Company highlights

A vertical image on the left side of the slide showing several lit sparklers against a dark night background, with bright orange and yellow sparks emanating from the tips.

InvestSMART has built Australia's premier direct-to-investor wealth platform featuring unique content, low-cost funds and wealth tools in an integrated technology ecosystem.

1 The website is the front end of our digital wealth platform encompassing tools, content and innovative products:

- 7.1 million visits in during the year ended 30 June 2025 (9% increase on FY24).
- 27,000 new free users during the year ended 30 June 2025 (75% increase on FY24).
- 22,000 fee paying accounts across funds management, subscriptions and insurance products.
- Funds under management (FUM) of \$711 million at 31 July 2025.

2 Three core products

1. **InvestSMART Professionally Managed Accounts (PMAs)** – Roboadvice portfolios of ASX listed ETFs.
2. **Intelligent Investor** – manages four of its own ASX listed 'active' ETFs (INIF, INES, IIGF and IISV).
3. **Subscriptions** – premium paid content through **Intelligent Investor**:
 - ASX & International Buy, Hold, Sell stock recommendations and analysis.
 - Market commentary and insights, delivered by business commentator Alan Kohler.

3 Low cost of customer acquisition through unique content and tools ecosystem.

4 Well recognised ambassadors and visible Board:

- **Paul Clitheroe AM** – Chairman
- **Effie Zahos** – Non-executive director
- **Alan Kohler AM** – Editor-in-chief
- **Michael Shepherd AO** – Non-executive Director

About InvestSMART Group Ltd

ASX:INV

InvestSMART has built Australia's premier direct to investor wealth platform focused on digital investment advice. Our proprietary digital wealth platform helps clients achieve their financial goals through our low-cost funds, content and tools ecosystem-

Today, we interact with Australians who are building investing knowledge by consuming our content, using our tools and growing and protecting their wealth through our investment solutions.

We seek to be
Australia's #1
wealth platform for
do-it-yourself
investors

Products & services

InvestSMART Group runs **Professionally Managed Accounts** (PMAs)* using ETFs (with **capped management fees**) and four active **ASX-listed ETFs** under its Intelligent Investor brand.

PMA Investment Accounts focus on investing into a large universe of preferred ETFs selected to provide a unique balance between performance returns, cost efficiency and risk diversification. Our proprietary investment research methodology screens a large universe of Australian and overseas ETFs, selecting only those which deliver leading returns relative to performance benchmarks and which have low management fees. Investors can create customised and diversified investment portfolios (based on ETFs) to suit their individual needs. Our investment portfolios differ in the levels of risk and return, and each offers a different investment emphasis.

The **Intelligent Investor** is a membership-based content publication developed to assist investors. Intelligent Investor provides research-based views on companies and investment themes together with The Eureka Report team, founded by Alan Kohler, which provides commentary and insights on investment strategy, markets and companies.

Technology

InvestSMART deploys and develops proprietary digital solutions to efficiently and effectively run its business to deliver exceptional customer experience – quality advice, research and easy-to-use tools for its clients. Existing infrastructure and resources are utilised to provide white label solutions for selected partners.

Investment tools developed by InvestSMART provide foundational knowledge for investors, such as through our short course **Bootcamp**, and free tools to monitor and assess investment performance via our **Portfolio Manager**.

* *Professionally Managed Account (PMA): the investor holds legal and beneficial ownership (HIN based) and the underlying securities are registered under their name, within the investment portfolio.*
