act (Guidance Note 4 section 3.2)?¹

See Annexure B (Comparison of Laws) of the Prospectus – pages 256 to 269

5. Where in the Offer Document does it include a concise summary of how the disclosure of substantial holdings and takeovers are regulated under the law of its home jurisdiction (Guidance Note 4 section 3.2)?²

See Annexure B (Comparison of Laws) of the Prospectus – pages 263 to 264 and page 265 to 268.

¹ The concise summary is not intended to be a legal treatise on the laws of the entity's home jurisdiction or a detailed comparative analysis of those laws with the laws of Australia. For those matters where the entity's home jurisdiction has broadly comparable laws to Australia, a statement to that effect will generally suffice.

² See note 1 above.

6.	Where in the Offer Document does it include a summary of any taxes or duties payable in its place of incorporation, registration or establishment by an investor in relation to the acquisition, holding or disposal of securities in the entity or, if there are no such taxes or duties, a statement to that effect (Guidance Note 4 section 3.2)?	See Section 4.20 (b) (Canadian taxation implications) – page 105 to 108 of the Prospectus.
7.	Where in the Offer Document does it disclose what accounting standards have been used to prepare the pro forma statement of financial position in the Offer Document (Listing Rules 1.2.3(c) and 1.3.5(d))? Note: Those accounting standards must be Australian Accounting Standards, International Financial Reporting Standards (IFRS) as adopted by the EU, or the accounting standards and generally accepted accounting principles applied in Bermuda, Canada, Cayman Islands, Hong Kong, New Zealand, Singapore, South Africa or USA, or otherwise ASX must specifically agree to the use of those accounting standards (Listing Rule 19.11A(b) and Guidance Note 4 section 3.6).	See Section 2.9 (Accounting Standards and Auditing Standards) – page 44 to 45 of the Prospectus. Also see section 2 (Scope) of the Independent Limited Assurance Report set out in Section 5 of the Prospectus – page 111.
8.	Where in the Offer Document does it disclose what auditing standards were applied to the review of the pro forma statement of financial position in the Offer Document (Listing Rules 1.2.3(c) and 1.3.5(d))? Note: those auditing standards must be Australian Auditing Standards, International Standards on Auditing or US Auditing Standards, or otherwise ASX must specifically agree to the use of those auditing standards (Listing Rule 19.11A(c) and Guidance Note 4 section 3.6).	See section 4 (Our responsibility) of the Independent Limited Assurance Report set out in Section 5 of the Prospectus.
9.	Where in the Offer Document does it disclose what accounting standards the entity will apply to the preparation of its financial statements after it is listed?	See Section 2.9 (Accounting Standards and Auditing Standards) of the Prospectus.
10.	If those accounting standards are not Australian Accounting Standards, International Financial Reporting Standards (IFRS) as adopted by the EU, or the accounting standards and generally accepted accounting principles applied in Bermuda, Canada, Cayman Islands, Hong Kong, New Zealand, Singapore, South Africa or USA, where in the offer document does it disclose that ASX has agreed to the use of those accounting standards (Listing Rule 19.11A(b) and Guidance Note 4 section 3.6)?	See Section 2.9 (Accounting Standards and Auditing Standards) – page 44 to 45 of the Prospectus.
11.	Where in the Offer Document does it disclose what auditing standards the entity's auditor will apply to the entity's financial statements after it is listed?	See Section 2.9 (Accounting Standards and Auditing Standards) of the Prospectus – page 44 to 45.
12.	If those auditing standards are not Australian Auditing Standards, International Standards on Auditing or US Auditing Standards, where in the Offer Document does it disclose that ASX has agreed to the use of those auditing standards (Listing Rule 19.11A(c) and Guidance Note 4 section 3.6)?	See Section 2.9 (Accounting Standards and Auditing Standards) of the Prospectus – page 44 to 45.
13.	If any class of securities which you are seeking to have quoted on ASX will not have CDIs issued over them, please obtain and provide an International Securities Identification Number (ISIN) for that class (ASX is unable to create the new ISIN for non-Australian issuers).	Not applicable
