About eMetals Limited

eMetals Limited (ASX: EMT) is a mining exploration company focused on rare earth, precious, and base metals. Its recent strategic acquisition of the Mubende Gold Project in central Uganda spans 202 square kilometres, including the highly prospective Bukuya prospect, with ongoing artisanal mining over 600 meters of strike. The project offers significant growth potential, with mineralisation open along strike and at depth.

In Western Australia, eMetals holds one exploration licence in the Albany Fraser Range, prospective for gold and rare earth elements (Salmon Gums Project).

eMetals is focused on unlocking value from its high-potential African and Australian projects.
