1.4 **Placement**

On 4 May 2026, the Company announced its intention to raise up to a total of \$40 million (before costs) by the issue of Shares to persons who are sophisticated and institutional investors (**Placement**). The purpose of the Placement is to raise \$40 million by the issue of Shares and to satisfy the Equity Raising Condition for the Acquisition.

The Company engaged the Joint Lead Managers as joint lead managers and joint bookrunners in connection with the Placement and the Co-Manager as the co-manager to the Placement.

The Company proposes to issue a total of 470,488,235 fully paid ordinary shares in the Company (**Placement Shares**) at an issue price of \$0.085 per share in two tranches as follows:

- (a) **Tranche 1:** 145,513,964 Placement Shares in tranche 1 to raise approximately \$12.4 million (before costs) using the Company's existing placement capacity under Listing Rule 7.1; and
- (b) **Tranche 2:** up to 325,074,271 Placement Shares in tranche 2 to raise approximately \$27.6 million (before costs) subject to shareholder approval (Shareholder approval of the issue of these Shares is the subject of Resolutions 3 to 7).

On 13 May 2026, the Company issued tranche 1 of the Placement comprising the issue of 145,513,964 Placement Shares (**Tranche 1 Placement Shares**) to certain sophisticated and institutional investors (**Tranche 1 Placement Participants**) to raise approximately \$12.4 million before costs, using its issuing capacity under Listing Rule 7.1.

None of the Tranche 1 Placement Participants are Related Parties of the Company.

2. Resolution 1 - Approval for issue of Consideration Shares for Acquisition

2.1 General

As set out in Section 1, the Company has entered into the Acquisition Agreement for the acquisition of the Peak Hill Gold Project.

As part consideration for the Peak Hill Acquisition, the Company has agreed to issue to Aragon Resources (or its nominee), such number of Shares equal to 19.9% of the Company's issued share capital immediately following Completion on an undiluted basis, which, as at the date of this Notice, is expected to be 391,700,000 Shares, Consideration Shares.

A summary of the material terms of the Acquisition Agreement is outlined in Schedule 1 to this Explanatory Statement.

2.2 Resolution

Resolution 1 is an ordinary resolution to approve the issue of such number of Consideration Shares that will result in Aragon Resources holding a 19.9% interest in the Company's issued share capital (on an undiluted basis) immediately following Completion, for the purpose of Listing Rule 7.1.

2.3 Regulatory requirements - Listing Rules 7.1 and 7.2

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The proposed issue of Consideration Shares the subject of Resolution 1, does not fall within any of the exceptions set out in Listing Rule 7.2 and accordingly, requires the approval of Shareholders under Listing Rule 7.1

2.4 Information required by Listing Rule 14.1A

If Resolution 1 is passed, the Company will be able to proceed with the Peak Hill Acquisition and the Consideration Shares will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 1 is not passed, the Company will not be able to issue the Consideration Shares and will not be able to proceed with the Peak Hill Acquisition, and the Company would forego the opportunity to acquire the Peak Hill Assets.

Resolutions 1 is also subject to the passing of Resolution 3. If Shareholders do not approve Resolution 3 (Approval for issue of Tranche 2 Placement Shares), then Resolution 1 will not be passed, and the Company will not be able to proceed with the Peak Hill Acquisition.

2.5 Listing Rules information requirements

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 1:

(a) **Names of persons to whom the Company will issue securities or the basis upon which those persons were or will be identified or selected**

The Consideration Shares are proposed to be issued to the Seller, being Aragon Resources (or its nominee). As at the date of this Notice, the Seller is not a Related Party of the Company.

(b) **The number of Consideration Shares**

The number of Consideration Shares will be such number that is 19.9% of the Company's issued share capital immediately following Completion on an undiluted basis.

Based on the anticipated capital structure on Completion and assuming that no existing Options or Performance Rights are exercised and converted into Shares prior to Completion, the number of Consideration Shares is expected to be approximately 391,700,000 Shares.

(c) **Class of securities.**

The Company proposes to issue the Consideration Shares, which are fully paid ordinary shares in the Company which will, from the time of issue, rank equally with all existing Shares on issue.

(d) **The date on which the securities will be issued**

The Company expects to issue the Consideration Shares at 'Completion' of the Peak Hill Acquisition (as that term is defined in the Acquisition Agreement). Completion of the Acquisition is anticipated to occur on or before 30 June 2026.

In any event, the Company will not issue any Consideration Shares later than 3 months after the date of Shareholder approval pursuant to Resolution 1 (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).

(e) **The price or consideration the entity has received or will receive for the issue**

The Consideration Shares will be issued for nil cash consideration, as partial consideration to Aragon Resources for the Peak Hill Assets.

The Company will not raise any funds from the issue of the Consideration Shares.

(f) **The purpose of the issue, including use or intended use of the funds raised**

The Consideration Shares are to be issued as part consideration under the Acquisition Agreement and accordingly, no funds will be raised by the issue of the Consideration Shares.

(g) **The material terms of any agreement relating to the proposed issue of securities**

The Consideration Shares are proposed to be issued pursuant to the Acquisition Agreement and the Share Subscription Agreement, the material terms of which are summarised in Schedule 1.

(h) **Voting exclusion**

A voting exclusion statement is located on page 3 of the Notice.

2.6 Board recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1 as it will allow the Company to proceed with the Peak Hill Acquisition.

3. Resolution 2: Ratification of prior issue of Tranche 1 Placement Shares – Listing Rule 7.1

3.1 Background

As announced to ASX on 13 May 2026, the Company issued 145,513,964 Tranche 1 Placement Shares to the Tranche 1 Placement Participants, without Shareholder approval. Refer to Section 1.4 for further information on the Placement.

The Company issued a total of 145,513,964 Tranche 1 Placement Shares, using the Company's issuing capacity under Listing Rule 7.1.

The issue of Tranche 1 Placement Shares did not breach Listing Rule 7.1 at the date of issue.

None of the Tranche 1 Placement Participants are Related Parties of the Company.

3.2 Resolution

Under Resolution 2, the Company seeks from Shareholders approval for, and ratification of, the issue of a total of 145,513,964 Tranche 1 Placement Shares to Tranche 1 Placement Participants so as to restore the capacity of the Company to issue further securities under Listing Rule 7.1 in the next 12 months.

3.3 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The Placement Share issues do not fit within any of the exceptions set out in Listing Rule 7.2 and, as they have not yet been approved by the Company's Shareholders, effectively uses up the Company's placement capacity in Listing Rule 7.1 reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Placement share issue date.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

3.4 Listing Rule 7.4

Listing Rule 7.4 allows the Shareholders of a listed company to subsequently ratify and approve issues of Equity Securities that have reduced the listed company's placement capacity under Listing Rule 7.1 (15% limit). If Shareholders approve an issue under Listing Rule 7.4, the issue is taken to have been approved under Listing Rule 7.1 and does not reduce the Company's placement capacity under those rules.

Accordingly, Resolution 2 seek Shareholder approval under Listing Rule 7.4 in relation to the 145,513,964 Tranche 1 Placement Shares issued under the Company's placement capacity.

3.5 Information required by Listing Rule 14.1A

If Resolution 2 is passed, the 145,513,964 Tranche 1 Placement Shares will be excluded in calculating the Company's 15% placement capacity pursuant to Listing Rule 7.1. In addition, the 145,513,964 Tranche 1 Placement Shares will be counted in Variable A under Listing Rule 7.1, which is the base number of Shares on which the 15% placement capacity under Listing Rule 7.1 is based. This will

effectively increase the number of Equity Securities that can be issued without Shareholder approval under the 15% placement capacity under those rules.

If Resolution 2 is not passed, the 145,513,964 Tranche 1 Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, until 12 months after the issue date of those Placement Shares (being 13 May 2026) unless subsequently approved by Shareholders before that date.

3.6 Listing Rule 7.5 information requirements

In accordance with the requirements of Listing Rule 7.5, the following information is provided in relation to Resolution 2:

(a) **The names of the persons to whom the securities were issued or the basis on which those persons were determined**

The Tranche 1 Placement Shares were issued to Tranche 1 Placement Participants, being:

- (i) new institutional professional and sophisticated investors who were identified by the Joint Lead Managers and the Co-Manager; and
- (ii) existing significant Shareholders.

Each Tranche 1 Placement Participant is a sophisticated or professional investor within the meaning of section 708(8), (10), (11) or (12) of the Corporations Act, being an investor to whom securities may be issued without a prospectus or other disclosure document.

The Tranche 1 Placement Participants were identified through a bookbuild process, which involved the Joint Lead Managers and the Co-Manager seeking expressions of interest to participate in the capital raising process from non-related parties of the Company and existing significant Shareholders.

None of the Tranche 1 Placement Participants are Related Parties of the Company.

None of the other recipients of Tranche 1 Placement Shares who were issued more than 10,992,209 Shares under the Placement (being 1% of the total number of Shares on issue prior to the Placement) is:

- (i) a Related Party of the Company;
- (ii) a member of key management personnel;
- (iii) a substantial Shareholder in the Company;
- (iv) an advisor of the Company; or
- (v) an Associate of any of the above.

(b) **The number and class of securities and the date issued**

The Company issued a total of 145,513,964 Tranche 1 Placement Shares on 13 May 2026 using its issuing capacity under Listing Rule 7.1.

All Tranche 1 Placement Shares were fully paid ordinary shares in the Company, which rank equally with all other Shares on issue. The Tranche 1 Placement Shares were issued using the Company's available capacity under Listing Rule 7.1 and the issue of these Tranche 1 Placement Shares did not breach Listing Rule 7.1 at the time of issue.

(c) **The price or consideration the entity has received or will receive for the issue**

The Tranche 1 Placement Shares were issued at an issue price of \$0.085 per Placement Share paid in cash, raising approximately \$12.4 million (before costs).

(d) **The purpose of the issue, including use or intended use of the funds raised**

The purpose of the Placement is to raise up to \$40 million (before costs). The purpose of the issues the subject of Resolution 2, is to raise \$12.4 million, which the Company intends to apply in the manner set out in Section 1.4.

(e) **If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement**

The Tranche 1 Placement Shares were not issued under any agreement.

(f) **Voting exclusion**

A voting exclusion statement is located on page 3 of the Notice.

3.7 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 2 as it will refresh the Company's issuing capacity under Listing Rule 7.1 and give the Company the flexibility to raise additional working capital through the offer and issue of Equity Securities, if and as required.

4. Resolution 3: Approval for issue of Tranche 2 Placement Shares

4.1 Background

As detailed in Section 1.1, the Company proposes to issue with Shareholder approval under Resolution 3, 323,133,094 Tranche 2 Placement Shares to persons who are sophisticated and institutional investors (**Proposed Placement Participants**) to raise an additional \$27.5 million (before costs).

None of the Proposed Placement Participants are Related Parties of the Company.

As at the date of the Notice, the Company does not have sufficient placement capacity under Listing Rule 7.1 for the issue of the Tranche 2 Placement Shares. Accordingly, Resolution 3 is an ordinary resolution seeking approval by Shareholders of the proposed issue of Tranche 2 Placement Shares to Proposed Placement Participants.

4.2 Regulatory requirements

As summarised in Section 3.3 above, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The Company does not presently have sufficient placement capacity to issue the Tranche 2 Placement Shares pursuant to the 15% limit under Listing Rule 7.1. In addition, the proposed issue of Tranche 2 Placement Shares pursuant to Resolution 3 does not fall into any of the exceptions under Listing Rule 7.2. It therefore requires the approval of the Company's Shareholders under Listing Rule 7.1.

4.3 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, the Tranche 2 Placement Shares will be issued to Proposed Placement Participants and be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1. The Company will also raise \$27.5 million (before costs) from the issue.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of the Tranche 2 Placement Shares and will not be able to:

- (a) raise approximately \$27.5 million (before costs) from the issue; and
- (b) the Company will not be able to complete the Peak Hill Acquisition,

and in that event the Company will forego the opportunity to acquire the Peak Hill Gold Project.

Resolutions 3 is also subject to the passing of Resolution 1. If Shareholders do not approve Resolution 1 (Approval for issue of Consideration Shares), then Resolution 3 will not be passed, and the Company will not be able to issue the Tranche 2 Placement Shares to the Proposed Placement Participants.

4.4 Listing Rules information requirements

In accordance with the requirements of Listing Rule 7.3, the following information is provided in relation to Resolution 3:

- (a) **The names of the persons to whom the securities will be issued or the basis on which those persons were or will be determined**

The Proposed Placement Participants were identified through a bookbuild process, which involved the Joint Lead Managers and the Co-Manager seeking expressions of interest to participate in the capital raising process from non-related parties of the Company.

None of the Proposed Placement Participants are Related Parties of the Company.

None of the Proposed Placement Participants who are to be issued more than 12,447,349 Shares under the Placement (being 1% of the total number of Shares on issue prior to the issue of the Tranche 2 Placement Shares) is:

- (i) a Related Party of the Company;
- (ii) a member of key management personnel;
- (iii) a substantial Shareholder in the Company;
- (iv) an advisor of the Company; or
- (v) an Associate of any of the above.

- (b) **The number and class of securities**

The Company intends to issue up to 323,133,094 Tranche 2 Placement Shares, being fully-paid ordinary shares in the Company which will rank equally with all other Shares on issue.

- (c) **The date on or by which the securities will be issued**

The Tranche 2 Placement Shares will be issued as soon as possible after the Meeting (and in any event within three months of the Meeting) or such other date as approved by ASX.

The Tranche 2 Placement Shares will be issued at an issue price of \$0.085 per Share paid in cash, raising \$27.5 million (before costs).

(e) **The purpose of the issue, including intended use of the funds raised**

The purpose of the issue of the Tranche 2 Placement Shares is to raise \$27.5 million, which the Company intends to apply in the manner set out in Section 1.4.

(f) **If the securities will be issued under an agreement, a summary of any other material terms of the agreement**

The Tranche 2 Placement Shares will not be issued under any agreement.

(g) **Voting exclusion statement**

A voting exclusion statement is located on page 3 of the Notice.

4.5 **Directors' recommendation**

The Directors recommend that Shareholders vote in favour of Resolution 3, as it will enable the Company to issue the Tranche 2 Placement Shares to the Proposed Placement Participants to raise up to approximately \$27.5 million (before costs) and allow the Company to proceed with the Peak Hill Acquisition.

5. Resolutions 4 to 7: Approval to issue Tranche 2 Placement Shares to Directors

5.1 **Background**

The background to the Placement is set out in section 1.4.

Directors Chris Tuckwell, Greg Hall, Melanie Leighton and Karen O'Neill (together the **Related Party Participants**) wish to participate in the Placement on the same terms as the unrelated Proposed Placement Participants.

Resolutions 4 to 7 seek the approval of Shareholders pursuant to Listing Rule 10.11 for the issue of up to 1,941,177 Tranche 2 Placement Shares to the Related Party Participants (or their nominees) arising from their participation in the Placement (**Participation**).

Resolutions 4 to 7 are ordinary resolutions.

5.2 **Listing Rule 10.11**

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the Company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company who has nominated a director to the board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the Company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of Tranche 2 Placement Shares to the Related Party Participants falls within Listing Rule 10.11 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolutions 4 to 7 seek shareholder approval under and for the purposes of Listing Rule 10.11. As approval is being sought under Listing Rule 10.11, approval is not also required under Listing Rule 7.1.

5.3 **Technical information required by Listing Rule 14.1A**

If Resolutions 4 to 7 are passed, the Company will be able to proceed with the issue of Tranche 2 Placement Shares to the Related Party Participants (or their respective nominees) and will raise additional funds which will be used in the manner set out in Section 1.4.

If Resolutions 4 to 7 are not passed, the Company will not be able to proceed with the issue of the Tranche 2 Placement Shares to the Related Party Participants (or their respective nominees) and the Company will need to return funds received from the Related Party Participants.

Resolutions 4 to 7 are independent of one another. If one or more of the Resolutions is not carried, and one or more of the other Resolutions are passed, then the Company may still proceed with the issue of the Tranche 2 Placement Shares to the relevant Director in respect of which the issue of the Tranche 2 Placement Shares has been approved.

5.4 **Listing Rules information requirements**

In accordance with the requirements of Listing Rule 10.13, the following information is provided in relation to the proposed Participation:

(a) **The names of the persons to whom the securities will be issued**

The Tranche 2 Placement Shares will be issued to Chris Tuckwell, Greg Hall, Melanie Leighton and Karen O'Neill (or their respective nominees) in the proportions set out below.

(b) **Which category in Listing Rules 10.11.1 to 10.11.5 the person falls and why**

Each of the Related Party Participants is a related party of the Company by virtue of being a Director and falls into the category stipulated by Listing Rule 10.11.1. In the event that the Placement Shares are issued to nominees of the Related Party Participants, those persons will fall into the category stipulated by Listing Rule 10.11.4.

(c) **The number and class of securities**

The maximum number of Tranche 2 Placement Shares to be issued to the Related Party Participants is 1,941,177 Tranche 2 Placement Shares, in the following proportions:

- (i) 1,176,471 Tranche 2 Placement Shares to Chris Tuckwell (or his nominee) pursuant to Resolution 4;
- (ii) 352,941 Tranche 2 Placement Shares to Greg Hall (or his nominee) pursuant to Resolution 5;

(f) **The price or consideration the entity will receive for the issue**

The Tranche 2 Placement Shares will be issued at an issue price of \$0.085 per Share paid in cash, being the same issue price as the Tranche 2 Placement Shares issued to Proposed Placement Participants, raising \$165,000 (before costs).

(g) **The purpose of the issue, including intended use of the funds raised**

The purpose of the issue of the Tranche 2 Placement Shares is to raise up to \$165,000, which the Company intends to apply in the manner set out in Section 1.4.

(h) **If the securities will be issued under an agreement, a summary of any other material terms of the agreement**

The Tranche 2 Placement Shares will not be issued under any agreement.

(i) **Voting exclusion statement**

Voting exclusion statements are located on page 3 of the Notice.

5.5 Section 195 of the Corporations Act

Section 195(1) of the Corporations Act prohibits a director of a public company who has a material personal interest in a matter that is being considered at a meeting of directors from being present while the matter is being considered at the meeting or voting on the matter. If there is not a quorum of directors who are eligible to vote on a matter because of the operation of section 195(1) of the Corporations Act, one or more directors may call a general meeting and the general meeting may deal with the matter.

As the Related Party Participants have a personal interest in the outcome of each of their respective Resolutions under Resolutions 4 to 7 (inclusive) and, as a result of a quorum of Directors not being achieved, the Directors have exercised their right under section 195(4) of the Corporations Act to put the issue of the Participation to Shareholders to resolve.

5.6 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act regulates the provision of "financial benefits" to "related parties" by a public company. Chapter 2E prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions to the provisions; or
- (b) prior shareholder approval is obtained to the giving of the financial benefit.

A "related party" is widely defined under the Corporations Act, and includes the directors of the Company. As such, the Related Party Participants are related parties of the Company for the purposes of Section 208 of the Corporations Act.

A “financial benefit” is construed widely and in determining whether a financial benefit is being given, section 229 of the Corporations Act requires that any consideration that is given is disregarded, even if the consideration is adequate. It is necessary to look at the economic and commercial substance and the effect of the transaction in determining the financial benefit. Section 229 of the Corporations Act includes as an example of a financial benefit, the issuing of securities or the granting of an option to a related party.

One of the nominated exceptions to the requirement to obtain shareholder approval under Chapter 2E of the Corporations Act is where the provision of the financial benefit is on terms that would be reasonable in the circumstances if the Company and the related party were dealing at arm’s length (or on terms less favourable than arm’s length).

Given the Related Party Participants will be participating in the Placement on the same terms as the parties who are not related parties of the Company, the Board considers the issue of Shares under Resolutions 4 to 7 (inclusive) to constitute provision of a financial benefit on arms’ length terms, and accordingly that Shareholder approval under Chapter 2E of the Corporations Act is not required.

The Average Processing Cost is the average processing cost per tonne during the immediate prior month (but at a minimum will be \$30/dry tonne and at a maximum of \$50/dry tonne). An additional processing charge may apply for open pit ore applied to the Average Processing Cost, dependent on the gold grade and delivery year for Parcels delivered. The Mill Owner's Margin is the margin charged by the Mill Owner at varying percentage rates on the difference between the MO Costs and the Aggregate Gold Payment for a relevant month. The margin rate is dependent on the Average Gold Price for the relevant month (in the case of open pit Ore) and the certified gold grade of Parcels (in case the underground Ore). State Royalty is the royalty payable to the State of WA on minerals produced from the Tenements under the <i>Mining Regulations</i> 1981 (WA).
Delivery	GBR is responsible for the delivery of Ore to the relevant Mill and the costs of delivery and unloading.
Termination	The OPA may be terminated by a party on 12 months' notice to the other parties or by mutual agreement.

Non-Binding Strategic Collaboration Agreement

The Company and Westgold have entered into a non-binding strategic collaboration agreement to evaluate options that could fast-track the Side Well Gold Project towards production.

Over the next 2 years the Company and Westgold will collaborate and explore options with the aim of:

- delivering more ounces sooner given the proximity of the Side Well Gold Project to Westgold's infrastructure;
- increasing net cashflows from operations;
- supporting Westgold's infrastructure expansion plans at Westgold's Bluebird site;
- operational cost efficiencies; and
- stronger environmental and community outcomes with stakeholders and government.

This may be achieved by:

- utilising WGX Infrastructure haulage and logistics solutions;
- utilising WGX's mining and servicing contractor ecosystem to deliver synergies in contractor, labour and equipment supply;
- technical mine planning and geological support, including ore blending strategies;
- environmental and regulatory framework assistance;
- power, water and site services collaboration, whether in knowledge and systems or shared corridors, roads and/or infrastructure; and
- workforce and camp infrastructure, from FIFO logistics and schedules to use of accommodation camps, airstrips, etc.

In addition, Westgold may consider any other gold assets or opportunities in the region identified by and introduced by the Company (that Westgold was not otherwise aware of or considering).
