

31 July 2026

Change of Chief Financial Officer

Clean TeQ Water Limited (**ASX: CNQ**) ("Clean TeQ Water" or the "Company") advises that Ms Magda Klapakis has resigned as Chief Financial Officer after five years with the Company. Ms Klapakis will remain with the Company to assist with an orderly transition and handover.

The Company has appointed Mr Vincent Hall, currently Chief Financial Controller, as Interim Chief Financial Officer, supported by Ms Klapakis during the transition period, while the Board undertakes a process to appoint a permanent Chief Financial Officer.

Chief Executive Officer Peter Voigt said: *"On behalf of the Board, I would like to thank Magda for her contribution to Clean TeQ Water over the past five years. Magda played a key role in building the Company's finance function and supporting its governance and growth as an ASX-listed business. We're pleased she will assist with the transition, and we wish her every success in her future endeavours."*

Ms Klapakis said: *"It has been a privilege to lead the finance function through a period of significant growth for Clean TeQ Water. I wish the team continued success"*.

Vincent joined Clean TeQ Water in June 2021 and is a qualified Chartered Accountant with more than 15 years' experience in financial management, reporting and governance.

The Company confirms that this management change does not affect its operations.

This announcement is authorised for release to the market by the Board of Directors of Clean TeQ Water Limited.

About Clean TeQ Water Limited (ASX: CNQ)

Clean TeQ is a global technology leader headquartered in Melbourne, Australia, specialising in providing economic and environmentally sustainable solutions to address critical issues related to freshwater scarcity, mine tailings, and metal recovery. Clean TeQ's core markets include water and wastewater recycling, lithium production, and the remining and rehabilitation of mine tailings. These markets reflect a commitment to addressing environmental challenges and promoting responsible resource management. The company has a presence in various locations, with offices in Melbourne, Perth, Darwin, Leeuwarden (Netherlands), Beijing, and Tianjin. Additionally, Clean TeQ has established partnerships in Africa and Latin America, showcasing its commitment to addressing global challenges and collaborating with stakeholders on an international level.
