DATED: 26 AUGUST 2025

BY ORDER OF THE BOARD

MR NICHOLAS ONG
COMPANY SECRETARY

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the directors, the Directors' Report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <http://www.lovegroup.co/investors.html> or by contacting the Company on (08) 9486 4036.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the directors and senior management of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ended 30 June 2025.

The Chair of the meeting will allow a reasonable opportunity for Shareholders to ask questions about or make comments on the Remuneration Report at the Meeting.

2.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (other than the managing director) who were in office at the date of approval of the applicable directors' report (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote.

If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.4 Chair voting undirected proxies

The Chair intends to exercise all undirected proxies in favour of Resolution 1. If the Chair of the Meeting is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR TERENCE GRIGG

Clause 19.3 of the Constitution requires that the Company must hold an election of directors each year, provided always that no Director except a Managing Director shall hold office for a period in excess of 3 years, or until the third annual general meeting following their appointment, whichever is the longer, without submitting themselves for re-election. The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation under clause 19.3 of the Constitution is eligible for re-election.

Mr Terence Grigg, the Director longest in office since his last election, retires by rotation and seeks re-election.

3.1 Board recommendation and voting intention

The Board (other than Mr Grigg) recommends that Shareholders vote in FAVOUR of Resolution 2.

The Chair of the Meeting intends to vote all undirected proxies in FAVOUR of Resolution 2.

4. RESOLUTION 3 - APPROVAL OF 10% PLACEMENT CAPACITY – SHARES

4.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital over a period of up to 12 months after the annual general meeting (**10% Placement Capacity**).

The Company is an Eligible Entity.

If Shareholders approve Resolution 3, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in Section 4.2 below).

The effect of passing Resolution 3 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity

during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under ASX Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% Placement Capacity and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in ASX Listing Rule 7.1.

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

4.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of less than \$300,000,000.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of quoted Equity Securities on issue, being Shares (ASX Code: LVE).

The exact number of Equity Securities that the Company may issue under an approval under ASX Listing Rule 7.1A will be calculated as at the date of issue of the Equity Securities according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of Shares on issue 12 months before the date of issue or agreement:
- (i) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
 - (ii) plus the number of partly paid shares that became fully paid in the previous 12 months;
 - (iii) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under ASX Listing Rules 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval; and
 - (iv) less the number of Shares cancelled in the previous 12 months.

Note that "A" has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

4.3 Technical information required by ASX Listing Rule 7.3A

Pursuant to ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 3:

(a) **Minimum Price**

The minimum price at which the Equity Securities may be issued is not less than 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades are recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in paragraph (i), the date on which the Equity Securities are issued.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting at which approval is obtained and expiring on the first to occur of the following:

- (i) the date which is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under ASX Listing Rule 7.1A cease to be valid),

(10% Placement Capacity Period).

(c) **Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue, including the risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below sets out the potential dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2.

The table shows two examples where the share price has decreased by 50% and increased by 50% against the current market price, and two examples where variable "A" has increased by 50% and 100%.

Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.0575 50% decrease in Issue Price	\$0.115 Current Issue Price	\$0.1725 50% increase in Issue Price
40,534,169 (Current)	10% voting dilution	4,053,416	4,053,416	4,053,416
		Shares	Shares	Shares
	Funds raised	\$233,071	\$466,143	\$699,214
60,801,253 (50% increase)	10% voting dilution	6,080,125	6,080,125	6,080,125
		Shares	Shares	Shares
	Funds raised	\$349,607	\$699,214	\$1,048,822
81,068,338 (100% increase)	10% voting dilution	8,106,833	8,106,833	8,106,833
		Shares	Shares	Shares
	Funds raised	\$466,143	\$932,286	\$1,398,429

*The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The table above uses the following assumptions:

1. The current Shares on issue as at 20 August 2025.
2. The closing price of Shares on the ASX on 14 August 2025.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1 or 7.4.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares.
6. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
7. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

(d) Purpose of Issue under 10% Placement Capacity

The Company may only issue Equity Securities under the 10% Placement Capacity for cash consideration in which case the Company intends to use funds raised towards the ongoing costs associated with its online and offline matchmaking services.

(e) Allocation under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed Issue(s).

The recipients of the Equity Securities under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of

current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine recipients of any issues under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous Approval under ASX Listing Rule 7.1A**

The Company has previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A.

No Shares have been issued during the year under ASX Listing Rule 7.1A.

(g) **Compliance with ASX Listing Rules 7.1A.4 and 3.10.3**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give ASX:

- (i) A list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with ASX Listing Rule 7.1A.4; and
- (ii) The information required by ASX Listing Rule 3.10.3 for release to the market.

4.4 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 3.

4.5 Board recommendation and voting intention

The Board recommends that Shareholders vote in FAVOUR of Resolution 3.

The Chair of the Meeting intends to vote all undirected proxies in FAVOUR of Resolution 3.

5. RESOLUTION 4 –RETURN OF CAPITAL

5.1 Background and summary

On 25 August 2025, the Company announced a proposed return of capital of \$0.03 per share to shareholders following a review of its capital management strategy.

As a result of the Company's consistent profitability and strong cashflow over the past few years, the Company is now in a position to return excess cash to our loyal shareholders. This

decision was made following a review of our capital requirements, strategic growth and the anticipated cashflow from business activities.

The capital return will not impact on the Company's ability to growing its revenue and ensuring that profitability is optimised. The balance sheet remains strong and robust, which will provide the Company with the financial flexibility to make strategic investments and explore new growth opportunities.

5.2 Timetable

The following timetable has been approved by ASX for Listing Rules consistency purposes. If there should happen to be any changes to this timetable then those changes will be announced to ASX on the ASX Market Announcements Platform.

Event	Date
Shareholder meeting to consider the Capital Return	1 October 2025
Effective date of the return of capital.	2 October 2025
Last date for trading of shares to be entitled to the Capital Return	3 October 2025
Trading in the securities on an "ex-return of Capital" basis.	6 October 2025
Record date	7 October 2025
Payment date	14 October 2025

As at 20 August 2025, the Company has cash of approximately \$2.4 million. The proposed Capital Return is expected to use up approximately \$1.2 million of these cash reserves.

5.3 ASIC notifications

This Notice of Meeting is being lodged prior to the date of its distribution with the Australian Securities and Investments Commission in accordance with legislative requirements for the Capital Return. Further notifications will be lodged with ASIC in due course if shareholder approval is obtained.

5.4 Other information

As at the date of this Notice of Meeting, there are 40,534,169 fully paid ordinary shares on issue. There are no other securities on issue.

If the Capital Return is implemented, the Company's shares are expected to trade at a lower share price than they would have done had the return of capital not occurred. This is due to the outflow of funds to shareholders. Whilst this reduction in share price might approximate the amount of the Capital Return, the exact future trading price of shares is subject to market factors.

The way in which the proposed Capital Return will occur will be the same for all shareholders. No voting exclusions apply to the resolution. Each share is capable of being voted on the resolution.

The directors have reviewed the Company's assets and liabilities and cash flow forecasts and have satisfied themselves as to the Company's solvency and ability to pay its creditors following the proposed Capital Return.

In the directors' view having regard to the requirements of section 256B(1) of the Corporations Act, the Capital Return is fair and reasonable to shareholders as a whole and will not materially prejudice the Company's ability to pay its creditors.

The Capital Return is occurring on a proportionate basis across all shareholders and will not have any effect on the shareholding control or ownership of the Company.

The directors who are also shareholders will be treated the same as other shareholders in relation to the Capital Return. As at the date of this Notice of Meeting, the directors have an interest as shareholders of the Company as follows:

Director	Shares
Michael Ye	13,926,059
Tod McGrouther	3,457,000
Terence Grigg	Nil

Other than as set out in this Notice of Meeting including the Explanatory Statement and any other information previously disclosed by the Company to ASX or shareholders, there is no other information that is known to the directors which may reasonably be expected to be material regarding a decision on how to vote on the resolution.

The directors unanimously recommend that shareholders vote in favour of Resolution 4.

Instructions for Completing 'Appointment of Proxy' Form

1. **(Appointing a Proxy):** A member entitled to attend and cast a vote at an Annual General Meeting is entitled to appoint a proxy to attend and vote on their behalf at the meeting. If the member is entitled to cast 2 or more votes at the meeting, the member may appoint a second proxy to attend and vote on their behalf at the meeting. However, where both proxies attend the meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A member who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a member appoints 2 proxies and the appointments do not specify the proportion or number of the member's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a member of the Company.
2. **(Direction to Vote):** A member may direct a proxy how to vote by marking one of the boxes opposite each item of business. Where a box is not marked the proxy may vote as they choose. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing Instructions):**
 - **(Individual):** Where the holding is in one name, the member must sign.
 - **(Joint Holding):** Where the holding is in more than one name, all of the members should sign.
 - **(Power of Attorney):** If you have not already provided the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.
 - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual members from attending the Annual General Meeting in person if they wish. Where a member completes and lodges a valid Proxy Form and attends the Annual General Meeting in person, then the proxy's authority to speak and vote for that member is suspended while the member is present at the Annual General Meeting.
5. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
 - (a) post to Love Group Global Limited, PO Box 5638, St Georges Tce, Perth WA 6831; or
 - (b) email to nicholas.ong@minervacorporate.com.auso that it is received not less than 48 hours prior to commencement of the Meeting.

Proxy forms received later than this time will be invalid.
