<sup>1</sup> “Corporate governance statement” is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

<sup>2</sup> Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

<sup>3</sup> Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes “OR” at the end of the selection and you delete the other options, you can also, if you wish, delete the “OR” at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

# 2026 Corporate Governance Statement

---

The Board of Prescient Therapeutics Limited (“Prescient” or the “**Company**”) is responsible for the overall corporate governance of Prescient and the entities it controls (together, the “**Group**”). The Board believes that good corporate governance provides the framework for accountability, responsibility, transparency and fairness; and enhances investor confidence.

The ASX Listing Rules require listed companies to prepare a statement disclosing the extent to which they have complied with the recommendations of the ASX Corporate Governance Council (“**Recommendations**”) during the reporting period. The Recommendations are not prescriptive, such that if a company considers a recommendation to be inappropriate having regard to its own circumstances, it has the flexibility not to follow it. Where a company has not followed all the Recommendations, it must identify which Recommendations have not been followed and provide reasons for not following them.

This Corporate Governance Statement (“**Statement**”) discloses the extent to which Prescient has followed the Recommendations, or where appropriate, indicates a departure from the Recommendations with an explanation. This Statement should be read in conjunction with the material on our website [www.ptxtherapeutics.com](http://www.ptxtherapeutics.com), including the 2026 Annual Report.

This Statement is current as of 20 August 2026 and has been approved by the Board of Directors of Prescient Therapeutics Limited.

## **PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT**

### **Recommendation 1.1 - Role of the Board and Management**

The role of the Board is to set and approve the strategic direction of the Group, guide and monitor the management of the Company and its businesses, and oversee the corporate governance framework with respect to the Group’s affairs. The Board aims to protect and enhance the interests of its shareholders, while taking into account the interests of other stakeholders, including employees, suppliers, and the wider community.

The Board has a formal Board Charter which is available on our website at <https://prescienttherapeutics.investorportal.com.au/corporate-governance-and-directory/> that clearly sets out those matters expressly reserved for the Board’s determination and those matters delegated to management.

The Board delegates responsibility for the day-to-day management of the Company and its businesses to the Chief Executive Officer (**CEO**). The CEO is supported by the senior executive team and delegates authority to appropriate senior executives for specific activities and transactions via a formal Delegations of Authority policy. The Board maintains ultimate responsibility for strategy, control and risk profile of the Group.

### **Recommendation 1.2: Appointment of Directors**

The Nomination, Remuneration and Governance Committee makes recommendations and facilitates the selection and appointment of Directors. Before the Board appoints a new Director or puts forward a candidate for election, the Nomination, Remuneration and Governance Committee will ensure that appropriate background checks are undertaken.

We provide our shareholders with all material information in our possession that is relevant to their decision on whether or not to elect or re-elect a Director through a number of channels, including via the notice of meeting and other information contained in the 2026 Annual Report.

### **Recommendation 1.3: Appointment Terms**

Upon appointment, each Director receives a letter of appointment which sets out the formal terms of their appointment. Directors also receive a deed of indemnity, insurance and access. Each senior executive has a

written contract with the Company, setting out the terms of their appointment, including remuneration entitlements and performance requirements.

#### **Recommendation 1.4: Company Secretary**

The Board is supported by the Company Secretary, whose role includes advising the Board on governance matters, assisting the Board with meetings and directors' duties, and acting as an interface between the Board and senior executives across the Group. The Board and individual Directors have access to its Company Secretary.

Under the Company's governance framework, the Company Secretary is accountable to the Board, through the Chair, on all matters regarding the proper functioning of the Board. The Board is responsible for the appointment of the Company Secretary.

#### **Recommendation 1.5: Diversity Policy**

The Prescient workforce comprises individuals with diverse skills, backgrounds, perspectives and experiences and this diversity is valued and respected. To demonstrate the Company's commitment to developing measurable objectives to achieve diversity and inclusion in its workplace, the Company has implemented a Diversity Policy which can be viewed at

<https://prescienttherapeutics.investorportal.com.au/corporate-governance-and-directory/>.

The Company's policy has meritocracy as a guiding principle and seeks to align the Company's management systems with its commitment to continue to develop a culture that values and achieves diversity in its workforce and on its Board.

The Board and management consider building a diverse and inclusive workforce as paramount to gaining the best insight into the needs of our stakeholders. A diversity of perspectives and backgrounds also strengthens creativity and innovation in teams. Particular focus is paid to achieving a balance of men and women in senior management positions across the Group. The Board notes that diversity is a multi-faceted consideration involving gender, gender identity or expression, age, race, ethnicity, disabilities, marital status, national origin, socio-economic status, family responsibilities, religious beliefs, cultural background, and sexual orientation. It also refers to diverse ways of thinking and ways of working.

The Company's strategy includes being highly capital efficient while successfully utilising the human resources necessary to conduct state-of-the-art and high-quality operations. To achieve this, we have limited our internal staff to a handful of highly talented and experienced executives and outsourced some of our operations. These outside firms include hospitals, clinical research organisations and contract manufacturing organisations.

During the reporting period, the Board established the following measurable objectives for gender diversity, having regard to the Company's size, stage of development and operational requirements, and assessed the Company's progress against these objectives:

- Board Composition: The Company will seek to achieve and maintain a minimum of 40% representation of women on the Board.
- Senior Executives: The Company will seek to achieve and maintain a minimum of 30% representation of women in senior executive positions.
- Workforce Generally: The Company will seek to achieve and maintain a minimum of 40% representation of women across its workforce generally and will endeavour to ensure that recruitment processes include suitably qualified candidates of different genders, where practicable.

The composition of women on the Board; in senior executive positions; and across the entire organisation as at 30 June 2026 is as follows.

- Women on the Board – 40%
- Women in senior executive positions – 60%
- Women across the entire organisation – 71%

**Senior Executives** means the Company's key management personnel (other than Non-Executive Directors) and any other employees who have authority and responsibility for planning, directing and controlling the activities of the Company.

The Company values diversity and recognises the benefits it can bring to the organisation's ability to achieve its goals.

The Board also values diversity when considering external service providers. The Directors periodically review the Company's policies in the context of the principles of a Diversity Policy as outlined in Recommendation 1.5.

The Nomination, Remuneration and Governance Committee will continue to review the measurable objectives annually.

#### **Recommendation 1.6: Board Performance Assessment**

The Board is committed to formally evaluating its performance, the performance of its committees and individual Directors, as well as the governance processes supporting the Board. The Board does this through an annual assessment process.

In the year ended 30 June 2026, the review process involved:

- Completion of a questionnaire/survey by each Director and senior executives, facilitated by the Company Secretary;
- Preparation and provision of a report to each Director with feedback on the performance of the Board based on the survey results; and
- Board and/or Committee meetings to discuss and document any areas and actions for continuous improvement.

An analysis of the data collected indicated that the Board operates collaboratively and is effective in discharging its duties and obligations.

#### **Recommendation 1.7: Senior Executive Performance Assessment**

Senior Executives are appointed by the CEO and ratified by the Board. Key Performance Indicators (**KPIs**) for senior executives contain specific financial and non-financial objectives. KPIs are approved annually by the Board, and performance against KPIs is evaluated annually. In the case of the CEO, the performance review is conducted by the Chair and the results are reported to the Board. Performance evaluations were undertaken during the reporting period by the Company in accordance with this process.
