Lodgement of FY25 Audited Financial Statements

Hydrix Limited (ASX: HYD) (**Hydrix** or **Company**) has today lodged its audited financial statements for the financial year ended 30 June 2025 (**FY25 Audited Financial Statements**).

As announced by the Company on 30 September 2025, the delay in lodgement of the FY25 Audited Financial Statements was due to Hydrix having to commission, at the request of its auditor, an independent valuation report to finalise the valuation of shares in Wavewise Analytics Pty Ltd (formerly Cyban Pty Ltd) (**Wavewise Investment**) held by Hydrix's wholly-owned subsidiary, Hydrix Ventures Pty Ltd.

On the basis of the independent valuation report, which has now been completed, Hydrix has revised the fair value of the Wavewise Investment in the FY25 Audited Financial Statements down by \$0.385 million, as compared to the fair value reflected in Hydrix's unaudited Preliminary Final Report lodged on 29 August 2025. The revised fair value of the Wavewise Investment at 30 June 2025, as reflected in the FY25 Audited Financial Statements, is \$0.375 million, compared to an initial cash investment of \$0.50 million.
