Each re-election will be dealt with as a separate resolution.

The experience, qualifications and other information about each Director standing for re-election is provided below.

Explanatory Memorandum

Resolution 1 – Re-election of Mr Timothy Jugmans

Mr Timothy Jugmans was appointed to the Board as a Non-Executive Director and Chairman with effect from 1 April 2022 following the retirement of former Chairman, Mr Jason Kulas.

Mr Jugmans is on the Company's Board as a nominee of significant shareholder, EZCORP Inc ("EZCORP") and as Chairman, pursuant to the Subscription Agreement dated 17 August 2009 between EZCORP and the Company (released to ASX on 9 November 2009). Accordingly, he is not considered to be an independent Director.

Mr Jugmans is the Chief Financial Officer ("CFO") of EZCORP. Mr Jugmans joined EZCORP in December 2016 as Vice President, Treasury and M&A, having served as a consultant performing similar duties since March 2015. He was appointed CFO in May 2021 after serving as interim CFO since September 2020.

Recommendation - Resolution 1

Prior to submitting himself for re-election, Mr Jugmans confirmed that he would continue to have sufficient time to properly fulfil his duties as a Director of the Company.

In accordance with the Company's policy on independence of Non-Executive Directors, the Board has determined that Mr Jugmans is not an independent director.

The Governance, Remuneration and Nomination Committee, (with Mr Jugmans absent), reviewed Mr Jugmans's performance. The review included consideration of his expertise, skill and experience as well as his performance and contribution to the work of the Board over his term of office. The review concluded that Mr Jugmans is a high-performing Director, and his experience in the financial sector as a highly skilled and experienced provider of strategic and financial advice, adds valuable and relevant financial expertise to the Board, and complements the skills of the existing Directors.

The Board (with Mr Jugmans abstaining) unanimously recommends that Shareholders vote in favour of Mr Jugman's re-election.

Explanatory Memorandum

Recommendation - Resolution 2

Prior to submitting himself for re-election, Mr Hines confirmed that he would continue to have sufficient time to properly fulfil his duties as a Director of the Company.

The Governance, Remuneration and Nomination Committee, (with Mr Hines absent), reviewed Mr Hines' performance. The review included consideration of his expertise, skill and experience as well as his performance and contribution to the work of the Board over his term of office. The review concluded that Mr Hines is a high-performing Non-Executive Director and his experience in finance, operational leadership and corporate governance further strengthens the Board and complements the skills of the existing Directors.

The Board (with Mr Hines abstaining) unanimously recommends that Shareholders vote in favour of Mr Hines' re-election.

3. ADOPTION OF REMUNERATION REPORT (Resolution 3)

The Corporations Act requires ASX-listed companies to put a remuneration report relating to Director and executive KMP remuneration for each financial year to a resolution of members at their Annual General Meeting. The remuneration report is included in the Directors' report of the Company's annual financial report, which is available on the Company's website at <https://www.cashconverters.com/investor-centre/annual-reports>.

However, the Board will take the discussion on this Resolution and the outcome of the vote into account when considering the Company's remuneration practices and policy.

Explanatory Memorandum

Recommendation - Resolution 3

The Board unanimously recommends that Shareholders vote in favour of Resolution 3.

A voting restriction applies to this resolution.

4. APPROVAL OF GRANT OF PERFORMANCE RIGHTS TO THE CEO & MANAGING DIRECTOR (Resolution 4)

The Company proposes to grant 2,972,820 Performance Rights ("Rights") to Mr Sam Budiselik, CEO & Managing Director of the Company, as the long-term incentive component of his remuneration for FY26 under the Company's Incentive Rights Plan.

Why is shareholder approval being sought?

ASX Listing Rule 10.14 requires Shareholder approval for a director of a listed company to be issued securities under an employee incentive scheme. Accordingly, Resolution 4 seeks approval from Shareholders under ASX Listing Rule 10.14.1 for the grant of Rights to Mr Budiselik under the Company's Incentive Rights Plan, because he is the CEO & Managing Director.

What will happen if the resolution is, or is not, approved?

The FY26 grant of Rights to Mr Budiselik is conditional on receiving Shareholder approval. If Shareholder approval is obtained, 2,972,820 Rights will be granted to Mr Budiselik under the Plan within 12 months of the Meeting.

Once Shareholder approval is obtained under ASX Listing Rule 10.14, the issue of such Rights to Mr Budiselik will not count towards the Company's capacity to issue equity securities under ASX Listing Rule 7.1.

If shareholder approval is not obtained, the Board will consider alternative arrangements to appropriately remunerate and incentivise Mr Budiselik.

Details of the proposed grant

It is proposed that 2,972,820 Rights will be granted to Mr Budiselik as the long-term incentive component of his remuneration for FY26 under the Company's Incentive Rights Plan.

The Company has attributed the Rights offered with a maximum indicative award value of \$1,050,000 in the event the maximum opportunity is achieved at the time of vesting. The actual value (if any) that Mr Budiselik will receive from the award will depend on the extent to which the vesting conditions are achieved including the Cash Converters' share price at the time of vesting measurement.

The number of Rights to be granted has been calculated by dividing the face value of Mr Budiselik's FY26 long-term incentive maximum opportunity, in the event of meeting the "stretch" requirements of the vesting conditions, of \$1,050,000 by the face value attributable to a Right. The face value attributable to each Right is \$0.3532, being the 5-trading day volume weighted average price (VWAP) of the Company's Shares traded in the period immediately following (and not including) the date of release of the FY25 annual results.

Each Right entitles Mr Budiselik to one fully paid ordinary share in the Company on vesting (or a cash payment equivalent to the market value of a Share in lieu of a Share at the time of vesting at the discretion of the Board) if the applicable vesting conditions (set out below) are met. The Rights will be granted at no cost and there is no amount payable by Mr Budiselik on vesting.

Rights have been selected as the long-term incentive component of the FY26 remuneration of the Company's key management personnel, including Mr Budiselik, as they align the interests of executives with the interests of Shareholders without providing the participant with ownership in Shares until vesting conditions are met.

Explanatory Memorandum

Vesting conditions and performance period

The FY26 grant of Rights will be subject to vesting conditions measured over a performance period of 3 years commencing on 1 July 2025 and ending on 30 June 2028 (Performance Period). Calculation of the achievement against the vesting conditions will be determined by the Board of the Company in its absolute discretion at the conclusion of the performance period, having regard to any matters that it considers relevant. In line with the Company's Incentive Rights Plan rules, unless otherwise determined by the Board, the Rights will lapse where the vesting condition applicable to the award cannot be satisfied as at the end of the performance period. On this basis the expiry date for the Rights is 30 September 2028.

The number of Rights that vest will depend on the level of performance achieved. The Board also retains overall discretion to determine whether vesting of Rights is appropriate considering, among other factors it considers relevant, Company performance from the perspective of Shareholders.

Of the total number of Rights proposed to be granted to Mr Budiselik:

- 50% (i.e., 1,486,410 Rights) will be subject to a Relative Total Shareholder Return ("rTSR Rights") measure, assessing the Company's performance relative to constituents of the S&P/ASX Small Ordinaries index excluding materials, utilities, and REITs over the Performance Period; and
- 50% (i.e., 1,486,410 Rights) will be subject to an earnings per share ("EPS Rights") measure.

rTSR Rights

Broadly, Total Shareholder Return ("TSR") calculates the return Shareholders would earn if they held a notional number of Shares over a period and measures the change in the Company's Share price together with the value of dividends during the period, assuming that all those dividends are re-invested into new Shares.

For any Rights subject to the rTSR measure to vest, a threshold level of performance must be achieved. The percentage of rTSR Rights that vest, if any, will be determined by the Board as follows:

Company's TSR relative to constituents of the S&P/ASX Small Ordinaries index excluding companies from the materials, utilities, and REIT sectors*	Performance Level	Percentage of rTSR Rights vesting	Number of rTSR Rights vesting
Less than median	< Threshold	Nil	Nil
At median (50th percentile)	Target	50%	743,205
Between 50th percentile and 75th percentile of comparator group	Pro-rata	Straight line pro-rata vesting between 50% and 100%	Pro-rata
At or above 75th percentile of comparator group	Stretch	100%	1,486,410

**This index is designed to measure companies included in the S&P/ASX300 but not in the S&P/ASX100. The Board may adjust the comparator group to take into account events including, but not limited to, takeovers, mergers or de-mergers that might occur during the performance period.*

Explanatory Memorandum

The Board will appoint an independent valuation expert to provide a calculation of the rTSR hurdle outcome at the measurement date of 30 June 2028. The calculations will be performed in accordance with the terms outlined with the calculation approach as follows:

- Obtaining share price and dividend data from an independent source
- Determining the TSR of Cash Converters and the Index as described above at the measurement date
- Calculating the TSR for both Cash Converters and the Index
- Calculating the performance of Cash Converters' TSR relative to the Index
- Determining the percentage of rights which would vest based on the relative performance calculated above.

The market observable data collected by the independent expert and used in the calculations is described below:

- Starting and ending share price for Cash Converters
- Starting and ending value of the Index
- Net dividends issued during the measurement period; dividends are assumed to be reinvested to purchase Shares of the Company at the closing price applicable on the ex-dividend date

EPS Rights

Broadly, EPS measures the profit generated by the Company attributable to each Share on issue, adjusted for certain accounting items (Operating EPS).

The table below sets out the percentage of Rights subject to the EPS hurdle that can vest depending on the Company's EPS against a Target Average Normalised* EPS.

**For the purposes of assessing performance against the EPS target, the Board will consider whether any adjustments to statutory earnings are appropriate on a case-by-case basis to ensure that inappropriate outcomes are avoided.*

EPS vesting schedule

Average EPS over 3 years	Percentage of rights that vest	Number of EPS Rights vesting
Less than target average EPS	0%	Nil
Equal to target average EPS	50%	743,205
Greater than target average EPS and less than 120% of target average EPS	Pro-rata between 50% and 100%	Pro-rata
120% of target average EPS or greater	100%	1,486,410

Subject to the terms of the Company's Incentive Rights Plan, any Rights that vest will be automatically exercised on the vesting date, and any remaining Rights that do not vest will lapse.

A summary of the material terms of the Company's Incentive Rights Plan is provided in Schedule 1 to the Explanatory Memorandum.

Cessation of employment

Unless the Board determines otherwise, if Mr Budiselik's ceases to be employed with the Group during the performance period, other than "for cause" (as defined in the Company's Incentive Rights Plan) or through his resignation, he will be entitled to retain a pro-rata

amount of his unvested Rights based on the proportion of time that he remained an employee of the Group during the performance period. Any retained Rights will be performance tested in the ordinary course as outlined above following the end of the performance period. Any remaining unvested Rights will lapse.

If Mr Budiselik's employment with the Group is terminated "for cause" or by him resigning, his unvested Rights will immediately lapse, unless the Board determines otherwise.

Change of Control

If a Change of Control occurs with respect to the Company, the Board may determine, in its discretion, the way all unvested Rights will be dealt with.

Schedule 1 – Key terms of the Incentive Rights Plan

Set out below is a summary of the key terms of the Cash Converters Incentive Rights Plan applicable to the grant of Rights to the CEO & Managing Director, for which Shareholder approval is sought under Resolution 4.

Term	Description
Eligibility	The Board has the discretion to determine which “Eligible Participants” participate in the Plan, and the number of Rights that they will be offered. Eligible Participants are anyone employed by the Company or any of its subsidiaries, which can include a director or non-executive director, that the Board determines should be eligible to receive grants of Rights under the Plan.
Rights	The Plan allows the Company to grant performance rights to acquire Shares (or an equivalent cash amount if an invitation provides) (“Rights”) as incentives. The Board has the discretion to set the terms and conditions on which it will offer Rights under the Plan. The Board may determine that the Rights will be subject to performance, service, or other conditions which must be satisfied or waived before the Rights vest (“Vesting Conditions”) and, if so, will specify those Vesting Conditions in the invitation to each Eligible Participant. The Board may, at its discretion, vary, reduce or waive any Vesting Conditions attaching to Rights at any time, subject to applicable law and the ASX Listing Rules.
Invitation and Application Form	The Board may, in its absolute discretion, make a written invitation to any Eligible Participant to apply for Rights upon the terms set out in the Plan and upon such additional terms and conditions as the Board determines (“Invitation”). On receipt of an Invitation, an Eligible Participant may apply for the Rights the subject of the Invitation by providing a completed application form to the Company (which may be online) together with any other required Ancillary Documentation. The Board may accept an application from an Eligible Participant or its nominee in its discretion.
Conditions to acquisition of Rights	The acquisition of Rights is conditional on compliance with all applicable legislation, stock exchange rules and the Constitution, and receipt of any necessary approvals required under applicable legislation, stock exchange rules, contractual agreements and the Constitution.
Acquisition Price for Rights	Rights will be granted at no cost to the participant.
Shares acquired on exercise of Rights	Shares issued or transferred on the exercise of Rights will rank equally in all respects, and carry the same rights and entitlements, as other issued Shares, including dividend and voting rights.
Restricted Shares	Subject to the Plan, Shares can be made subject to a Restriction Condition and/or a Restriction Period, either of which prohibit disposal until satisfied or waived at the Board’s discretion (unless an Invitation otherwise provides). If a Restriction Condition is not met (and is not waived), the Company may, amongst other remedies, buyback and cancel the Shares for nil consideration, sell the Shares or declare the Shares to be forfeited. A Share that is subject to a Restriction Period is not at risk of buyback/sale/forfeiture, it is just unable to be disposed of during the Restriction Period Shares will continue to be subject to misconduct and clawback following removal of disposal restrictions under the Plan.

Schedule 1 – Key terms of the Incentive Rights Plan

Vesting and exercise of Rights	Rights which have not lapsed under the Plan will vest if and when any applicable Vesting Conditions have been satisfied or waived by the Board. The Board may, at its discretion, amend or waive any Vesting Conditions attaching to Rights at any time, subject to applicable law and stock exchange rules. Vested Rights may be exercised by notice to the Company before their Expiry Date. Specific invitations can provide that Rights are automatically exercised on vesting or on a date or event after vesting but before the Expiry Date, as specified by the Board. Following the valid exercise of a vested Right, the Company will issue or arrange the transfer of Shares to the participant. Alternatively, if provided for by an Invitation, the Board may determine to make a cash payment equal to the Market Value of a Share as at the date the Right is exercised less any superannuation or other taxes, duties or other amounts the Company is required to pay or withhold in respect of any cash payment (“Cash Payment”).
Disposal of Rights	Except as otherwise provided for by the Plan, an Invitation, the ASX Listing Rules or required by law, a Right may only be disposed: (i) with the consent of the Board (which may be withheld in its discretion) in Special Circumstances, being: (A) ceasing to be an Eligible Participant due to death or total or permanent disability, or retirement or redundancy; (B) severe financial hardship; or (C) any other circumstance stated to constitute “special circumstances” in the terms of the relevant Invitation; or by force of law upon death to the Participant’s legal personal representative or upon bankruptcy to the Participant’s trustee in bankruptcy.
Expiry Date of Rights	Rights which have not been exercised by the date 15 years from the date of grant of the Rights, or such other date determined by the Board and specified in the invitation (“Expiry Date”), will lapse unless the Board determines otherwise.
Forfeiture/lapse of Rights and Shares	Unless otherwise determined by the Board, a Right granted under the Plan will lapse, and a Share acquired on exercise of a Right will be forfeited, in certain circumstances including: (ii) where the Board determines that any Vesting Condition applicable to the Right cannot be satisfied; (iii) in the case of a Right, on the Expiry Date applicable to the Right; (iv) in certain circumstances if the participant’s employment is terminated (see ‘Cessation of employment’ below); (v) if the Board determines that the Right or Share is liable to clawback or malus (see ‘Misconduct and Clawback’ below) (vi) if the Board determines that the Right or Share will be forfeited or lapse in the event of a Change of Control in respect of the Company; and (vii) where the participant purports to dispose of the Right or Share or enter any arrangement in respect of the Right or Share, in breach of any disposal or hedging restrictions.
Nature of Rights	Each Right will entitle its holder to subscribe for and be issued or transferred, one Share (upon vesting and exercise of that Right) unless the

Schedule 1 – Key terms of the Incentive Rights Plan

	Plan or an applicable Invitation otherwise provides. See below in relation to a Cash Payment alternative. A Right does not entitle the Participant to: (viii) other than as required by law, be given notice of, or to vote or attend at, a meeting of Shareholders; (ix) receive any dividends of the Company, whether fixed or at the Directors' discretion; (x) any right to a return of capital, whether in a winding up, upon a reduction of capital, or otherwise; (xi) any right to participate in the surplus profits or assets of the Company upon a winding up; or (xii) participate in new issues of Securities such as bonus issues or entitlement issues.
Reorganisation	If, at any time, the issued capital of the Company is reorganised (including consolidation, subdivision, reduction or return), all rights of a Participant are to be changed in a manner consistent with the Corporations Act and any applicable stock exchange rules at the time of the reorganisation which for clarity may include the Company varying Vesting Conditions and Restriction Conditions in respect of a Right or Share so that the holder of the Award is not disadvantaged. A Right does not confer the right to a change in the number of underlying Shares over which the Right can be exercised except to the extent an Invitation otherwise provides.
Restrictions	Rights and Restricted Shares may not be sold, transferred, mortgaged, pledged, charged, granted as security, or otherwise disposed of, without the prior approval of the Board, or unless required by law. Participants must not enter any arrangement for the purpose of hedging, or otherwise affecting their economic exposure to any Restricted Shares, or Rights.
Quotation	Rights will not be quoted on the ASX. The Company will apply for official quotation of any Shares issued under the Plan, in accordance with the ASX Listing Rules.
Cessation of employment	Unless the Board determines otherwise, if a Participant ceases to be employed with the Group other than "for cause" (as defined in the Plan) or through resignation, the Participant will be entitled to retain a pro-rata amount of their unvested Rights based on the proportion of time that the Participant remained an employee of the Group during a performance period. Any retained Rights will be performance tested in the ordinary course following the end of the performance period. Any remaining unvested Rights will lapse. If a Participant's employment with the Group is terminated "for cause" or the Participant resigns, unvested Rights will immediately lapse, unless the Board determines otherwise.
Misconduct and Clawback	The Board has clawback and malus powers under the Plan. For example, if the Board becomes aware of a material misstatement in the Company's financial statements, that a participant has committed an act of fraud, gross negligence or serious or wilful misconduct or failed to comply with any restrictive covenant or that some other event has occurred that may warrant the Board exercising clawback powers, then the Board may exercise those malus or clawback powers to ensure no unfair benefit is derived by the participant.
Change of Control	If a Change of Control occurs with respect to the Company, the Board may determine, in its discretion, the way Rights will be dealt with. A Change of

Schedule 1 – Key terms of the Incentive Rights Plan

	Control includes any transaction or event proposed that, in the opinion of the Board, is likely to result in an entity obtaining Voting Power in the Company of at least 50.1% other than as a result of a Reconstruction of the Company.
Amendments	The Board may amend the rules of the Plan (including amending, reducing or waiving the application of the rules in relation to a participant) or amend the terms of an offer made under the Plan.
Trust	The Company may establish an employee share trust for the purposes of the Plan.
