Rule 3.19A.2

Appendix 3Y

Change of Director's Interest Notice

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

Introduced 30/09/01 Amended 01/01/11

Name of entity: Coronado Global Resources Inc (CRN) (Coronado or the Issuer)
ABN 99 628 199 468

We (the entity) give ASX the following information under listing rule 3.19A.2 and as agent for the director for the purposes of section 205G of the Corporations Act.

Name of Director	Garold Ralph Spindler
Date of last notice	24 February 2026

Part 1 - Change of director's relevant interests in securities

In the case of a trust, this includes interests in the trust made available by the responsible entity of the trust

Note: In the case of a company, interests which come within paragraph (i) of the definition of "notifiable interest of a director" should be disclosed in this part.

Direct or indirect interest	Direct
Nature of indirect interest (including registered holder) Note: Provide details of the circumstances giving rise to the relevant interest.	N/A
Date of change	13 March 2026
No. of securities held prior to change	1,232,242 PSUs[1] 1,494,457 CDIs 104,960 Options (awarded on 28 December 2018 under the terms of the CRN 2018 EIP) An indirect economic interest in 802,565 common stock in CRN (through ownership in Coronado Group LLC) equivalent to 8,025,654 CDIs[2]

[1] Mr. Spindler's 3Y dated 24 February 2026 (the February 3Y) noted that 1,218,121 PSUs were held after the change therein disclosed. That was an error that has only become apparent in preparing this 3Y due to a typographical error in the number of securities noted in the February 3Y as held prior to change, which should have stated 1,840,097 PSUs (in accordance with Mr. Spindler's 3Y dated 9 April 2025). However, in addition, due to rounding impacts as part of testing of PSUs under the Issuer's 2018 Equity Incentive Plan

Class	CRN: Chess Depositary Interests 10:1 (CDIs) CRNAB: Performance Stock Units (PSUs)
Number acquired	1,232,242 CDIs[3]
Number disposed	1,232,242 PSUs[4]
Value/Consideration Note: If consideration is non-cash, provide details and estimated valuation	N/A
No. of securities held after change	0 PSUs[5] 2,726,699 CDIs 104,960 Options An indirect economic interest in 802,565 common stock in CRN (through ownership in Coronado Group LLC) equivalent to 8,025,654 CDIs
Nature of change Example: on-market trade, off-market trade, exercise of options, issue of securities under dividend reinvestment plan, participation in buy-back	Under the terms of the Issuer's 2018 Equity Incentive Plan (CRN 2018 EIP) Mr Spindler retained 303,473 PSUs under the FY2023 Plan and on 13 March 2026, the Company allocated to Mr. Spindler one CDI in respect of any PSU that has vested (the date of such allocation the FY2023 Settlement Date). In addition, on 13 March 2026, the Company allocated to Mr. Spindler one CDI in respect of 928,769 PSUs earned under the CRN 2018 EIP related to the FY2022 Plan (the date of such allocation being the FY2022 Settlement Date).

(CRN 2018 EIP), that have also only become apparent in preparing this 3Y, it has been determined that the calculation of PSUs that Mr. Spindler retains should have been based on a total number of 1,840,098 PSUs, resulting in 1,232,242 PSUs remaining due to the change disclosed in the February 3Y (that is, 1,840,098 PSUs minus 607,856 PSUs). The nature of the changes disclosed have all otherwise been accurate. Rounding errors arise due to the nature of conversion of PSUs to CDIs, that may result in a CDI calculation that is not a whole number.

[2] While not required, the Company continues to report this holding for consistency with Mr. Spindler's disclosure in the Appendix 3X.

[3] This being the total of 303,473 CDIs converted from 303,473 PSUs; and 928,769 CDIs converted from 928,769 PSUs under the CRN 2018 EIP

[4] This being the total of 303,473 PSUs plus 928,769 PSUs converted to CDIs under the CRN 2018 EIP referred to above.

[5] Mr. Spindler did not participate in the FY2024 or FY2025 CRN 2018 EIP; and accordingly he holds no further PSUs.

Part 2 – Change of director's interests in contracts

Note: In the case of a company, interests which come within paragraph (ii) of the definition of "notifiable interest of a director" should be disclosed in this part.

Detail of contract	N/A
Nature of interest	
Name of registered holder (if issued securities)	
Date of change	
No. and class of securities to which interest related prior to change Note: Details are only required for a contract in relation to which the interest has changed	
Interest acquired	
Interest disposed	
Value/Consideration Note: If consideration is non-cash, provide details and an estimated valuation	
Interest after change	

Part 3 – +Closed period

Were the interests in the securities or contracts detailed above traded during a +closed period where prior written clearance was required?	N/A
If so, was prior written clearance provided to allow the trade to proceed during this period?	
If prior written clearance was provided, on what date was this provided?	

+ See chapter 19 for defined terms.
