Explanatory Notes

Resolution 1 – Issue of Performance Rights to Mr Peter Oxlade

The Performance Rights confer an entitlement to be issued one Share subject to the satisfaction of any performance criteria on the terms set out in the Performance Rights Plan (Executives) ([Plan](#)).

Subject to the approval of Shareholders, the Company proposes to grant a maximum amount of 35,000,000 Performance Rights to Mr Peter Oxlade, Chief Executive Officer/Executive Director (or his nominee).

The price payable for each Share that may be issued upon vesting of a Performance Right is \$0.025, which is the closing price quoted on ASX of the Company's Shares on 15 September 2025, being the date when the Rights were first offered to Peter Oxlade ([1st Offer Date](#)), subject to shareholder approval ([Fair Market Value](#)).

The objective of the proposed grant of Performance Rights to Mr Oxlade is primarily to link the reward of Ordinary Shares to Shareholder value creation, to align his interests with those of Shareholders and to encourage the long-term sustainable growth of the Company.

The Performance Rights shall be issued under and subject to the terms of the Plan.

ASX Listing Rule 10.14 provides that a company must not issue equity securities to a director of the Company under an employee incentive scheme unless the issue has been approved by holders of ordinary securities. Once approval is obtained pursuant to ASX Listing Rule 10.14, the Company is entitled to rely on ASX Listing Rule 10.12, Exception 8 as an exception to any requirement that may otherwise apply requiring Shareholder approval under ASX Listing Rule 10.11. Similarly, approval will not be required under ASX Listing Rule 7.1.

The key terms of the Performance Rights are set out in the table below.

A holder must not sell, transfer, mortgage, charge or otherwise dispose of, deal with, grant any interest in or encumber any interest in a Performance Right

Plan Shares may not be sold or in any way disposed of or encumbered for the period of one year after they are issued

Other general terms of the Performance Rights

Subject to the Rules and the Offer, a Performance Right only entitles the holder to Plan Shares if the Performance Criteria are satisfied within the Performance Period.

A Right must vest on or before the 3rd anniversary of the Execution Date (Final Vesting Date). Rights that do not vest on, or prior to, the Final Vesting Date will automatically lapse.

The Plan Shares are forfeited (and may be bought back by the Company at the exercise price of the underlying Right) if the holder does not remain engaged by the Company (in any capacity) for at least 12 months after the Plan Shares are issued.

The Performance Right does not carry dividend or voting rights.

Information provided in accordance with Listing Rule 10.15

It is intended that the Performance Rights will be issued within five (5) days after the Extraordinary General Meeting, but in any event will be issued no later than three (3) years after the Extraordinary General Meeting.

The Performance Rights will be issued to Mr Oxlade for \$nil consideration.

For the purposes of ASX Listing Rule 10.15.2, Mr Oxlade falls under category 10.14.1 of the ASX Listing Rules, as he is a current Director of the Company.

For the purposes of ASX Listing Rule 10.15.6, the Company proposes to issue Performance Rights to Mr Oxlade (as opposed to fully paid ordinary securities) for the following reasons:

- (a) Performance Rights are designed to incentivise executive employees, and in this case, to incentivise Mr Oxlade as Chief Executive Officer/Executive Director of the Company. The Performance Rights also act to provide an incentive for the achievement of short-term operational goals that lead to long-term growth as well as a retention incentive for key employees, such as Mr Oxlade; and
- (b) equity based incentives assist in the alignment of Shareholders' and Directors' interests.

Mr Oxlade has not previously received any Performance Rights under the Plan.

There are no loan arrangements with Mr Oxlade in relation to the acquisition of the Performance Rights.

Details of any securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.

Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after this Resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

The Performance Rights Plan (Executives) was approved by shareholders at the Company's Annual General Meeting held on 26 May 2025. A copy of the terms of the Plan appears in Annexure A of this Explanatory Memorandum.

General Information

Consistent with the accounting standards, the Company discloses the following information concerning the value of the Performance Rights to be issued. A fair value for the Performance Rights to be issued has been calculated based on the Binomial methodology and based on a number of assumptions, set out below, with an adjustment to the expected life of the Performance Rights to take account of limitations on transferability. This methodology is commonly used for valuing Performance Rights and is one of the permitted methodologies under ASIC Regulatory Guide 76. The Board believes this valuation model to be appropriate to the circumstances and has not used any other valuation or other models in proposing the terms of the Performance Rights.

The Board draws Shareholders' attention to the fact the stated valuation does not constitute, and should not be taken as, audited financial information. The reportable value of the employee benefit expense in subsequent financial periods may vary due to a range of timing and other factors. In particular, the figures were calculated effective as at 30 December 2025.

Valuation for Performance Rights to be issued to Mr Oxlade:

Underlying price	\$0.035			
Volatility	150% (using a weekly aggregation methodology)			
Dividend Yield (estimate)	0%			
Vesting Dates	Subject to the Directors determining that the applicable vesting conditions have been met, the Performance Rights will vest as follows:			
	Initial Grant	Tranche 1	Tranche 2	Tranche 3
	The Execution Date	1st anniversary of the Execution Date	2 nd anniversary of the Execution Date	3 rd anniversary of the Execution Date
Risk free rate	Not applicable			
Value - per right	\$0.02878			
Number of Performance Rights issued	35,000,000			
Employee benefit expense	\$1,007,300			

The binomial valuation returns a \$0.02878 valuation of each Performance Right, which is consistent with the current trading of the Company's shares on ASX adjusted for 12-month volatility based on a weekly aggregation methodology. The valuation accounts for weighted probabilities of meeting share price hurdles across the four vesting tranches, and is based on the assumption that HAL is expected to maintain a nil dividend policy during the vesting period.

A significant factor in the determination of the final value of Performance Rights will be the spot share price at the respective vesting dates. The following table details total employee benefit expense based on the highest and lowest closing prices of the Shares traded on the ASX over the 12 months ending on 30 December 2025.

	Highest	Lowest Price
Closing Price (\$)	\$0.065	\$0.02
Date	17 November 2025	16 July 2025
Peter Oxlade	\$2,275,000	\$0 (Rights are out of the money, and any value will be based on time value until expiry)

As such if it is assumed all other factors are equal, where the share price increases above the \$0.065 disclosed above the final value of the Performance Rights granted will increase, and conversely where the share price reduces the final value of the Performance Rights granted will also reduce.

Remuneration

Excluding the value of the proposed Performance Rights to be issued under this Resolution and the Share Appreciation Rights proposed to be issued under Resolution 1, Mr Oxlade currently receives \$400,000 per annum for his position as Chief Executive Officer/Executive Director. The amount stated is per annum comprising salary, superannuation contributions and known short- and long-term incentive payments.

Financial Benefit – Details and reasons

Section 208 of the Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The amount, terms and value (subject to the stated assumptions) of the Performance Rights are set out above.

The reasons for giving this financial benefit are:

- (a) the Company wishes to maximise the use of its cash resources towards other strategic initiatives and equity based incentives;
- (b) the total quantum of Performance Rights to be issued is reasonable in number, and will act as an incentive for future growth of the business;
- (c) Performance Rights are designed to incentivise employees, and in this case, to incentivise a Director of the Company. Performance Rights also act to provide a retention incentive for key employees, such as Mr Oxlade;
- (d) equity based incentives assist in the alignment of Shareholders' and Directors' interests; and
- (e) the Company believes the associated expense is limited and the nature of the Performance Rights package proposed is commensurate with market practice.

On this basis the Company believes the giving of the financial benefit, as constituted by the issue of the Performance Rights to the applicable Director is in the best interests of the Company and its Shareholders.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed grant of Performance Rights as the exception in section 211 of the Corporations Act applies. The Performance Rights are being issued for the reasons set out above and are considered reasonable remuneration for the purposes of section 211 of the Corporations Act.

Existing interests and the dilutionary effect on other Shareholders' interests

The estimated dilution effect that the vesting and exercise of the Performance Rights will have on the interests of shareholder's is set out in the dilution tables contained in Annexure B of this Explanatory Memorandum. The estimated dilution table assumes no further issues of Shares in, or reconstruction of the capital of, the Company during the time between issue, vesting and exercise of the Performance Rights, *except for the issue of Shares as a result of Resolution 1.*

Voting consequences

If Resolution 1 is approved, the Company will be authorised to issue **35,000,000 Performance Rights** to **Mr Oxlade** under the **Performance Rights Plan (Executives)**, on the terms set out in this Notice of Meeting. These Performance Rights will be granted as soon as practicable after the meeting and will

vest subject to the achievement of the performance hurdles described in the Explanatory Notes. No further shareholder approval will be required for this issue under ASX Listing Rule 10.14.

If Resolution 1 is not approved, the Company will not be permitted to issue Performance Rights to Mr Oxlade under the Performance Rights Plan (Executives) as proposed. The Board will consider alternative remuneration arrangements for Mr Oxlade, which may include cash-based incentives or other equity grants that do not require shareholder approval under Listing Rule 10.14.

Directors' Recommendation

The Directors abstain, in the interest of good corporate governance, from making a recommendation in relation to Resolution 1.

Voting Exclusion Statement

Resolution 1 – in accordance with ASX Listing Rule 14.11, the Company will disregard any votes cast in favour of this Resolution by or on behalf of:

- a Director of the Company;
- an associate of a Director; or
- a person whose relationship with the Company or a person referred to above is such that, in ASX's opinion, the acquisition should be approved by security holders,

who is eligible to participate in the Company's Performance Rights Plan (Executives).

However, for the purposes of ASX Listing Rule 14.11, this does not apply to a vote cast in favour of a resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

The Company will disregard votes cast as proxy by Key Management Personnel or their closely related parties in contravention of section 250BD of the Corporations Act.

For the purposes of section 224 of the Corporations Act, the Company will not disregard a vote if:

- it is cast by a person as a proxy appointed in writing that specifies how the proxy is to vote on the proposed resolution; and
- it is not cast on behalf of a related party or associate of a related party of the Company to whom the resolution would permit a financial benefit to be given or an associate of such a related party.
