SALE OF IMPRESSU PRINTING SUBSIDIARY

Domino's Pizza Enterprises Ltd (ASX.DMP) advises it has signed a binding agreement for the sale of Impressu Print Group to a subsidiary of IVE Group (ASX.IGL), Australia's largest diversified marketing group for a total cash consideration of approximately \$13.5 million. Completion is expected to occur this month.

Impressu provides high-quality digital and offset printing for Domino's franchisees and corporate stores in Australia as well as providing printing services to other third-party clients.

Domino's Executive Chairman Jack Cowin said: "Print advertising continues to be an important advertising channel to reach Domino's customers, however this sale follows a comprehensive business review, designed to deliver a simpler, more consistent Domino's, concentrated on our core business."

Domino's will continue to have access to the products and services provided by Impressu and the IVE Group to support Domino's marketing strategy through a long term agreement with the IVE Group under which the IVE Group will continue supplying, on ordinary commercial terms, the product and services currently supplied by Impressu.

This transaction is not expected to have a material impact on the Group's FY26 earnings outlook.

Authorised for release by the Board of Domino's.
