Acknowledgement of Country

Mirvac acknowledges Aboriginal and Torres Strait Islander peoples as the Traditional Owners and Custodians of the lands and waters of Australia, and we offer our respect to their Elders past and present.

Mirvac recognises that Aboriginal and Torres Strait Islander peoples have always had oral-based customs, so we acknowledge that spelling and pronunciation of Traditional Country names may differ. Where preferences have been communicated to us through relationships with the community, we use the preferred spelling.

'Reimagining Country', created by Riki Salam (Mualgal, Kaurareg, Kuku Yalanji) of We are 27 Creative.

HERITAGE LANES 80 ANN STREET

TURRBAL COUNTRY

Brisbane, QLD

80 Ann Street, or "Heritage Lanes", is a 35-level, approximately 63,000 square metre Premium office building in Brisbane's CBD, with dual frontage to Turbot and Ann Streets. The building reached practical completion in April 2022, and is anchored by Suncorp and KPMG. The building's design provides a number of breathable spaces throughout to take advantage of the local climate and pays homage to the old Brisbane Produce Exchange, which was located on the site until the mid-1900s. This is reflected in the heritage façade fronting Turbot Street and the marketplace experience on the ground plane, which extends through to the main lobby on Level 1. Designed by Woods Bagot Architects, the building has achieved platinum WELL and 6 Star Green Star in Building Design & Construction ratings.
