EXPLANATORY MEMORANDUM

Introduction

This Explanatory Memorandum has been prepared for the information of Shareholders in connection with the business to be conducted at the AGM to be held on Thursday, 21 May 2026 at 10.00 AM (AEST).

This Explanatory Memorandum should be read in conjunction with, and forms part of, the accompanying Notice. The purpose of this Explanatory Memorandum is to provide information to Shareholders in deciding how to vote on the Items set out in the Notice.

Financial Statements and Reports

The Corporations Act requires the Financial Report (which includes Financial Statements and Directors' Declaration), the Directors' Report and the Auditor's Report to be laid before the AGM.

There is no requirement in the Corporations Act or in the Company's constitution for Shareholders to approve the Company's Financial Report, Directors' Report or Auditor's Report (together the "Reports").

As announced on 25 September 2025, the Company has changed its financial year end from 30 June to 31 December.

The Company's most recent AGM held on 31 October 2025 considered the Company's Annual Report for the year to 30 June 2025.

The Reports presented to this AGM are for the Transitional Financial Year (TY), beginning on 1 July 2025 and ending on 31 December 2025.

Shareholders will have a reasonable opportunity at the AGM to ask questions and make comments on the Reports and on the business and operations of the Company. Shareholders will also be given a reasonable opportunity to ask the auditor questions about:

- the preparation and the content of the Auditor's Report;
- the conduct of the audit;
- the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- the independence of the auditor in relation to the conduct of the audit.

Resolution 1. Remuneration Report

The Directors' Report for the six months ended 31 December 2025 contains a Remuneration Report which sets out the remuneration policy for the Company and reports on the remuneration arrangements in place for the appointed executive and non-executive directors of the Board as well as other KMP. The Company's Additional Annual Report (which includes the Directors' Report) is available on the Ioneer's website (www.ioneer.com).

The Corporations Act provides that the Company is required to put the Remuneration Report to the vote of Shareholders. The Corporations Act expressly provides that the vote is advisory only and does not bind the Directors or the Company.

Shareholders attending the AGM will be given a reasonable opportunity to ask questions about or make comments on the Remuneration Report.

Recommendation

The Board unanimously recommends the adoption of the Remuneration Report.

Resolution 2. Re-election of Rose McKinney-James as a Non-Executive Director

Pursuant to Rule 6.4(a) of the Company's constitution, Rose McKinney-James retires as a Non-Executive Director of the Company at the AGM and being eligible, offers themselves for re-election as a Non-Executive Director of the Company.

Ms McKinney-James was appointed as a director in February 2021 and is considered by the Board to be an independent director.

The Board has reviewed the performance of Ms McKinney-James and believes she continues to provide a valuable contribution to the Board.

Additional Information on the skills and experience of Ms McKinney-James are set out in the Company's 2025 Additional Annual Report.

Recommendation

The Board (with Ms McKinney-James abstaining) unanimously recommends the re-election of Rose McKinney-James as a Non-Executive Director of the Company.

Resolution 3. Re-election of James D. Calaway as an Executive Director

Pursuant to Rule 6.4(a) of the Company's constitution, James D. Calaway retires as a Director of the Company at the AGM and being eligible, offers themselves for re-election as an Executive Director of the Company.

Mr Calaway was appointed as a Director in April 2017 and has served as Chair since 2017. He was appointed Executive Chair in July 2020. Mr Calaway is not considered by the Board to be an independent director.

The Board has reviewed the performance of Mr Calaway and believes he continues to provide a valuable contribution to the Board. The Board believes Mr Calaway's substantial experience in the lithium sector, and Chairing ASX listed companies, is particularly valuable in his role as Chair of the Board.

Additional Information on the skills and experience of Mr Calaway are set out in the Company's 2025 Additional Annual Report.

Recommendation

The Board (with Mr Calaway abstaining) unanimously recommends the re-election of Mr Calaway as an Executive Director of the Company.

EXPLANATORY MEMORANDUM

Resolutions 4 to 8 – Grant of Performance Rights to Directors

These Items seek Shareholder approval for the issue of Performance Rights to directors James D. Calaway, Alan Davies, Rose E McKinney-James, Margaret R. Walker, and Timothy R. Woodall (or their nominees) in lieu of receipt of their directors' fees in cash from time to time. No consideration will be payable by these persons for the issue of Performance Rights as they will be issued in lieu of the directors' fees.

The Company changed its financial year-end from 30 June to 31 December. The Additional Annual Report was prepared for the transition period 1 July 2025 to 31 December 2025. Under section 250N(2) of the Corporations Act 2001 (Cth), a listed company is required to hold an annual general meeting within five months after the end of its financial year.

As a result of this change, the period covered by the previously approved resolutions no longer aligns with the Company's AGM cycle. Accordingly, the resolutions seek shareholder approval for the issue of pro-rata Performance Rights to Directors for a six-month period only.

ASX Listing Rule 10.11 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party; a person who is, or was at any time in the 6 months before the issue, a substantial (30%+) holder in the Company; a person who is or was at any time in the 6 months before the issue of securities a substantial (10%) holder in the Company and who has nominated a director the Board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so; an associate of a person referred to in ASX Listing Rules 10.11.1 to 10.11.3; or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances.

If Items 4 to 8 are passed by the Shareholders, then the issue of Performance Rights to the Directors will

not be included in the 15% calculation of the Company's annual placement capacity pursuant to Exception 14 of ASX Listing Rule 7.2. The subsequent issue of shares upon vesting of the Performance Rights will also not be included in the 15% calculation per Listing Rule 7.2 Exception 9.

If Items 4 to 8 are not passed by the Shareholders, then the Performance Rights will not be issued to the Directors and the Company will pay the Director fees in cash.

The Board believes that providing remuneration to Directors in the form of Performance Rights in consideration for their services as Directors preserves cash and aligns the interests of Directors with those of Shareholders, by giving the Directors an opportunity to share in the success of the Company. Director remuneration in this form can motivate and reward long-term decision making, through the aim of creating and maximising Shareholder value.

The value of the Performance Rights at the time of issue, taken together with all other Director remuneration, cannot exceed the then applicable maximum annual remuneration that can be paid to all of the Directors (known as the directors' remuneration cap).

Section 208 of the Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party (including Directors), the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The Board considers that shareholder approval under section 208 of the Corporations Act is not required as the exception in section 211 of the Corporations Act applies. The Performance Rights to be issued to the Directors are considered to be reasonable remuneration for the purposes of section 211 of the Corporations Act.

Specific Information Required by Listing Rule 10.13

ASX Listing Rule 10.13 requires certain information to be provided in relation to approval sought under ASX Listing Rule 10.11. This information is set out below:

Name of persons proposed to receive performance rights	Resolution 4 – James D. Calaway (Executive Director, Chair and related party), or his nominee (an associate of the related party). Resolution 5 – Alan Davies (Non-Executive Director and related party), or his nominee (an associate of the related party). Resolution 6 – Rose McKinney-James (Non-Executive Director and related party), or her nominee (an associate of the related party). Resolution 7 – Margaret R. Walker (Non-Executive Director and related party), or her nominee (an associate of the related party). Resolution 8 – Timothy R Woodall (Non-Executive Director and related party), or his nominee (an associate of the related party).
Formula for calculating the number of securities to be issued to persons listed above	The number of Performance Rights to be issued to each Non-Executive Director is equal to the value of [27.8%] of the total Non-Executive Director fees payable to the Director divided by the 10-day Value-Weighted Average Price (VWAP), adjusted by the closing exchange rate as at the date of the AGM. The number of Performance Rights to be issued to the Chair (Executive-Director) is equal to the value of [18.9%]

EXPLANATORY MEMORANDUM

	For example, if the 10-day VWAP as at the date of the AGM is AUD [0.110] and the AUD:USD exchange rate is AUD [0.65], each Director would receive the number of Performance Rights set out below.

Date by which the securities will be issued (Issue Date)	If Shareholder approval is obtained, the Performance Rights to be issued to Directors (or their nominees) will be issued on a date no later than one month after the date of the 2026 AGM, as required by ASX Listing Rule 10.13.5, unless otherwise extended by way of ASX granting a waiver to the Listing Rules.																					
Issue price	The issue price will be determined at a price equal to the VWAP for the Company's Shares over the 10 Trading Days immediately before the date of the 2026 AGM. As noted above, the issue price will not be paid by the Directors as the Performance Rights will be issued in lieu of the directors' fees.																					
Terms of the equity securities	The Performance Rights will vest 12 months after the date of issuance. The Performance Rights will expire within 13 months after the date of issuance, if not exercised. The Board abstains, in the interests of corporate governance, from making a recommendation in relation to Resolutions 4 to 8.

Resolution 9. Ratification of prior issue of Shares to Placement Participants

The Company issued 400,000,000 shares at an issue price of \$0.18 each on 5 February 2026 to professional and sophisticated investors under the Company's existing placement capacity under ASX Listing Rule 7.1 (**Placement**).

Reason for seeking approval

ASX Listing Rule 7.1 imposes a limit on the number of equity securities that a listed company can issue or agree to issue in any 12-month period without shareholder approval (**15% placement capacity**) where an exemption to the rule does not apply. Under ASX Listing Rule 7.4, an issue of any equity securities may be treated as having been made with approval under ASX Listing Rule 7.1 if the issue did not otherwise breach ASX Listing Rule 7.1 and Shareholders subsequently approve it.

The Placement was within the limits of the Company's placement capacity and therefore did not require Shareholder approval to proceed. The purpose of Resolution 9 is to seek to refresh the Company's 15% placement capacity so that its capacity would be the same as if the Placement had proceeded with Shareholder approval. If Shareholders ratify the Placement, these securities will no longer be counted towards the Company's 15% placement capacity and the Company will have greater flexibility as to how it manages its future capital requirements. If Shareholders do not approve this resolution, the securities issued under the Placement will count towards the Company's 15% placement capacity and the Company will be more limited in how it can raise additional capital. Notwithstanding any approval by Shareholders of this Resolution 9, any future equity issuances will remain subject to the 15% placement capacity under ASX Listing Rule 7.1 unless an exemption applies.

Specific Information Required by Listing Rule 7.5

For the purposes of Listing Rule 7.5 information regarding Resolution 9 is provided as follows:

- 400,000,000 Shares were issued by the Company on 5 February 2026 (**Placement Shares**);
- the Placement Shares were issued at \$0.18 each;
- the Placement Shares are fully paid ordinary shares of the Company ranking equally with all other fully paid ordinary shares of the Company;
- the Placement Shares were issued to professional and sophisticated investors (comprised of existing Shareholders and new institutional investors); and were not issued to a related party, member of KMP, substantial holder, an adviser to the entity, or an associate of any of these parties and did not constitute more than 1% of the Company's issued capital;
- the funds raised from the issue of the Placement Shares have been or will be used by the Company to advance the Rhyolite Ridge project and for general corporate and working capital purposes; and
- a voting exclusion statement is included in the Notice.

Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 9.

Resolution 10. Contingent resolution to spill the Board (Conditional Resolution)

This Resolution 10 (**Spill Resolution**) will only be put to the Annual General Meeting if at least 25% of the votes cast on Resolution 1 are cast against that resolution. If less than 25% of the votes cast on Resolution 1 are against the resolution, there will be no 'second strike' and the spill resolution will not be put to the Annual General Meeting.

If the spill resolution is put to the AGM, it will be considered as an ordinary resolution. If the spill

EXPLANATORY MEMORANDUM

resolution is passed then an extraordinary general meeting of shareholders (**Spill Meeting**) must be held within 90 days in order to consider the composition of the Board.

The following Directors who remain in office at the time of the Spill Meeting will cease to hold office at the end of the Spill Meeting unless they are willing to stand for re-election, and are re-elected, at that meeting:

- (a) Alan Davies; and
- (b) Margaret R. Walker; and
- (c) Timothy R. Woodall.

If James D. Calaway or Rose McKinney-James are elected at the Annual General Meeting, they will need to be re-elected at the Spill Meeting to remain in office.

Considerations before you vote

For the Spill Resolution to be passed, more than 50% of the votes validly cast on the resolution must be in favour of it.

In deciding how to vote on Resolution 10, the Board suggests that shareholders take the following factors into account:

- (a) Loss of Directors' leadership, skills and knowledge – the Company has benefited from the clear focus and leadership the Board has provided to the business. Each of the relevant non-executive Directors has previously been elected as a Director

and received strong support from shareholders. There is no assurance that the current Directors would be willing to stand for re-election at the Spill Meeting or, if they are, that they would be re-elected at that meeting. This creates significant risk that the governance of the company would be disrupted and creates a real challenge to engage new Directors with the skills and knowledge expected of members of the Board.

- (b) Disruption to the company – If the Spill Resolution is passed, this will create instability in leadership and potentially negatively impact the Company's ability to implement its strategies.
- (c) Shareholders should note that there are no voting exclusions applicable to resolutions appointing Directors at the Spill Meeting. This would mean there is no barrier to any of the KMP who are shareholders of the Company exercising their voting rights on resolutions at the Spill Meeting.

If you **do not** want a Spill Meeting to take place, you should vote '**against**' Resolution 10. If you want a Spill Meeting to take place, you should vote 'for' Resolution 10.

Directors' Recommendation

The Board recommends that members vote **AGAINST** Resolution 10.

ANNEXURE A – SUMMARY OF THE PERFORMANCE RIGHTS TERMS

Performance Rights

The Performance Rights are issued to eligible Directors in lieu of unpaid director fees, for the purpose of aligning Directors' interests with those of shareholders while preserving the Company's cash resources. Each Performance Right is a right to acquire one fully paid ordinary share (Shares) in the capital of the Company at \$nil exercise price.

The Performance Rights will be issued to an eligible Director (or their Nominated Parties) subject to achieving certain milestones (Milestones). The Milestones are service based only and will vest upon the Director remaining a Director of the Company on the applicable vesting date, unless determined by the Board otherwise.

Entitlements

Performance Right does not confer upon the Holder the right to:

- (a) receive notices of general meetings and financial reports and accounts of the Company that are circulated to holders of fully paid ordinary shares in the capital of the Company (Members).
- (b) vote or receive dividends.
- (c) a return of capital, whether in a winding up, upon a reduction of capital or otherwise.
- (d) participate in the surplus profit or assets of the Company upon a winding up; or
- (e) participate in new issues of securities such as bonus issues or entitlement issues

unless and until the applicable performance milestone is achieved and the Performance Right converts into ordinary shares.

Share ranking

All Shares issued upon exercise of the Performance Rights will upon issue rank *pari passu* in all respects with all other Shares.

Transfer / transmission of Performance Rights

A Performance Right may not be transferred or encumbered. Unless, on the death or legal incapacity of the Holder, the relevant dealing is effected by force of law to the Holder's legal personal representative or the Board otherwise determines, a Holder may not dispose of a Performance Right that has been granted to them. The Board may require that a Performance Right be forfeited if a disposal occurs or is purported to occur other than in accordance with these terms.

Participation in new issues

There are no participation rights or entitlements inherent in the Performance Rights and holders will not be entitled to participate in new issues of capital offered to Members during the currency of the Performance Rights.

Adjustment for Reorganisation

If any reorganisation (including consolidation, subdivision, reduction, return or cancellation) of the issued capital of the Company occurs before the expiry of any Performance Right, all rights of a holder of a Performance Right (including the exercise conditions) must be reorganised in accordance with the ASX Listing Rules applying to a reorganisation at the time of the reorganisation (which

adjustment formula will apply even where the Company is not admitted to the ASX Official List).

Exercise of Performance Rights

The exercise of a Performance Right is to be effected by the Holder completing and returning an exercise notice which will be attached to the Holder's Offer Letter (Exercise Notice). Each Performance Right confers upon the Holder the right to be issued a certain number of Shares (as set out in their Offer Letter) following the achievement of the milestones (also as set out in their Offer Letter) (Milestones).

Lapse if Milestone not achieved

If the relevant Milestone is not achieved by the due date as set out in the Offer Letter, then the corresponding Performance Rights will automatically lapse on non-satisfaction of the Milestone, unless determined by the Board otherwise.

Holding Statement

The Company will issue the Holder with a new holding statement for any Share issued upon exercise of a Performance Right within 10 business days following exercise.

Control Events

Performance Rights issued to a Holder may be immediately exercised and Shares issued to the Holder at the total discretion of the Board if the Company announces its intention to sell all or substantially all of its business undertakings or assets or if a takeover offer is made for the shares in the Company (subject to that offer becoming unconditional).

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy, you must:
