Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- The Performance Rights will be granted to Mr Fulker no later than 3 years after shareholder approval is received.
- The Performance Rights will be issued for no cash consideration and accordingly, no funds will be raised.
- There are no loans relating to the issue or exercise of any Performance Rights or the acquisition of any Shares under the PRP.
- Details of any securities, including Performance Rights, granted under the PRP will be disclosed in the Company's annual report relating to the period in which those securities have been issued, and that approval for the issue of those securities was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the scheme after the resolution is approved and who were not named in this notice of meeting will not participate until approval is obtained.
- In accordance with Listing Rule 10.15.12, the Company will disregard any votes cast on Resolution 3 by a person referred to in ASX Listing Rule 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the employee incentive scheme in question (i.e. the PRP), including Robert (Bob) Fulker and any associate of Robert (Bob) Fulker.
- The Performance Rights proposed to be issued will vest at the end of the three year performance period from 1 January 2026 to 31 December 2028 (**Performance Period**), on the following conditions:
 - 1/3 of Performance Rights issued to vest in accordance with the Company's relative total shareholder return as compared to a set peer group as follows:

Less than 15%	0%
15% to 25%	50%
25% or greater	100%

- A summary of the terms and conditions of the PRP, under which the performance rights are proposed to be issued, is set out in **Annexure A**.

Assessed value of the benefit

The value of the Performance Rights has been assessed by an independent valuer to be \$870,322.60.

Performance rights valuation and link to Mr Fulker's total fixed remuneration

The valuation of the proposed long term incentive invitation represents a value equal to approximately 132% of Mr Fulker's Total Fixed Remuneration of \$660,000 for the period between 1 January 2026 and 31 December 2026 that these incentives relate to. In addition, Short Term Incentives (STIs) of up to 82.5% of total fixed remuneration may form part of Mr Fulker's variable remuneration. Mr Fulker received an STI payment of \$387,397 in respect of the 2025 Financial Year.

The Directors (with Mr Fulker abstaining) **recommend** that Shareholders vote **in favour** of Resolution 3.

Resolution 4 – Issue of Performance Rights under the PRP to Mr Derek Carter

Performance Rights to be issued

The Board proposes to issue Derek Carter, the Chairman of the Company 3,167,032 Performance Rights, by offering Mr Carter participation in the PRP. It is anticipated these will be issued as soon as possible following the meeting, and in any case within one month of the meeting.

Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in section 210 to 216 of the Corporations Act.

The grant of the Performance Rights constitutes giving a financial benefit and Mr Carter is a related party of the Company by virtue of being a Director.

The Directors consider that shareholder approval pursuant to Chapter 2E of the Corporations Act is not required because the grant of the Performance Rights is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

Requirements for approval

Shareholder approval of the participation of Mr Carter in the PRP and his acquisition of Performance Rights as detailed above and of Shares on vesting of those Performance Rights is sought for all purposes under the Listing Rules, including Listing Rule 10.14.

Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in section 210 to 216 of the Corporations Act.

The grant of the Performance Rights constitutes giving a financial benefit and Mr Higgins is a related party of the Company by virtue of being a Director.

The Directors consider that shareholder approval pursuant to Chapter 2E of the Corporations Act is not required because the grant of the Performance Rights is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

Requirements for approval

Shareholder approval of the participation of Mr Higgins in the PRP and his acquisition of Performance Rights as detailed above and of Shares on vesting of those Performance Rights is sought for all purposes under the Listing Rules, including Listing Rule 10.14.

- In accordance with Listing Rule 10.15.12, the Company will disregard any votes cast on Resolution 5 by a person referred to in ASX Listing Rule 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the employee incentive scheme in question (i.e. the PRP), including Roger Higgins and any associate of Roger Higgins.
- The Performance Rights proposed to be issued will vest at the end of the three year performance period from 1 January 2026 to 31 December 2028 (**Performance Period**), on the following conditions:
 - 1/3 of Performance Rights issued to vest in accordance with the Company's relative total shareholder return as compared to a set peer group as follows:

Resolution 7 – Approval of 10% Placement Facility

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the Annual General Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1. An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300 million or less. The Company's market capitalisation as at 15 April 2026 was \$143.4 million. Further, the Company is not included in the S&P/ASX 300 Index and is therefore an eligible entity for the purposes of Listing Rule 7.1A.

The Company is now seeking Shareholder approval by way of a Special Resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

It is the Company's intention that funds received under the 10% Placement Facility will be applied to the Company's exploration and development activities, the acquisition of new assets (should suitable assets be identified), administration costs and general working capital.

In order to give the Company maximum flexibility to secure additional funding, the Directors have resolved to seek Shareholder approval for the 10% Placement Facility, for the 12 month period from the date of this Annual General Meeting.

Description of Listing Rule 7.1A

a) *Shareholder approval*

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a Special Resolution at an Annual General Meeting.

b) *Equity Securities*

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of this Notice, has on issue three classes of Equity Securities being Listed ordinary Shares, unlisted options and unlisted performance rights.

c) *Formula for calculating 10% Placement Facility*

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- 1) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- 2) plus the number of partly paid shares that became fully paid in the 12 months;
- 3) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without Shareholder approval;
- 4) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 3,414,092,137 Shares and therefore has a capacity to issue:

- 1) 512,113,820.55 Equity Securities under Listing Rule 7.1; or
- 2) subject to Shareholder approval being obtained under Resolution 7, 341,409,213 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

Minimum Issue Price

Equity Securities issued under Listing Rule 7.1A must be issued for cash consideration. The issue price of Equity Securities issued under Listing Rule 7.1A must not be less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- 1) the date on which the price at which the Equity Securities are to be issued is agreed; or
- 2) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (1) above, the date on which the Equity Securities are issued.

10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- 1) the date that is 12 months after the Annual General Meeting at which the approval is obtained;
- 2) the time and date of the next Annual General Meeting; or
- 3) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

Listing Rule 7.1A

The effect of Resolution 7 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's placement capacity under Listing Rule 7.1.

Resolution 7 is a Special Resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- a) the Equity Securities issued under Listing Rule 7.1A must be issued for cash consideration
- b) the Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:
 - 1) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - 2) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (1) above, the date on which the Equity Securities are issued.
- c) if Resolution 7 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, existing Shareholders may be subject to both economic and voting power dilution. There is a risk that:
 - 1) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - 2) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

The table below shows the dilution of existing Shareholders on the basis of the current market price of shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice. The table also shows:

- 1) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or script issued under a takeover) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- 2) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.0210 50% decrease in issue price	\$0.042 Issue price	\$0.084 100% increase in issue price
Current Variable A 3,414,092,137 Shares	10% voting dilution	341,409,214 Shares	341,409,214 Shares	341,409,214 Shares
	Funds raised	\$7,169,593	\$14,339,187	\$28,678,374

	Funds raised	\$10,754,390	\$21,508,780	\$43,017,561
100% increase in current Variable A 6,828,184,274 Shares	10% voting dilution	682,818,427 Shares	682,818,427 Shares	682,818,427 Shares
	Funds raised	\$14,339,187	\$28,678,374	\$57,356,748

The table has been prepared on the following assumptions:

- i. the Company issues the maximum number of Equity Securities available under the 10% Placement Facility;
 - ii. no Unlisted Options or performance rights are exercised into Shares before the date of the issue of the Equity Securities;
 - iii. the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
 - iv. the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the meeting;
 - v. the table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1. Dilution experienced by Shareholders may be greater if issues have been made utilising the capacity in Listing Rule 7.1 as well;
 - vi. the issue of Equity Securities under the 10% Placement Facility consists only of Shares; and
 - vii. the issue price is \$0.42, being the closing price of the Shares on ASX on 15 April 2026
- c) the Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 7 for the issue of Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
- d) the Company may only seek to issue the Equity Securities for cash consideration. In such circumstances, the Company intends to use the funds raised towards the Company's exploration and development activities, the acquisition of new assets (should suitable assets be identified), administration costs and/or general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A (4) and 3.10.5A upon issue of any Equity Securities.

- e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- i. the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
 - ii. the effect of the issue of the Equity Securities on the control of the Company;
 - iii. the financial situation and solvency of the Company; and

- iv. advice from corporate, financial and broking advisers (if applicable).

If Resolution 7 is approved by Shareholders, the Company may issue Equity Securities under the 10% Placement Facility during the Placement Period as and when the circumstances of the Company require.

- f) The Company has not issued any equity securities under Listing Rule 7.1A in the preceding 12 months.
- g) a voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not formed any specific intention to issue any further additional Shares or other securities pursuant to Listing Rules 7.1 and 7.1A, and has not approached any particular existing Shareholder with a view to participating in a further issue of the Equity Securities. In these circumstances (and in accordance with Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that a person will participate in the proposed issue. Therefore, no existing Shareholder's votes will be excluded under the voting exclusion in the Notice of Meeting.

Resolution 7 is a special resolution. For a special resolution to be passed, at least 75% of the votes cast by Shareholders entitled to vote on Resolution 7 must be in favour of this Resolution.

The Board considers that the approval of the issue of the 10% Placement Facility described above is beneficial for the Company as it provides the Company with the flexibility to issue up to the maximum number of securities permitted under Listing Rule 7.1A in the next 12 months (without further Shareholder approval), should it be required. At the date of this Notice, the Company has no specific plans to use the Placement Facility should it be approved, but it will allow additional flexibility when it comes to securing the additional funding the Company requires to fund the Project.

Director Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 7 to provide the Company with additional capacity to issue securities. The Chair intends to vote all undirected proxies in favour of Resolution 7.

Eligible Persons

Eligible Employees are those determined by the Board to be eligible to participate in the PRP. This includes full-time or part-time employees, non-executive directors, contractors, and casual employees of Hillgrove or any of its associated companies.

Rights to acquire shares

Each Performance Right entitles the Participant, upon vesting, to receive one Share. Shares issued on the vesting of Performance Rights will rank equally with existing fully paid ordinary shares in the capital of the Company.

Invitation to participate

The Board may, in its absolute discretion, invite Eligible Employees to participate in the Plan. Each Invitation must be in writing and specify details such as the number of Performance Rights available, vesting conditions, and the time period for making an application.

TO VOTE BY COMPLETING THE PROXY FORM

STEP 1 APPOINTMENT OF PROXY

Indicate who you want to appoint as your Proxy.

If you wish to appoint the Chair of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chair of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy need not be a securityholder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy you must:

- (a) complete two Proxy Forms. On each Proxy Form state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- (b) return both forms together in the same envelope.

STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the company's securities registry.
