This Corporate Governance Statement discloses the extent to which the Company follows the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations – 4th Edition (**Recommendations**). The Recommendations are not mandatory, however the Recommendations that are not followed have been identified and reasons provided for not following them along with what (if any) alternative governance practices the Company intends to adopt in lieu of the recommendation.

The Company has adopted a Corporate Governance Plan which provides the written terms of reference for the Company's corporate governance duties.

The Company's Corporate Governance Plan is available on the Company's website at www.cavalierresources.com.au

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
Principle 1: Lay solid foundations for management and oversight		
Recommendation 1.1 A listed entity should have and disclose a board charter setting out: (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management.	YES	(a) The Company has adopted a Board Charter that sets out the specific roles and responsibilities of the Board, the Chair and management and includes a description of those matters expressly reserved to the Board and those delegated to management. (b) The Board Charter sets out the specific responsibilities of the Board, requirements as to the Board's composition, the roles and responsibilities of the Chairman and Company Secretary, the establishment, operation and management of Board Committees, Directors' access to Company records and information, details of the Board's relationship with management, details of the Board's performance review and details of the Board's disclosure policy. A copy of the Company's Board Charter, which is part of the Company's Corporate Governance Plan, is available on the Company's website.

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
Recommendation 1.2 A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	YES	(a) The Company has guidelines for the appointment and selection of the Board and senior executives in its Corporate Governance Plan. The Company's Nomination Committee Charter (in the Company's Corporate Governance Plan) requires the Nomination Committee (or, in its absence, the Board) to ensure appropriate checks (including checks in respect of character, experience, education, criminal record and bankruptcy history (as appropriate)) are undertaken before appointing a person, or putting forward to security holders a candidate for election, as a Director. In the event of an unsatisfactory check, a Director is required to submit their resignation. (b) Under the Nomination Committee Charter, all material information relevant to a decision on whether or not to elect or re-elect a Director must be provided to security holders in the Notice of Meeting containing the resolution to elect or re-elect a Director.
Recommendation 1.3 A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	YES	The Company's Nomination Committee Charter requires the Nomination Committee (or, in its absence, the Board) to ensure that each Director and senior executive is personally a party to a written agreement with the Company which sets out the terms of that Director's or senior executive's appointment. The Company has written agreements with each of its Directors and senior executives.
Recommendation 1.4 The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	YES	The Board Charter outlines the roles, responsibility and accountability of the Company Secretary. In accordance with this, the Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.
Recommendation 1.5 A listed entity should: (a) have and disclose a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and (c) disclose in relation to each reporting period:	PARTIALLY	(a) The Company has adopted a Diversity Policy, which provides a framework for the Company to establish, achieve and measure diversity objectives, including in respect of gender diversity. The Diversity Policy is available, as part of the Corporate Governance Plan, on the Company's website. (b) The Diversity Policy allows the Board to set measurable gender diversity objectives, if considered appropriate, and to continually monitor both the objectives if any have been set and the Company's progress in achieving them.

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
(i) the measurable objectives set for that period to achieve gender diversity; (ii) the entity's progress towards achieving those objectives; and (iii) either: (A) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in the Workplace Gender Equality Act. If the entity was in the S&P/ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.		(c) The Board does not presently intend to set measurable gender diversity objectives because: (i) the Board does not anticipate there will be a need to appoint any new Directors or senior executives due to the limited nature of the Company's existing and proposed activities and the Board's view that the existing Directors and senior executives have sufficient skill and experience to carry out the Company's plans; (ii) if it becomes necessary to appoint any new Directors or senior executives, the Board will consider the application of the measurable diversity objectives and determined whether, given the small size of the Company and the Board, requiring specified objectives to be met will unduly limit the Company from applying the Diversity Policy as a whole and the Company's policy of appointing the best person for the job; and (iii) the respective proportions of men and women on the Board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes) for each financial year will be disclosed in the Company's Annual Report/on the Company's website.
Recommendation 1.6 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual Directors; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.	YES	(a) The Company's Nomination Committee (or, in its absence, the Board) is responsible for evaluating the performance of the Board, its committees and individual Directors on an annual basis. It may do so with the aid of an independent advisor. The process for this is set out in the Company's Corporate Governance Plan, which is available on the Company's website. (b) The Company's Corporate Governance Plan requires the Company to disclose whether or not performance evaluations were conducted during the relevant reporting period. The Company completed performance evaluations the Board and individual Directors during the financial year in accordance with the above process.

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
Recommendation 1.7 A listed entity should: (a) have and disclose a process for evaluating the performance of its senior executives at least once every reporting period; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.	YES	(a) The Company's Nomination Committee (or, in its absence, the Board) is responsible for evaluating the performance of the Company's senior executives on an annual basis. The Company's Remuneration Committee (or, in its absence, the Board) is responsible for evaluating the remuneration of the Company's senior executives on an annual basis. A senior executive, for these purposes, means key management personnel (as defined in the Corporations Act) other than a non-executive Director. The applicable processes for these evaluations can be found in the Company's Corporate Governance Plan, which is available on the Company's website. (b) The Company's Corporate Governance Plan requires the Company to disclose whether or not performance evaluations were conducted during the relevant reporting period. The Company completed performance evaluations of the senior executives during the financial year in accordance with the applicable processes.
Principle 2: Structure the Board to be effective and add value		
Recommendation 2.1 The board of a listed entity should: (a) have a nomination committee which: (i) has at least three members, a majority of whom are independent directors; and (ii) is chaired by an independent director, and disclose: (iii) the charter of the committee; (iv) the members of the committee; and (v) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or	YES	(a) The Company's Nomination Committee Charter provides for the creation of a Nomination Committee (if it is considered it will benefit the Company), with at least three members, a majority of whom are independent Directors, and which must be chaired by an independent Director. (b) The Company does not have a Nomination Committee as the Board considers that the Company will not currently benefit from its establishment. In accordance with the Company's Board Charter, the Board carries out the duties that would ordinarily be carried out by the Nomination Committee under the Nomination Committee Charter, including processes to address succession issues and to ensure the Board has the appropriate balance of skills, experience, independence and knowledge of the entity to enable it to discharge its duties and responsibilities effectively.

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
(b) if it does not have a nomination committee, disclose that fact and the processes it employs to address Board succession issues and to ensure that the Board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.		
Recommendation 2.2 A listed entity should have and disclose a board skills matrix setting out the mix of skills that the board currently has or is looking to achieve in its membership.	YES	Under the Nomination Committee Charter (in the Company's Corporate Governance Plan), the Nomination Committee (or, in its absence, the Board) is required to prepare a Board skills matrix setting out the mix of skills that the Board currently has (or is looking to achieve) and to review this at least annually against the Company's Board skills matrix to ensure the appropriate mix of skills to discharge its obligations effectively and to add value and to ensure the Board has the ability to deal with new and emerging business and governance issues. The Company has prepared a Board skill matrix setting out the mix of skills and diversity that the Board currently has or is looking to achieve in its membership. Please refer to Appendix A. The Board Charter also requires the disclosure of each Board member's qualifications and expertise. Full details as to each Director and senior executive's relevant skills and experience are available in the Company's Annual Reports and on the Company's website.
Recommendation 2.3 A listed entity should disclose: (a) the names of the directors considered by the board to be independent directors; (b) if a director has an interest, position or relationship of the type described in Box 2.3 of the ASX Corporate Governance Principles and Recommendations (4th Edition), but the board is of the opinion that it does not compromise the independence of the director, the nature of the interest, position or relationship in question and an explanation of why the Board is of that opinion; and (c) the length of service of each director	YES	(a) The Board Charter requires the disclosure of the names of Directors considered by the Board to be independent. The Board considers that Mr Anthony Keers is independent. (b) The Company will disclose in its Annual Report and the Company's website any instances where this applies and an explanation of the Board's opinion why the relevant Director is still considered to be independent. (c) The Company's Annual Report will disclose the length of service of each Director, as at the end of each financial year.

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
Recommendation 2.4 A majority of the board of a listed entity should be independent directors.	NO	The Company's Board Charter requires that, where practical, the majority of the Board should be independent. The Board currently comprises a total of three directors, of whom one is considered to be independent. As such, independent directors currently do not comprise the majority of the Board. The Board does not currently consider an independent majority of the Board to be appropriate given: (a) the speculative nature of the Company's business, and its limited scale of activities, means the Company only needs, and can only commercially sustain, a small Board of three (3) Directors and no senior executives other than the executive Directors; (b) the Company considers at least two (2) Directors need to be executive Directors for the Company to be effectively managed; (c) the Company considers it necessary, given its speculative and small scale activities, to attract and retain suitable Directors by offering Directors an interest in the Company; and (d) the Company considers it appropriate to provide remuneration to its Directors in the form of securities in order to conserve its limited cash reserves.
Recommendation 2.5 The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.	NO	The Board Charter provides that, where practical, the Chair of the Board should be an independent Director and should not be the CEO/Managing Director. The Chair of the Company is not an independent Director but is not the CEO/Managing Director either. It is considered that at this point in time the best management structure for the Company is that at least two (2) Directors need to be executive Directors and given the skills and experience required to manage a listed vehicle that one of those executives be the Chair of the Board.

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
Recommendation 2.6 A listed entity should have a program for inducting new directors and for periodically reviewing whether there is a need for existing directors to undertake professional development to maintain the skills and knowledge needed to perform their role as directors effectively.	YES	In accordance with the Company's Board Charter, the Nominations Committee (or, in its absence, the Board) is responsible for the approval and review of induction and continuing professional development programs and procedures for Directors to ensure that they can effectively discharge their responsibilities. The Company Secretary is responsible for facilitating inductions and professional development including receiving briefings on material developments in laws, regulations and accounting standards relevant to the Company.
Principle 3: Instil a culture of acting lawfully, ethically and responsibly		
Recommendation 3.1 A listed entity should articulate and disclose its values. The Board, management and employees are dedicated to high ethical standards and recognise and support the Company's commitment to compliance with these standards. The Company's values are set out in its Code of Conduct (which forms part of the Corporate Governance Plan) and are available on the Company's website. All employees are given appropriate training on the Company's values and senior executives will continually reference such values.

(b) Any material breaches of the Whistleblower Protection Policy are to be reported to the Board or a committee of the Board.

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
Recommendation 3.4 A listed entity should: (a) have and disclose an anti-bribery and corruption policy; and (b) ensure that the board or a committee of the board is informed of any material breaches of that policy.	YES	(a) The Company's Anti-Bribery and Anti-Corruption Policy (which forms part of the Corporate Governance Plan) is available on the Company's website. YES	(a) The Company's Corporate Governance Plan contains an Audit and Risk Committee Charter that provides for the creation of an Audit and Risk Committee with at least three members, all of whom must be non-executive Directors, and majority of the Committee must be independent Directors. The Committee must be chaired by an independent Director who is not the Chair. (b) The Company does not have an Audit and Risk Committee as the Board considers the Company will not currently benefit from its establishment. In accordance with the Company's Board Charter, the Board carries out the duties that would ordinarily be carried out by the Audit and Risk Committee under the Audit and Risk Committee Charter including processes to independently verify the integrity of the Company's periodic reports which are not audited or reviewed by an external auditor, as well as the processes for the appointment and removal of the external auditor and the rotation of the audit engagement partner.

RECOMMENDATIONS (4 TH EDITION)	COMPLY	EXPLANATION
Recommendation 4.2 The board of a listed entity should, before it approves the entity's financial statements for a financial period, receive from its CEO and CFO a declaration that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.	YES	The Company's Audit and Risk Committee Charter requires the CEO and CFO (or, if none, the person(s) fulfilling those functions) to provide a sign off on these terms. The Company has obtained the sign-offs from the CEO and CFO for the latest reporting period in accordance with section 295A of the Corporations Act.

¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.
