

Company announcement

Appointment of Garry Sherriff to Head of Investor Relations

08 July 2026

Pro Medicus Limited (ASX: PME) today announces the appointment of Garry Sherriff to the role of Head of Investor Relations, effective Monday, 20 July 2026.

Garry is a senior financial markets executive with 20+ years' experience spanning equity research, investment banking, corporate finance, strategy, operations and management. During this time, he has developed deep institutional investor relationships across the Australian and overseas markets.

Dr Sam Hupert, CEO, said: "In his previous roles as Head of Australian Equities Research & Lead Technology Analyst for the Royal Bank of Canada, and as Head of Australian Emerging Companies Equity Research for Moelis & Company (now MA Financial), Garry established a proven track record covering Pro Medicus and the broader ASX technology sector. This makes him well positioned to represent Pro Medicus to both the local and international investment communities."

Garry Sherriff said: "I am delighted to be joining Pro Medicus. Having followed Pro Medicus closely for many years, I've had the opportunity to watch the business evolve, execute on its strategy and create long-term value for shareholders. This familiarity has given me a deep appreciation for the quality of the Company, its leadership team and its future potential. I look forward to strengthening the Company's engagement with investors in Australia and offshore."

About Pro Medicus Limited:

Pro Medicus Limited [ASX: PME] is a leading healthcare informatics company. Founded in 1983, the company provides a full range of medical imaging software and services to hospitals, imaging centres and health care groups worldwide. In January 2009, the company acquired Visage Imaging transforming it into a global provider of leading-edge medical imaging solutions. The company's Visage 7 suite of products are the foundation of an ultra-fast, clinically rich, and highly scalable platform that is seamlessly deployable in both public or private cloud environments. The company offers a leading suite of RIS, PACS, Artificial Intelligence and e-health solutions constituting one of the most comprehensive end-to-end offerings in healthcare imaging. Pro Medicus has offices in Melbourne, Berlin and San Diego. www.promed.com.au
