EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://meekametals.com.au/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – PAUL ADAMS

3.1 General

Listing Rule 14.4 and clause 15.2 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Mr Paul Adams, having held office without re-election since 3 November 2022 and being eligible, retires by rotation and seeks re-election.

Further information in relation to Mr Adams is set out below.

Qualifications, experience and other material directorships	Paul is a qualified geologist and finance professional with over 30 years experience across capital markets, exploration and mining. Paul was Managing Director of Spectrum Metals Limited prior to it being taken over by Ramelius Resources and previously served as Director – Head of Research and Natural Resources at DJ Carmichael Pty Ltd for 12 years. Paul's operational experience includes senior roles with leading mining companies Placer Dome, Australian Gold Mines Ltd and Dominion Mining, both within Australia and overseas. Paul holds a Graduate Diploma in Applied Finance and Investment from the Financial Services Institute of Australia. He is currently Managing Director of Kali Metals Limited and a Non-Executive Director of Kalamazoo Resources Limited.
Term of office	Mr Adams has served as a Director since 15 February 2021 and was last re-elected on 3 November 2022.
Independence	If re-elected, the Board does not consider that Mr Adams will be an independent Director.
Board recommendation	Having received an acknowledgement from Mr Adams that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Mr Adams since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Adams) recommend that Shareholders vote in favour of this Resolution.

3.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Adams will be re-elected to the Board as a Non-Executive Director.

If this Resolution is not passed, Mr Adams will not continue in his role as a Non-Executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. RESOLUTIONS 3 AND 4 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES UNDER THE COMPANY'S LISTING RULE 7.1 AND 7.1A CAPACITY

4.1 Background to Placement

On 19 June 2025, the Company announced that it had received firm commitments to raise approximately \$60 million (before costs) at an issue price of \$0.15 per Share (**Placement**).

The Company engaged Petra Capital Pty Ltd (ACN 110 952 782) (AFSL 317 944) (**Petra Capital**) to act as sole lead manager and sole bookrunner to the Placement pursuant to a mandate dated 11 June 2025.

Under that mandate, the Company agreed to pay Petra Capital a 2% offer management fee and a 4% placement fee of the total funds raised under the Placement.

The Company intends to apply funds raised from the Placement towards the following growth initiatives as announced on 19 June 2025:

- (a) expanding and accelerating open pit mining operations with the mobilisation of a third open pit mining fleet;
- (b) accelerating open pit and underground growth drilling; and
- (c) confirming the processing and expansion pathway beyond the current 600ktpa production.

4.2 General

These Resolutions seek Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of an aggregate of 400,000,000 Shares at an issue price of \$0.15 per Share to raise \$60 million under the Placement.

148,429,483 Shares were issued pursuant to the Company's capacity under Listing Rule 7.1 (being, the subject of Resolution 3) and 251,570,517 Shares were issued on 25 June 2025 pursuant to the Company's placement capacity under Listing Rule 7.1A (being, the subject of Resolution 4).

4.3 Listing Rules 7.1 and 7.1A

A summary of Listing Rule 7.1 is set out in Section 5.1 above.

Under Listing Rule 7.1A however, an Eligible Entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). The Company obtained this approval at its annual general meeting held on 29 November 2024 (**2024 AGM**).

An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company was an Eligible Entity when it obtained member approval of the 7.1A Mandate at the 2024 AGM, however, as at the date of this Notice, the Company's market capitalisation is \$598,859,872. The Company is therefore no longer an Eligible Entity, and is unable to seek approval from its members at this meeting to utilise the 7.1A mandate.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rules 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

4.4 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

4.5 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If these Resolutions are not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

4.6 Technical information required by Listing Rules 7.4 and 7.5

REQUIRED INFORMATION	DETAILS
Names of persons to whom Securities were issued or the basis on which those persons were identified/selected	Professional and sophisticated investors who were identified through a bookbuild process, which involved Petra Capital and Morgans Corporate seeking expressions of interest to participate in the capital raising from non-related parties of the Company. Number and class of Securities issued	400,000,000 Shares were issued on the following basis: (a) 148,429,483 Shares were issued under Listing Rule 7.1 (ratification of which is sought under Resolution 3); and (b) 251,570,517 Shares issued pursuant to Listing Rule 7.1A (ratification of which is sought under Resolution 4).
Terms of Securities	The Shares were fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.
Date(s) on or by which the Securities were issued	25 June 2025.
Price or other consideration the Company received for the Securities	\$0.15 per Share for Shares issued pursuant to Listing Rule 7.1 and Listing Rule 7.1A.
Purpose of the issue, including the intended use of any funds raised by the issue	Refer to Section 4.1 for details of the proposed use of funds.
Voting Exclusion Statement	A voting exclusion statement applies to this Resolution.
Compliance	The issues did not breach Listing Rule 7.1.

5. RESOLUTION 5 – APPROVAL TO ISSUE FURTHER SECURITIES TO UNDER AN INCENTIVE PLAN

5.1 General

At the Company's annual general meeting held on 28 November 2023 (**2023 AGM**), the Company received approval to issue 65,000,000 securities, pursuant to Listing Rule 7.2 (Exception 13(b)) under its Employee Securities Incentive Plan (**Plan**).

Since this approval at the 2023 AGM, the Company has issued the following securities under the Plan:

- (a) 7,345,587 FY24 STI Performance Rights and 24,485,294 FY24 LTI Performance Rights issued to various eligible participants under the Plan (not including any Directors) on 26 April 2024 (under Listing Rule 7.2 (Exception 13)); and
- (b) 60,000,000 Performance Rights issued to Managing Director Mr Tim Davidson on 24 December 2024 (approved by Shareholders under Listing Rule 10.14 at the 2024 AGM and issued under Listing Rule 7.2 (Exception 14)),

meaning that the capacity to issue securities under the Plan approved at the 2023 AGM has been fully utilised.

Accordingly, this Resolution seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) for the issue of a maximum of a further 70,000,000 securities under the employee incentive scheme titled “Employee Incentive Securities Plan” (**Plan**)).

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide services to the Company, and the Company considers that the adoption of the Plan and the future issue of Securities under the Plan will provide these parties with the opportunity to participate in the future growth of the Company.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity’s ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity’s notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

5.2 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated in Section 5.1 above and Section 5.3 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX’s opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company’s capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

5.3 Technical information required by Listing Rule 7.2 (Exception 13)

REQUIRED INFORMATION	DETAILS

6. RESOLUTION 6 – INCREASE IN TOTAL AGGREGATE REMUNERATION FOR NON-EXECUTIVE DIRECTORS

6.1 General

This Resolution seeks Shareholder approval for the purposes of clause 15.8 of the Constitution and Listing Rule 10.17 to increase the total aggregate amount of fees which may be paid to non-executive Directors from \$500,000 to \$750,000.

Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of directors' fees payable to all of its non-executive directors without the approval of holders of its ordinary securities.

Directors' fees include all fees payable by the entity or any of its child entities to a non-executive director for acting as a director of the entity or any of its child entities (including attending and participating in any board committee meetings), superannuation contributions for the benefit of a non-executive director and any fees which a non-executive director agrees to sacrifice for other benefits. It does not include reimbursement of genuine out of pocket expenses, genuine "special exertion" fees paid in accordance with an entity's constitution, or securities issued to a non-executive director under Listing Rules 10.11 or 10.14 with the approval of the holders of its ordinary securities.

Clauses 15.7 and 15.8 of the Constitution provides that total aggregate remuneration payable to the non-executive Directors will not exceed the sum initially set by the Constitution and subsequently increased by ordinary resolution of Shareholders in a general meeting.

6.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the maximum aggregate amount of fees which may be paid to the non-executive Directors will increase by \$250,000 to \$750,000.

If this Resolution is not passed, the maximum aggregate amount of fees payable to non-executive Directors will remain at \$500,000. This may inhibit the ability of the Company to remunerate, attract and retain appropriately skilled non-executive directors.

6.3 Technical information required by Listing Rule 10.17

REQUIRED INFORMATION	DETAILS
Maximum aggregate amount of director's fees	This Resolution seeks to increase the maximum aggregate amount of fees which may be paid to the non-executive Directors by an amount of \$250,000 to \$750,000. This amount has been determined after reviewing similar companies listed on ASX and the Directors believe that this level of remuneration is in line with corporate remuneration of similar companies. Whilst it is not envisaged that the maximum amount sought will be utilised immediately, the increase to maximum aggregate amount of fees which may be paid may enable the Company to: (a) fairly remunerate both existing and any new non-executive directors joining the Board; (b) remunerate its non-executive Directors appropriately for the expectations placed upon them both by the Company and the regulatory environment in which it operates; and (c) have the ability to attract and retain non-executive directors whose skills and qualifications are appropriate for a company of the size and nature of the Company.
Securities issued to non-executive Directors	In the past 3 years, the Company has issued an aggregate of 12,925,000 Shares and 1,562,500 Options to non-executive Directors pursuant to Listing Rules 10.11. These Securities were issued to the following non-executive Directors: (a) 4,625,000 Shares and 312,500 Options were issued to Paul Chapman; (b) 1,425,000 Shares and 312,500 Options were issued to Paul Adams; and (c) 6,875,000 Shares and 937,500 Options were issued to Roger Steinepreis. These Securities were issued to the non-executive Directors on the same terms as those offered to non-related party participants in capital raisings and were therefore considered to be on arm's length terms. The Company has not issued any Securities to non-executive Directors pursuant to Listing Rule 10.14 in that period.
Voting exclusion statement	A voting exclusion statement applies to this Resolution
Voting prohibition statement	A voting prohibition statement applies to this Resolution

6.4 Board Recommendation

Given the interest of the non-executive Directors in this Resolution, the Board makes no recommendation to Shareholders regarding this Resolution.

7. RESOLUTIONS 7 TO 9 – ISSUE OF INCENTIVE PERFORMANCE RIGHTS TO MR STEINEPREIS, MR ADAMS AND MR CHAPMAN

7.1 General

These Resolutions seek Shareholder approval for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.14 for the issue of up to \$100,000 worth of Performance Rights based on the 5-day VWAP immediately prior to the date of issue to each of Mr Roger Steinepreis, Mr Paul Adams and Mr Paul Chapman (or their nominee(s)) pursuant to the Plan on the terms and conditions set out below.

The Company notes that there is no certainty that these Performance Rights will ever vest. These Performance Rights will only vest if the relevant vesting conditions set out below have been met at the determination of the Board.

Further details in respect of the Performance Rights proposed to be issued are set out in the table below.

CLASS	QUANTUM	RECIPIENT	VESTING CONDITION	EXPIRY DATE
A	Up to \$100,000 worth of Performance Rights based on the 5-day VWAP immediately prior to the date of issue.	Mr Roger Steinepreis	The extent to which the Performance Rights will vest will depend on the Company's total Shareholder return (TSR) for the period between 1 July 2025 and 30 June 2028 (the Vesting Period) compared to that of a Comparator Group (defined in Schedule 2) over the same period, assessed on a percentile ranking basis and determined as follows: (a) if the Company ranks below the 50th percentile, none of the Performance Rights will vest; (b) if the Company ranks at the 50th percentile, 50% of the Performance Rights will vest; and (c) for each 1% ranking above the 50th percentile, an additional 2% of the Performance Rights will vest, with 100% vesting where the Company ranks at or above the 75th percentile.	The Performance Rights will expire at 5:00 pm (WST) on: (a) for unvested Performance Rights, the date that is three months from the expiry of the Vesting Period; and (b) for vested Performance Rights, the date that is five years from the date of issue of the Performance Rights.
A	Up to \$100,000 worth of Performance Rights based on the 5-day VWAP immediately prior to the date of issue.	Mr Paul Adams		
A	Up to \$100,000 worth of Performance Rights based on the 5-day VWAP immediately prior to the date of issue.	Mr Paul Chapman		

If Resolutions 5, 7, 8 and 9 are passed by Shareholders, the Performance Rights the subject of Resolutions 7 to 9 will be included in the maximum number of Securities that may be issued under the Plan to eligible participants over a period of 3 years from the date of the Meeting. However, for the sake of clarity, this Resolution is not subject to the passing of Resolution 5.

7.2 Director Recommendation

Each Director (other than Mr Davidson) has a material personal interest in the outcome of these Resolutions on the basis that the Directors (other than Mr Davidson) (or their nominee(s)) are to be issued Securities on the same terms and conditions should these

Resolutions be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on these Resolutions.

The Directors acknowledge that the issue of Performance Rights to Messrs Steinepreis, Adams and Chapman is contrary to Recommendation 8.2 of the ASX CGPR. However, the issue of the Performance Rights is considered reasonable and appropriate in the circumstances for the reasons set out in Section 7.6 below.

7.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and Mr Steinepreis, Mr Adams and Mr Chapman are related parties of the Company by virtue of being Directors.

As Securities are proposed to be issued to all of the Directors other than Mr Davidson, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue. Accordingly, Shareholder approval for the issue is sought in accordance with Chapter 2E of the Corporations Act.

7.4 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

7.5 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issue within 15 months after the date of the Meeting. As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issue. The Company may seek to identify alternative methods of remunerating its Directors for their services, such as cash incentives.

7.6 Technical information required by Listing Rule 10.15 and section 219 of the Corporations Act

Purpose of the issue, including the intended use of any funds raised by the issue	The purpose of the issue is to provide a performance linked incentive component in the remuneration package for Messrs Steinepreis, Adams and Chapman to motivate and reward their performance as Non-Executive Directors and to provide cost effective remuneration to Messrs Steinepreis, Adams and Chapman. The issue also enables the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Non-Executive Directors.
Consideration of type of Security to be issued	The Company has agreed to issue the Performance Rights for the following reasons: (a) the issue of Performance Rights has no immediate dilutionary impact on Shareholders; (b) the milestones attaching to the Performance Rights will align the interests of the Non-Executive Directors with those of Shareholders; (c) the issue is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater

	proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Non-Executive Directors; and (d) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Incentive Performance Rights on the terms proposed.												
Consideration of quantum of Securities to be issued	The number of Securities to be issued has been determined based upon a consideration of: (a) current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company; (b) the remuneration of the proposed recipients; and (c) incentives to attract and retain the services of the proposed recipients who have appropriate knowledge and expertise, while maintaining the Company's cash reserves. The Company does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights upon the terms proposed.

2. The quantum of post issue Performance Rights has been calculated by dividing \$100,000 by \$0.21, being the closing price of Shares on the ASX on 9 October 2025 for illustrative purposes.																									
Dilution	Set out below is a worked example of the number of Performance Rights that may be issued under these Resolutions based on assumed the closing price of Shares on the ASX on 9 October 2025, and the prices which are 50% higher and 50% lower than that price. <table><tr><th>ASSUMED PRICE</th><th>MAXIMUM NUMBER OF PERFORMANCE RIGHTS WHICH MAY BE ISSUED¹</th><th>CURRENT SHARES ON ISSUE AS AT THE DATE OF THIS NOTICE²</th><th>DILUTION EFFECT ON EXISTING SHAREHOLDERS IF PERFORMANCE RIGHTS CONVERT</th></tr><tr><td>\$0.315</td><td>952,380</td><td>2,922,330,170</td><td>0.03%</td></tr><tr><td>\$0.210</td><td>1,428,570</td><td>2,922,330,170</td><td>0.05%</td></tr><tr><td>\$0.105</td><td>2,857,142</td><td>2,922,330,170</td><td>0.10%</td></tr></table> Notes: 1. Rounded to the nearest whole number. 2. The Company notes that the above workings are an example only and the VWAP used to determine the quantum of the Performance Rights may differ. This will result in the maximum number of Performance Rights to be issued and the dilution percentage to also differ. 3. As the number of Performance Rights to be issued under these Resolutions is linked to the 5-day VWAP, the issue could be highly dilutive to existing Shareholders if the market price of the Shares falls substantially between the date of the Notice and the date of issue. Assuming 476,190 Performance Rights are issued to each Director (calculated by dividing \$100,000 by the closing price of Shares on the ASX on 9 October 2025 of \$0.21), if the Performance Rights issued under these Resolutions have their milestones met and are converted, a total of 1,428,570 Shares would be issued. This would increase the number of Shares on issue from 2,922,330,170 (being the total number of Shares on issue as at the date of this Notice) to 2,923,758,740 (assuming that no Shares are issued and no other convertible securities vest or are exercised) with the effect that the shareholding of existing Shareholders would be diluted by an						ASSUMED PRICE	MAXIMUM NUMBER OF PERFORMANCE RIGHTS WHICH MAY BE ISSUED ¹	CURRENT SHARES ON ISSUE AS AT THE DATE OF THIS NOTICE ²	DILUTION EFFECT ON EXISTING SHAREHOLDERS IF PERFORMANCE RIGHTS CONVERT	\$0.315	952,380	2,922,330,170	0.03%	\$0.210	1,428,570	2,922,330,170	0.05%	\$0.105	2,857,142	2,922,330,170	0.10%

Shareholders should note that the value of each Performance Right is subject to change based on the VWAP determined at the time of issue of the Performance Rights. Therefore, the total number of Performance Rights to be issued under these Resolutions could increase or decrease from the Performance Rights noted in the table above. Accordingly, the effect of the dilution of the issue on the shareholding of existing Shareholders may vary. Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Plan Share, Option, Performance Right or other convertible security (Securities).
Maximum number of Convertible Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b) – refer to Resolution 3 and Section 5.3. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

Rights attaching to Convertible Securities	A Convertible Security represents a right to acquire one or more Plan Shares in accordance with the Plan (for example, an Option or a Performance Right). Prior to a Convertible Security being exercised, the holder: (a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security other than as expressly set out in the Plan; (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company; (c) is not entitled to receive any dividends declared by the Company; and (d) is not entitled to participate in any new issue of Shares (see Adjustment of Convertible Securities section below).
Restrictions on dealing with Convertible Securities	Convertible Securities issued under the Plan cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board in which case the Convertible Securities may be exercisable on terms determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.
Vesting of Convertible Securities	Any vesting conditions applicable to the Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that security will lapse.
Forfeiture of Convertible Securities	Convertible Securities will be forfeited in the following circumstances: (a) in the case of unvested Convertible Securities only, where the holder ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Company and any Associated Bodies Corporate (as defined in the Corporations Act) (the Group), unless the Board in its discretion decides otherwise; (b) where a Participant acts fraudulently, dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group and the Board exercises its discretion to deem some or all of the Convertible Securities held by a Participant to have been forfeited; (c) where there is a failure to satisfy the vesting conditions in accordance with the Plan; (d) on the date the Participant becomes insolvent; or (e) on the Expiry Date, subject to the discretion of the Board.
Listing of Convertible Securities	Convertible Securities granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of Convertible Securities granted under the Plan on the ASX or any other recognised exchange.

Exercise of Convertible Securities and cashless exercise	To exercise a security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Securities (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice. An invitation to apply for Convertible Securities may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities. Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation. Convertible Securities may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.
Timing of issue of Shares and quotation of Shares on exercise	Within five business days after the issue of a valid notice of exercise by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
Restriction periods and restrictions on transfer of Shares on exercise	If the invitation provides that any Shares issued upon the valid exercise of a Convertible Security are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction. Additionally, Shares issued on exercise of the Convertible Securities are subject to the following restrictions: (a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Convertible Securities may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act; (b) all Shares issued on exercise of the Convertible Securities are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and (c) all Shares issued on exercise of the Convertible Securities are subject to the terms of the Company's Securities Trading Policy.
Rights attaching to Shares on exercise	All Shares issued upon exercise of Convertible Securities will rank equally in all respects with the then Shares of the Company.
Change of control	If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), or the Board determines that such an event is likely to occur, any vested but unexercised or any unvested Convertible Securities must be exercised within 30 days of the change of control event. Any unexercised Convertible Securities will lapse. The Board may specify in the Invitation how the Convertible Securities will be treated on a change of control event occurring, or the Board determining that such event is likely to occur, which may vary depending upon

	circumstances in which the Participant becomes a leaver and preserve some or all of the Board's discretion under this rule.
Participation in entitlements and bonus issues	Subject always to the rights under the following two paragraphs, Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Participant is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.
Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
Buy-Back	Subject to applicable law, the Company may at any time buy-back Securities in accordance with the terms of the Plan.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Amendment of Plan	Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
Plan duration	The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants. If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
