EXPLANATORY MEMORANDUM

1. Introduction

This Explanatory Memorandum has been prepared for the information of Shareholders of the Company in connection with the business to be conducted at the Meeting to be held by virtual means in person at Level 8, 216 St Georges Terrace, Perth WA 6000 on Monday, 17 November 2025 commencing at 12:30pm AWST.

This Explanatory Memorandum should be read in conjunction with and forms part of the accompanying Notice. The purpose of this Explanatory Memorandum is to provide information to Shareholders in deciding whether or not to pass the Resolutions in the Notice.

A Proxy Form is located at the end of the Explanatory Memorandum.

2. Action to be taken by Shareholders

Shareholders should read the Notice and this Explanatory Memorandum carefully before deciding how to vote on the Resolutions.

2.1 Proxies

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a proxy) to vote in their place. All Shareholders are invited and encouraged to participate in the Meeting in person and are encouraged to lodge a directed Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting via voting at the Meeting in person.

Please note that:

- (a) a member of the Company entitled to attend in person and vote at the Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a member of the Company; and
- (c) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

Shareholders and their proxies should be aware that:

- (a) If proxy holders vote, they must cast all directed proxies as they are directed to; and
- (b) Any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (a) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- (b) if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- (c) if the proxy is the Chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- (d) if the proxy is not the Chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- (a) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- (b) the appointed proxy is not the Chair of the meeting; and
- (c) at the meeting, a poll is duly demanded, or is otherwise required under section 250JA, on the question that the resolution be passed; and
- (d) either of the following applies:
 - (i) if a record of attendance is made for the meeting - the proxy is not recorded as attending;
 - (ii) the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

2.2 Proxy Holders and Voting Instructions

If the Chair is appointed as your proxy and the Chair is not directed how to vote, you are authorising the Chair to cast your undirected vote on all proposed resolutions.

If a member of the Company's Key Management Personnel, or a Closely Related Party of such member, is appointed as your proxy, they will not be able to vote your proxy on Resolutions 1 and 5 unless you direct them how to do so.

If you intend to appoint a member of the Company's Key Management Personnel, or a Closely Related Party of such member, or the Chair, as your proxy, you are encouraged to direct them how to vote on Resolutions 1 and 5 by marking "For", "Against" or "Abstain" for each of those resolutions.

3. Annual Report

There is no requirement for Shareholders to approve the Annual Report.

Shareholders will be offered the following opportunities:

- (a) discuss the Annual Report which is available online at <https://kaiserreef.com.au/>;
- (b) ask questions or make comment on the management of the Company;
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Company's auditor about:

- (a) the preparation and the content of the Auditor's Report;
- (b) the conduct of the audit;
- (c) accounting policies by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than 5 Business Days before the Meeting to the Company Secretary at the Company's registered office.

4. Resolution 1 – Adoption of Remuneration Report

Section 250R(2) of the Corporations Act provides that the Company is required to put the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and reports

the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

Section 250R(3) of Corporations Act provides that Resolution 1 is advisory only and does not bind the Directors of the Company of itself, a failure of Shareholders to pass Resolution 1 will not require the Directors to alter any of the arrangements in the Remuneration Report.

However, the Corporations Act also gives Shareholders the opportunity to remove the Board if the Remuneration Report receives a 'no' vote of 25% or more at two consecutive annual general meetings (**Two Strikes Rule**).

Under the Two Strikes Rule, where a resolution on the Remuneration Report receives a 'no' vote of 25% or more at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director) who were in office at the date of approval of the applicable Directors' Report will cease to hold office immediately before that further meeting but may stand for re-election.

At the Company's previous annual general meeting the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, a further resolution relating to the Two Strikes Rule is not relevant for this Annual General Meeting.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

The Chair intends to exercise all undirected proxies in favour of Resolution 1. If the Chair of the Meeting is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1, by signing and returning the Proxy Form, the Shareholder is considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention.

5. Resolution 2 – Re-election of Director – Stewart Howe

5.1 General

Clause 15.2 of the Constitution requires that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded up), shall retire from office, provided always that no Director (except a managing director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at an annual general meeting are those who have been longest in the office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation under clause 15.2 of the Constitution is eligible for re-election.

Mr Howe will retire in accordance with clause 15.2 of the Constitution and being eligible, seeks re-election.

5.2 Background and qualifications

Mr Howe has +40 years' experience in the global resources industry including the last 18 years in mining. Mr Howe spent 6 years as Chief Development Officer of Zinifex Limited, where he directed the spin-off of Zinifex's smelters to create Nyrstar N.V. and restarted development of Dugald River Mine now owned by MMG. During the past 14 years Mr Howe has provided advisory roles to boards, private equity and financiers related to restructuring and acquisition of mining assets in base metals and bulk commodities. Mr Howe is an experienced director, chairing the board of Whittle Consulting Group and previously serving on the boards of a government owned water authority and not-for-profit organisations.

5.3 Independence

If re-elected, the Board considers Mr Stewart Howe to not be an independent director.

5.4 Board recommendation

The Board (excluding Mr Stewart Howe) recommends that Shareholders vote in favour of Resolution 2. The Chair of the meeting intends to vote undirected proxies in favour of Resolution 2.

6. Resolution 3 – Election of Director – Craig Dingley

6.1 General

Clause 15.4 of the Constitution allows the Directors to appoint at any time a person to be a Director as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next following annual general meeting and is then eligible for re-election but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting. Mr Craig Dingley, having been appointed to fill a casual vacancy on 17 September 2025 will retire in accordance with clause 15.4 of the Constitution and being eligible seeks re-election.

6.2 Background and qualification

Mr Craig Dingley is a qualified Chartered Accountant with 20 years' experience in commercial roles in the natural resources sector. He has experience in capital markets, mergers and acquisitions, and investor relation across a range of commodities including oil and gas, iron ore and gold. Mr Dingley has held previous roles with Rio Tinto and KPMG, and is currently with Catalyst Metals Limited.

6.3 Independence

If re-elected, the Board considers Mr Craig Dingley to be an independent director.

6.4 Board recommendation

The Board (excluding Mr Craig Dingley) recommends that Shareholders vote in favour of Resolution 3. The Chair of the meeting intends to vote undirected proxies in favour of Resolution 3.

7. Resolution 4 – Approval of 10% Placement Facility

7.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements commencing from the date of the Meeting where the Company obtains the approval until the earlier of the following:

- (a) the date that is 12 months after the date of the Meeting at which the approval is obtained;
- (b) the time and date of the Company's next annual general meeting; or
- (c) the time and date of the approval of Shareholders of a transaction under Listing Rule 11.1.2 or 11.2 in respect of the Company,

(10% Placement Facility).

The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company currently has a market capitalisation of \$184,105,134.61 and is an eligible entity.

The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer Section 7.2(c) below).

7.2 Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 4 for it to be passed.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue one class of quoted Equity Securities, being Shares (ASX:KAU)

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of fully paid ordinary securities on issue at the commencement of the relevant period:

- (A) plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than Exception 9, 16 or 17;
- (B) plus the number of fully paid ordinary securities issued in relevant period on the conversion of convertible securities within Listing Rule 7.2 Exception 9 where:
 - (1) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (2) the issue of, or agreement to issue, the convertible securities approved, or taken to have been approved, under Listing Rule 7.1 or 7.4;
- (C) plus the number of fully paid ordinary securities issued in relevant period under an agreement to issue securities within Listing Rule 7.2 Exception 16 where:
 - (1) the agreement was entered into before the commencement of the relevant period; or
 - (2) the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4;
- (D) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under rule 7.1 or rule 7.4;
- (E) plus the number of partly paid ordinary securities that became fully paid in the relevant period;
- (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4.

(d) Listing Rule 7.1A and Listing Rule 7.3A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 593,887,531 Shares and therefore has a capacity to issue:

- (i) 89,083,129 Equity Securities under Listing Rule 7.1; and

- (ii) 59,388,753 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 7.2(c) above).

(e) **Minimum Issue Price**

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) **10% Placement Period**

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the Meeting at which the approval is obtained;
- (ii) the time and date of the entity's next annual general meeting; or
- (iii) the time and date of the approval by shareholders of the eligible entity's ordinary securities of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

7.3 Listing Rule 7.1A

The effect of Resolution 4 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) on the Resolution.

7.4 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or

- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Listed Options, only if the Listed Options are exercised). There is a risk that:
- (i) the market price for the Company's Equity Securities in that class may be significantly lower on the date of the issue of the Equity Securities than of the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable “A” in Listing Rule 7.1A.2		Dilution		
		\$0.155 50% decrease in Issue Price	\$0.31 Issue Price	\$0.62 100% increase in Issue Price
Current Variable “A” 593,887,531 Shares	10% Voting Dilution	59,388,753 Shares	59,388,753 Shares	59,388,753 Shares
	Funds raised	\$9,205,257	\$18,410,513	\$36,821,027
50% increase in current Variable “A” 890,831,295 Shares	10% Voting Dilution	89,083,129 Shares	89,083,129 Shares	89,083,129 Shares
	Funds raised	\$13,807,885	\$27,615,770	\$55,231,540
100% increase in current Variable “A” 1,187,775,062 Shares	10% Voting Dilution	118,777,506 Shares	118,777,506 Shares	118,777,506 Shares
	Funds raised	\$18,410,513	\$36,821,027	\$73,642,054

Note

The table has been prepared on the following assumptions:

1. The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
2. No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities;
3. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example at 10%.
4. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on the Shareholder's holding at the date of the Meeting.
5. The table shows only the effect of issue of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
6. The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Listed Options, it is assumed that those Listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
7. The issue price is \$0.31, being the closing price of the Shares on ASX on 9 October 2025.

- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 4 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (d) The Company can only issue Equity Securities for cash consideration. In such circumstances, the Company intends to use the funds raised towards ongoing development costs at Henty gold mine, continued exploration and general working capital.
- (e) The Company will comply with the disclosure obligations under the Listing Rule 7.1A(4) upon issue of any Equity Securities.
- (f) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity

of the allottees of the Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not Related Parties or associates of a Related Party of the Company.

Further, if the Company is successful in acquiring new assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new assets or investments.

- (g) The Company previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 29 November 2024. In the 12 months preceding the date of the 17 November 2025 Annual General Meeting, the Company issued a total of 26,061,056 Equity Securities under Listing Rule 7.1A, representing 10.38% of the total number of Equity Securities on issue at 29 November 2024. Details of the Equity Securities issued under Listing Rule 7.1A in the preceding 12 month period are set out in Schedule 2.
- (h) For the purpose of ASX Listing Rule 14.1A (and in addition to the disclosure in clause 7.4(b) above):
 - (i) if Resolution 4 is passed, the Directors will be able to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1; and
 - (ii) if Resolution 4 is not passed, the Directors will not be able to issue the Equity Securities under Listing Rule 7.1A, and will have to either rely on the Company's existing 15% placement capacity under Listing Rule 7.1 (from time to time), or (in the event that the Company's 15% placement capacity is exhausted) the Company will be required to obtain prior shareholder approval under Listing Rules 7.1 before being able to issue such Equity Securities (which may result in the Company incurring further time and expense).
- (i) At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities under Listing Rule 7.1A. As such, no voting exclusion statement has been included in the Notice.

The Directors of the Company believe Resolution 4 is in the best interest of the Company and its Shareholders and unanimously recommend that the Shareholders vote in favour of this Resolution.

8. Resolution 5 – Refresh of Employee Securities Incentive Plan

8.1 General

The Company adopted an employee securities incentive plan called the Employee Securities Incentive Plan on 14 November 2022 (**Plan**). The Directors consider that is desirable to provide an opportunity to eligible participants in the Company's future. Further, the Plan acts as a mechanism to ensure the interests of Shareholders and the management and employees of the Company are aligned.

Resolution 5 seeks Shareholder approval pursuant to ASX Listing Rule 7.2 (Exception 13(b)) for the issue of up to 89,083,130 Securities under the Plan, being approximately 15% of the Shares on issue.

8.2 Regulatory requirements and Listing Rules 7.1 and 7.2, exception 13(b)

Shareholder approval is not required under the Corporations Act or the Listing Rules for the operation of the Plan. However, Shareholder approval is being sought to allow the Company to rely on an exception to the calculation of the Listing Rules 7.1 and 7.1A on the number of securities that may be issued without Shareholder Approval. Listing Rule 7.2 exception 13(b) provides that Listing Rules 7.1 and 7.1A do not apply to an issue of securities under an employee incentive scheme that has been approved by Shareholders, where the issue of securities is within three (3) years from that date of Shareholder approval of the issue of securities under the employee incentive scheme.

The Plan participation is limited to Directors, employees and any service providers and certain 'related persons' to the aforementioned of the Company. If an issue is to be made to Directors then Separate Shareholder approval will need to be obtained.

Pursuant to and in accordance with ASX Listing Rule 7.2 Exception 13, the following information is provided in relation to this Resolution:

- (a) a summary of the key terms of the Plan is set out in Schedule 3;
- (b) the Company has issued 12,500,000 Performance Rights to various Directors under the Plan since its adoption on 14 November 2022;
- (c) as at the date of this Notice, the Company has not agreed to issue any Securities under the Plan;
- (d) a maximum of 89,083,130 Securities would be available to be issued under the Plan if approved by Shareholders (being approximately 15% of the Shares on issue). This maximum number of Securities is not intended to be a prediction of the actual number of Securities to be issued under the Plan, but simply a maximum number for the purposes of setting a ceiling on the number of Securities to be issued under the Plan for the purposes of ASX Listing Rule 7.2 (exception 13(b)). In any event, no Securities will be issued if to do so would contravene any applicable laws; and
- (e) a voting exclusion statement applied to this Resolution.

8.3 Technical information required by Listing Rule 14.1A

Resolution 5 seeks Shareholder approval for the issue of Securities under the Plan to be an exception from Listing Rule 7.1 for a period of three (3) years.

If Shareholders approve this Resolution, any issue of Securities under the Plan over the three (3) years after the date of the Meeting (up to the maximum number set out above) will not use up a portion of the Company's Listing Rule 7.2 capacity when that issue is made. This means that the Company will preserve its flexibility to issue equity securities without seeking Shareholder approval if and when it issues Securities under the Plan.

It should be noted that if the Resolution is passed, the Company will only be able to issue equity securities under the Plan to eligible participants who are unrelated parties without seeking prior Shareholder approval for a period of three (3) years after the Meeting. Any proposed issue of Securities to a Director or other related party, or any of their associates, under the Plan will require prior Shareholder approval under ASX Listing Rule 10.14.

If this Resolution is not passed, the Plan will not be refreshed and/or renewed as the existing approvals of the Plan received on 13 October 2022 expired on 13 October 2025, and the Company may still decide to issue Equity Securities to eligible employees and consultants who are unrelated parties under the Plan, but each such issue will not be exempt from Listing Rule 7.1 and will use up a portion of the Company's Listing Rule 7.1 capacity at the relevant time made (unless another exemption from Listing Rule 7.1 is applicable). The issue of Equity Securities under the Plan in those circumstances would therefore reduce the Company's ability to issue Equity Securities without seeking Shareholder approval.

8.4 Board recommendation

Approval of this Resolution will enable the Company to preserve its flexibility under its Listing rule 7.1 capacity when it issues Equity Securities under the Plan for the period of three (3) years after the Meeting. Directors are eligible to be offered Equity Securities under the Plan, however, any proposed issue of Equity Securities to a Director or their associates required prior Shareholder approval under ASX Listing Rule 10.14 before it can be made, and the passing of this Resolution will not enable the Company to issue any Equity Securities to a Director or their associates. The Directors recommend that Shareholders vote in favour of this Resolution.

SCHEDULE 3– Summary Terms of Employee Securities Incentive Plan

A summary of the terms of the Plan is set out below:

Eligible Participant	Eligible Participant means a person that is a ‘primary participant’ (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time. Participant means an Eligible Participant who has been granted any Security under the Plan.
Purpose	The purpose of the Plan is to: (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of securities.
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) Options and Performance Rights provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of securities	The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

Rights attaching to securities	Prior to an Option or Performance Right being exercised, the holder: (a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the convertible security other than as expressly set out in the Plan; (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company; (c) is not entitled to receive any dividends declared by the Company; and (d) is not entitled to participate in any new issue of Shares (see Adjustment of convertible securities section below).
Vesting of convertible securities	Any vesting conditions applicable to the Options or Performance Rights will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant securities have vested. Unless and until the vesting notice is issued by the Company, the securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to an Option or Performance Right are not satisfied and/or otherwise waived by the Board, that security will lapse.
Exercise of convertible securities and cashless exercise	To exercise a security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Option or Performance Right (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice. An invitation to apply for Options may specify that at the time of exercise of the Options, the Participant may elect not to be required to provide payment of the exercise price for the number of Options specified in a notice of exercise, but that on exercise of those Options the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Options. Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation. An Option or a Performance Right may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.
Timing of issue of Shares and quotation of Shares on exercise	As soon as practicable after the valid exercise of an Option or a Performance Right by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised securities held by that Participant.

Restrictions on dealing with securities	A holder may not sell, assign, transfer, grant a security interest over or otherwise deal with an Option or a Performance Right that has been granted to them unless otherwise determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to an Option or a Performance Right that has been granted to them. However, in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the Participant) a Participant may deal with convertible securities granted to them under the Plan with the consent of the Board.
Listing of convertible securities	An Option or a Performance Right granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of an Option granted under the Plan on the ASX or any other recognised exchange.
Forfeiture of convertible securities	Options and Performance Rights will be forfeited in the following circumstances: (a) where a Participant who holds Options or Performance Rights ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Group), all unvested convertible securities will automatically be forfeited by the Participant; (b) where a Participant acts fraudulently or dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group; (c) where there is a failure to satisfy the vesting conditions in accordance with the Plan; (d) on the date the Participant becomes insolvent; or (e) on the expiry date of the Options or Performance Rights.
Change of control	If a change of control event occurs, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the holder's Options or Performance Rights will be dealt with, including, without limitation, in a manner that allows the holder to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
Adjustment of convertible securities	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Options or Performance Rights will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation. If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Options or Performance Rights is entitled, upon exercise of those securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Options or Performance Rights are exercised.

	Unless otherwise determined by the Board, a holder of Options or Performance Rights does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.
Rights attaching to Shares	All Shares issued or transferred under the Plan or issued or transferred to a Participant upon the valid exercise of an Option or a Performance Right, will rank equally in all respects with the Shares of the same class for the time being on issue except for any rights attaching to the Shares by reference to a record date prior to the date of the allotment or transfer of the Shares. A Participant will be entitled to any dividends declared and distributed by the Company on the Shares issued upon exercise of an Option or a Performance Right and may participate in any dividend reinvestment plan operated by the Company in respect of Shares. A Participant may exercise any voting rights attaching to Shares issued under the Plan.
Disposal restrictions on Shares	If the invitation provides that any Shares issued upon the valid exercise of an Option or a Performance Right are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction. For so long as a Share is subject to any disposal restrictions under the Plan, the Participant will not: (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Share; or (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.
General Restrictions on Transfer of Shares	If the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of an Option or a Performance Rights may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Act. Restrictions are imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available. These laws may restrict the acquisition or disposal of Shares by you during the time the holder has such information. Any Shares issued to a holder upon exercise of an Option or a Performance Right shall be subject to the terms of the Company's Securities Trading Policy.
Buy-Back	Subject to applicable law, the Company may at any time buy- back Options or Performance Rights and Shares issued upon exercise of Options or Performance Rights in accordance with the terms of the Plan.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Options or Performance Rights.

Maximum number of securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Options or Performance Rights offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b))
Amendment of Plan	Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
Plan duration	The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants. If a Participant and the Company (acting by the Board) agree in writing that some or all of the securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those securities may be cancelled in the manner agreed between the Company and the Participant.
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
