

ASX ANNOUNCEMENT / MEDIA RELEASE**ASX: PRX****17 October 2025****Completion of Sale of Unmarketable Parcels**

Prodigy Gold NL (ASX: PRX) (**Prodigy Gold**) is pleased to advise completion of the process announced on 25 August 2025 to facilitate the sale of all fully paid ordinary shares in Prodigy Gold (**Shares**) that are an Unmarketable Parcel, being a parcel of Shares that is worth less than \$500 (**Unmarketable Parcel Sale**).

The Unmarketable Parcel Sale has been undertaken on an 'opt-out' basis in accordance with rule 3 of Prodigy Gold's constitution. Based on the share price of \$0.0025 at the close on the closing date on 10 October 2025 (**Closing Date**) 3,049 shareholders were eligible to participate in the Unmarketable Parcel Sale.

The final number of shares sold under the Unmarketable Parcel Sale Facility (**Facility**) was 52,183,790 shares held by a total of 2,732 shareholders. This represents 73% of the Company's total number of shareholders on the Closing Date, while being less than 0.78% of issued capital.

The value transacted via the Facility was \$130,459.48 (before fees) with an average sale price of \$0.0025 per share, being not less than the price equal to the simple average of the last sale price of Shares for each of the 10 trading days immediately preceding the date of the offer. Payment of the proceeds from the Facility will be sent to shareholders via the account details registered with Automic on 24 October 2025. Amounts below \$0.20 will be donated to Save the Children Australia.
