

ASX Release

10 August
2026

Polymetals Webinar: Thursday 13 August 2026.

Polymetals Resources Ltd (ASX: POL) (Polymetals or the Company) **invites investors to join an investor webinar to be held at 11:00am AEST (Brisbane/Sydney/Melbourne) / 9:00am AWST (Perth) on Thursday, 13 August 2026.**

Polymetals' Chairman, Mr David Sproule and General Manager Corporate, Mr Linden Sproule will review the company's performance over the half year ended 30 June 2026 as well as provide an update on the half year ahead. With a disciplined approach to project development and operational efficiency, Polymetals is building a long-term, profitable business in precious and base metals.

The presentation will be followed by a Q&A session where management will attend to any questions raised by participants.

Participants may submit questions in advance to management during registration or via the webinar. A recording will also be made available following the event on the company's website.

ABOUT POLYMETALS

Polymetals Resources Ltd (ASX: POL) is an Australian mining company focused on the cost-efficient development and production of high-grade silver and zinc assets. Our flagship operation, the Endeavor Mine, is located in the prolific Cobar Basin of New South Wales, one of Australia's premier polymetallic provinces.

With a disciplined approach to project development and operational efficiency, Polymetals is building a long-term, profitable business in precious and base metals. For more information visit www.polymetals.com
