ASX ANNOUNCEMENT

11 June 2026

UNMARKETABLE PARCEL SHARE SALE FACILITY COMPLETE

Ovanti Limited (ASX: OVT) (Company) is pleased to advise that it has completed the Unmarketable Parcel Sale Facility as announced to the ASX on 17 April 2026. The Authorised sale price for these shares was \$0.0134 being the simple average of the last closing price of the Company's fully paid ordinary shares on ASX for each of the ten trading days immediately preceding the date of the offer received from the Purchaser.

As at Record date, 13,584 shareholders held 29,708,922 shares of Unmarketable Parcels. At the closing date, a total of 12,103 shareholders collectively holding 20,285,625 fully paid ordinary shares in OVT participated in the sale facility.

The Company provided the Facility to the holders of Unmarketable Parcels to enable them to sell their shares without incurring brokerage or handling costs that would otherwise render the sale uneconomic or difficult.

The shares were sold to Mavi Holdings Limited at the authorised price of \$0.0134 per share

*The proceeds of the sale of your shares will be remitted to you by using the bank account details recorded with Automic for your Ovanti Limited shareholding. **Make sure that you have updated your bank details with Automic.***

The release of this announcement was authorised by Joshua Quinn, Non-Executive Director and Company Secretary of Ovanti Limited, on behalf of the Board of Directors

ENDS

About Ovanti Limited (ASX:OVT):

Ovanti Limited (ASX:OVT) provides fintech and digital commerce software solutions and services that enable its institutional customers to securely authenticate end-user customers and process banking, purchase and payment transactions. The Company's core technology platform enables large customer communities to connect to end user customers using any mobile device and integrate mobile technology throughout their existing business and customer product offerings. The Company's business divisions consist of Mobile Banking and Digital Payments which service leading banks in Malaysia and large telcos and corporates in Malaysia & Indonesia. Ovanti also works with telecommunication network providers to provided mobile OTT (over-the-top) services that leverage their subscriber base to build active communities. Globally, the Company is expanding operations for buy now, pay later services (BNPL) and other fintech solutions as part of its Super App offering. The Company's technology solutions and expertise across fintech and digital commerce solutions and services, including years of servicing numerous large banking clients, give it distinct advantages against its competitors
