Dear Shareholder,

Re-activation of the Dividend Reinvestment Plan ("DRP")

Korvest Ltd (ASX:KOV) is pleased to announce the re-activation of the Dividend Reinvestment Plan for the final dividend to be paid on 25 September 2026.

Please note that:

- the Directors will consider, when announcing the payment of any dividend, whether the DRP will apply to that dividend or not and whether a discount on the KOV share market price will occur - the issue price will be determined based on share trades for the period set out in the Rules that can be accessed using the following link:
www.korvest.com.au/investors/dividend-reinvestment-plan/.
- Existing DRP elections will be honoured. Given it has been some time since the DRP has been active shareholders are encouraged to check their election.**
- Australian and New Zealand shareholders are eligible to participate.
- There are no fees or commissions payable by participants in the DRP.

What you need to do

Shareholders are encouraged to log into their share registry account with Computershare to:

- Ensure that your DRP election is up to date **by 7 September 2026**,
- Check that there is a bank account registered to receive the payment of any dividends. Korvest no longer pays dividends by cheque so a bank account must be recorded **by 4 September 2026** for dividends to be received. Where no bank account is recorded the dividends will be held until such time as a bank account has been supplied*.
- Confirm your contact details (address and email address) and communication elections are up to date.
