Receipt of $626k Unsecured Short-Term Loan

Highlights

- **Unsecured Short-Term Loan provided by Macro's Non-Executive Chairman, Tolga Kumova**
- **Funds to be used as a bank guarantee for First Work Package Instruction awarded to Nyapiri Macro Mining Pty Ltd**

Macro Metals Limited (ASX:M4M) (**Macro** or the **Company**) is pleased to announce that Tolga Kumova, Non-Executive Chairman of Macro has agreed to provide an Unsecured Short-term Loan (**Loan**) for $626,000 which is to be repaid following receipt of revenues from mining services contracts recently announced.

The Loan is to enable Nyapiri Macro Mining to cash back two bank guarantees in accordance with the terms of the First Work Package Instruction awarded to Nyapiri Macro Mining Pty Ltd under the BHP Framework Agreement (see ASX announcement 4 June 2026) and is expected to be repaid by 31 August 2026 through forecasted growth in the Company's revenues through its mining services division, including revenues the Company is forecast to earn from the First Work Package Instruction.

The Loan has a 12-month termination date, allowing for the facility to be reused if required, and accrues interest daily at the rate of 12% per annum on the principal outstanding, calculated monthly and payable upon repayment of the Loan or on the termination date.

Macro's Managing Director, Simon Rushton said:

> *"I genuinely appreciate the support that Tolga continues to provide to Macro and our team as we continue to increase revenue generation and execute our business strategy.*
>
> *This short-term loan enables us to fulfil our contractual obligations while avoiding dilution of our share capital which the Board considers is in the best interests of all shareholders."*

This announcement has been authorised for release by the Board of Directors.

About Macro Metals Limited

Macro is a diversified exploration, project development, mining and mining services company focused on delivering shareholder value through the economic development of natural resource assets and the provision of fit-for-purpose mining services.

The Company holds a portfolio of iron ore, manganese and construction material assets and is advancing these through targeted exploration and project development programs.

Through its wholly owned subsidiary, Macro Mining Services Pty Ltd, the Company provides mining services across multiple commodities, including mining, crushing and screening, processing, haulage, materials handling and rehabilitation.

About Nyapiri Macro Mining

Nyapiri Macro is a majority Indigenous-owned mining services contractor, owned by Nyapiri Holdings Pty Ltd, a Kariyarra, Ngarla and Nyamal Traditional Owner business and Macro Mining Services Pty Ltd, a wholly owned subsidiary of Macro Metals Limited.

Macro Mining Services acts as the capability partner, contributing technical expertise, operational systems and governance to support safe and reliable delivery in the Pilbara mining and civil environment.

Nyapiri Macro operates in partnership with Traditional Owners, embedding cultural knowledge and local engagement into project delivery, with a focus on building long-term capability, employment and contracting opportunities.

Health, Safety, Environment, Quality and Training

Health, Safety, Environment, Quality and Training (**HSEQT**) underpin Nyapiri Macro's delivery of the Mt Goldsworthy WPI.

Nyapiri Macro operates under Macro's ISO-certified management system (ISO 9001, ISO 14001 and ISO 45001), which is embedded into planning, supervision and execution of works to support safe, compliant and reliable delivery.

Safety leadership, defined accountabilities and structured field engagement are used to identify and manage risks early, with continuous improvement supported through audits, workforce feedback and incident review processes.

This approach aligns with the operational and safety standards expected by Tier-1 mining clients.
