MONADELPHOUS CONTRACTS UPDATE

Engineering company Monadelphous Group Limited (ASX: MND) ("Monadelphous" or "the Company") today announced the award of new construction and maintenance contracts in the resources and renewable energy sectors valued at approximately \$120 million in aggregate.

The Company has secured a new five-year panel contract to provide mobile crane and lifting services across Rio Tinto's Pilbara port and mine facilities, as well as a three-year contract to continue providing Rio Tinto with multidisciplinary sustaining capital services.

Monadelphous has also secured a contract for the construction of a battery energy storage system (BESS) at Fortescue's Cloudbreak mine site in the Pilbara. The award marks the Company's third BESS project supporting Fortescue's commitment to decarbonising its operations. Work is expected to be completed in the second half of 2026.

Finally, the Company has been appointed to a panel for a term of three years to provide structural and mechanical maintenance services for Port Waratah Coal Services at the Port of Newcastle, New South Wales.
