About Caprice Resources Ltd

Caprice Resources Limited (ASX: **CRS**) is an Australian gold exploration company focused on maximising shareholder value through unlocking new discoveries.

Our flagship Island Gold Project, located in the prolific Murchison goldfields of Western Australia, hosts extensive high-grade gold mineralisation across a five-kilometre corridor. Our landholding sits within 50 km of several consolidated mining and processing hubs that depend on a steady supply of feed. With each phase of drilling extending mineralised zones, we are rapidly advancing towards a maiden Mineral Resource Estimate to demonstrate the scale and continuity of the Murchison's next major gold discovery.

Caprice is committed to delivering significant, long-term shareholder value by combining disciplined exploration with technical excellence across its high-quality Western Australian exploration portfolio.
