Dear Sir/Madam

Energy One Limited (ASX: EOL) – Request for Trading Halt

Pursuant to ASX Listing Rule 17.1, Energy One Limited (ASX: EOL) (**Energy One** or the **Company**) requests an immediate trading halt in respect of the Company's fully paid ordinary shares.

The trading halt is requested in response to the publicisation of a non binding indicative offer for a change of control proposal in respect of the Company that is not stated to be a takeover bid. The Company considers that a trading halt is appropriate to ensure that trading in its securities does not occur on an uninformed basis while the Company prepares an appropriate announcement to the market.

The Company requests that the trading halt remain in place until the earlier of:

1. the release of an announcement by the Company to ASX in relation to the publication of the change of control proposal in respect of the Company;
2. the commencement of normal trading on Monday 3 August 2026, unless ASX decides otherwise.

The Company is not aware of any reason why the trading halt should not be granted. The Company is not aware of any other information necessary to inform the market about the trading halt.

Please contact the undersigned if you require any further information.

Yours faithfully

Guy Steel
Company Secretary
Energy One Limited
