

ASX ANNOUNCEMENT

24 MARCH 2026

CLARIFICATION – MEDIA REPORTS

Orica notes media reports regarding an outage at one of its suppliers' ammonia plants in Western Australia.

Orica is actively managing the potential impact of this event by working to secure alternative supply from current inventory and its diversified global manufacturing and supply network. Our priority is to minimise the impact on our customers and to maintain supply.

At the same time there is an unplanned outage at our Kooragang Island ammonia plant in NSW which is expected to be resolved shortly.

A material financial impact from these interruptions is not expected.

Orica will continue to actively manage and monitor the situation and will provide an update should there be a material change.
