The Explanatory Memorandum forms part of the Notice which should be read in its entirety. The Explanatory Memorandum contains the terms and conditions on which the Resolutions will be voted.

Background to the Private Placement

On 18 February 2026, the Company announced that it had received firm commitments from institutional and sophisticated investors to raise A\$1.418 million (before expenses) by the issue of approximately 59.1 million new fully paid ordinary shares (**Placement Shares**), at an issue price of \$0.024 per Placement Share (**Placement**).

Managing Director, Robert Cooper, also committed (subject to shareholder approval) to subscribe on the same terms for 1,000,000 Placement Shares, bringing total commitments received to \$1.442 million.

Participants (including Mr Cooper) in the Placement will also be issued a total of 30.05 million attaching options to acquire Shares (**Placement Options**), on the basis of one option for every two Shares issued, for nil additional consideration, subject to Shareholder approvals sought in this Notice.

The Placement funds will be used for:

- Completing the strategic review of Julia Creek Vanadium project, including follow-up metallurgical test work;
- Pursuing new opportunities identified through the strategic review process;
- Progressing baseline sampling activities associated with the EIS;
- General Working Capital Purposes; and
- Costs of the Placement.

The Placement Shares and Placement Options were issued to those institutional and sophisticated investors who participated in the Placement (**Placement Participants**) as follows:

- (a) 35,459,965 Placement Shares were issued on 24-Feb-26, under the Company's available placement capacity under Listing Rule 7.1 (the subject of Resolution 1); and
- (b) 23,640,035 Placement Shares were issued on 24-Feb-26, under the Company's available Listing Rule 7.1A capacity (the subject of Resolution 2).

Resolutions 1 and 2 seek Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of a total of 59,100,000 Placement Shares to the Placement Participants.

The Company also agreed, subject to obtaining the necessary shareholder approvals, to issue:

- (a) up to 29,549,995 Placement Options (exercisable at \$0.045 each and expiring three months from issue date) to the Placement Participants on the basis of one Placement Option for every two Placement Shares subscribed for under the Placement (the subject of Resolution 3);
- (b) 6,010,000 Options (**Fee Options**) to Oakley Capital Partners Pty Ltd (**Lead Manager**) in its capacity as the lead manager of the Placement (the subject of Resolution 4);
- (c) up to 1,000,000 Placement Shares to Robert Cooper, Managing Director of QEM (the subject of Resolution 5); and
- (d) up to 500,000 Placement Options to Robert Cooper, Managing Director of QEM (the subject of Resolution 6).

As at the date of this Notice, the Placement Options, Lead Manager Options and Placement Shares and Placement Options proposed to be issued to Robert Cooper, have not yet been issued.

Resolutions 3 and 4 seek Shareholder approval pursuant to ASX Listing Rule 7.1 for, respectively, the issue of the Placement Options to the Placement Participants and the issue of the Fee Options to the Lead Manager.

Resolutions 5 and 6 seek Shareholder approval pursuant to ASX Listing Rule 10.11 for, respectively, the issue of the Placement Shares and Placement Options to Robert Cooper, QEM's Managing Director.

Resolutions 1 and 2 – Ratification of prior issue of Placement Shares – Listing Rules 7.1 and 7.1A

As set out in the *Background to the Private Placement* section above, on 24 February 2026 the Company issued 59,100,000 Placement Shares to the Placement Participants (being those institutional and sophisticated investors who participated in the Placement).

A total of 59,100,000 Placement Shares were issued pursuant to the Company's available capacity under Listing Rule 7.1 and Listing Rule 7.1A (which was approved by Shareholders at the Company's annual general meeting held on 26 November 2025).

In accordance with Listing Rule 7.4, Shareholder approval is sought to ratify the issue and allotment of the 59,100,000 Placement Shares. The issue of the Placement Shares did not breach Listing Rule 7.1 at the time of issue.

Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, shareholders can give prior approval (by special resolution at an annual general meeting) to the issue of securities equivalent to an additional 10% of the entity's capital over a 12-month period. Shareholders gave their approval for the issue of additional shares under Listing Rule 7.1A at the last annual general meeting of the Company held on 26 November 2025.

The issue of the Placement Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the date of issue of the Placement Shares under the Placement.

Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rules 7.1 or 7.1A (as appropriate) and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

To this end, Resolution 1 and Resolution 2 seek Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the 59,100,000 Placement Shares referred to above.

Technical information required by Listing Rule 14.1A

If Resolution 1 and Resolution 2 are passed, the Placement Shares will be excluded in calculating the Company's combined 25% placement limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

If Resolution 1 and Resolution 2 are not passed, the Placement Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

In connection with the Placement, the Company will, subject to obtaining Shareholder approval, also issue one free-attaching option in the Company (**Placement Options**) for every two Placement Shares subscribed for under the Placement. The Placement Options are exercisable at \$0.045 per option and will expire on the date which is 3 years from their date of issue.

Resolution 3 is an Ordinary Resolution and seeks Shareholder approval to the issue of the Placement Options for the purposes of Listing Rule 7.1.

A summary of the terms of the Placement Options is set out in Schedule 1 to this Explanatory Memorandum.

Listing Rule 7.1

As discussed above, subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period (**15% Capacity**).

- (b) after it was listed and complied with the Listing Rules when it did so.

If Resolution 3 is passed, the Company will issue up to a total of 29,549,995 Placement Options to the Placement Participants, on the basis of one Placement Options for every two Placement Shares issued to the participant. In addition, those Placement Options, and any Shares issued upon exercise of the Placement Options will be excluded from the calculation of the Company's 15% Capacity under Listing Rule 7.1, maintaining the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the issue of the Placement Options.

If Resolution 3 is not passed, the Company will not be able to issue the Placement Options in relation to the Placement.

Resolution 4 - Approval to issue up to 6,010,000 Fee Options to the Lead Manager

The Fee Options are Equity Securities under the Listing Rules, do not fall into any of the exceptions from Listing Rule 7.1 and exceed the 15% limit in Listing Rule 7.1. As a result, issue of the Fee Options requires approval of Shareholders under Listing Rule 7.1.

Further under Listing Rule 7.2 (*Exception 9*), an issue of Equity Securities on the conversion of 'Convertible Securities' (including options) does not count towards the 15% Capacity provided that the Company issued the Convertible Securities:

- (a) before it was listed and disclosed the existence and material terms of the Convertible Securities in the prospectus, PDS or information memorandum lodged with ASX under the Listing Rule 1.1 condition 3; or

In addition, those Fee Options, and any Shares issued upon the exercise of the Fee Options, will be excluded from the calculation of the Company's 15% Capacity under Listing Rule 7.1, maintaining the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the issue of the Fee Options.

Error! Reference source not found. seeks the approval of Shareholders for the issue of up to 1,000,000 Shares to the Related Party Participant (or his nominee) arising from his participation in the Placement (**Participation**) under and for the purposes of Listing Rule 10.11.

Listing Rule 10.11

The Company proposes to issue Placement Shares to the Related Party Participant. Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to:

- (a) a related party (Listing Rule 10.11.1);
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (30%+) in the company (Listing Rule 10.11.2);
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (10%+) in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so (Listing Rule 10.11.3);
- (d) an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3 (Listing Rule 10.11.4); or
- (e) a person whose relation with the company or a person referred to in Listing Rule 10.11.1 or 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders (Listing Rule 10.11.5),

unless it obtains the approval of its shareholders.

The proposed issue of Shares to the Related Party Participant (or his nominee) falls within Listing Rule 10.11.1 and do not fall within any of the exceptions in Listing Rule 10.12. That proposed issue therefore requires the approval of Shareholders under Listing Rule 10.11.

If **Error! Reference source not found.** is passed, the Company will be able to proceed with the issue of up to 1,000,000 Placement Shares to the Related Party Participant (or his nominee) and the Company will raise approximately \$24,000 from the Related Party Participant.

If **Error! Reference source not found.** is not passed, the Company will not be able to proceed with the issue of up to 1,000,000 Placement Shares to the Related Party Participant and the Company may need to raise additional funds from other investors or through other means. Failure to obtain sufficient financing for the Company's activities and projects may result in delay and indefinite postponement of the Company activities. In turn, this could affect the Company's ability to operate as a going concern. There can be no assurance that additional finance will be available when needed or, if available, that the terms of the financing will be favourable to the Company.

As Shareholder approval is sought under Listing Rule 10.11, approval under Listing Rule 7.1 is not required. Accordingly, the issue of 1,000,000 Placement Shares to the Related Party Participant will not be included under the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

Specific information required by Listing Rule 10.13

Under and for the purposes of Listing Rule 10.13, the following information is provided in relation to the proposed Participation:

- (a) the 1,000,000 Placement Shares will be issued to Director Mr Robert Cooper (or his nominee);

- (b) Mr Robert Cooper is a related party of the Company by virtue of being a Director and falls into the category stipulated by Listing Rule 10.11.1. In the event the 1,000,000 Placement Shares are issued to his nominee, that person will fall into the category stipulated by Listing Rule 10.11.4;
- (c) the maximum number of Placement Shares to be issued to the Related Party Participant (or his nominee) is 1,000,000;
- (d) the 1,000,000 Placement Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (e) the 1,000,000 Placement Shares will be issued to the Related Party Participant (or his nominee) no later than one month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules);
- (f) the issue price will be \$0.024 per Share, being the same issue price as all other Placement Shares issued under the Placement;
- (g) the funds raised will be used for the same purposes as all other funds raised under the Placement (as set out in the *Background to the Private Placement* section above);
- (h) the Participation is not to remunerate or incentivise the Related Party Participant;
- (i) there are no additional material terms with respect to the agreements for the proposed issue of the 1,000,000 Placement Shares; and
- (j) a voting exclusion statement is included in the Notice.

Chapter 2E of the Corporations Act

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

- (a) obtain Shareholder approval in the manner set out in section 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Participation will result in the issue of Shares which constitutes giving a financial benefit and the Related Party Participant is a related party of the Company by virtue of being a Director.

The Board considers that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Participation because the Shares will be issued to the Related Party Participant on the same terms as Shares issued to non-related party participants in the Placement and as such the giving of the financial benefit is on arm's length terms.

Directors' recommendation

The Directors (excluding Robert Cooper) unanimously recommend that Shareholders vote in favour of Resolution 5.

Resolution 6 - Approval to issue up to 500,000 Placement Options to Director

As set out in the *Background to the Private Placement* section above QEM's Managing Director, Robert Cooper or his nominee (**Related Party Participant**), wishes to participate in the Placement, on the same terms as the Placement Participants, investing \$24,000 by subscribing for 1,000,000 Placement Shares (and 500,000 free attaching Placement Options). As Mr Cooper is a related party, this requires shareholder approval.

Error! Reference source not found. seeks the approval of Shareholders for the issue of up to 500,000 Placement Options to the Related Party Participant (or his nominee) arising from his participation in the Placement (**Participation**) under and for the purposes of Listing Rule 10.11.

Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to:

- (a) a related party (Listing Rule 10.11.1);
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (30%+) in the company (Listing Rule 10.11.2);
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (10%+) in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so (Listing Rule 10.11.3);
- (d) an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3 (Listing Rule 10.11.4); or
- (e) a person whose relation with the company or a person referred to in Listing Rule 10.11.1 or 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders (Listing Rule 10.11.5),

unless it obtains the approval of its shareholders.

The proposed issue of Shares to the Related Party Participant falls within Listing Rule 10.11.1 and do not fall within any of the exceptions in Listing Rule 10.12. That proposed issue therefore requires the approval of Shareholders under Listing Rule 10.11.

If **Error! Reference source not found.** is passed, the Company will be able to proceed with the issue of up to 500,000 Placement Options to the Related Party Participant.

If **Error! Reference source not found.** is not passed, the Company will not be able to proceed with the issue of up to 500,000 Placement Options to the Related Party Participant (or his nominee).

As Shareholder approval is sought under Listing Rule 10.11, approval under Listing Rule 7.1 is not required. Accordingly, the issue of 500,000 Placement Options to the Related Party Participant will not be included under the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

Specific information required by Listing Rule 10.13

Under and for the purposes of Listing Rule 10.13, the following information is provided in relation to the proposed Participation:

- (a) the 500,000 Placement Options will be issued to Director Mr Robert Cooper (or his nominee);
- (b) Mr Robert Cooper is a related party of the Company by virtue of being a Director and falls into the category stipulated by Listing Rule 10.11.1. In the event the 500,000 Placement Options are issued to his nominee, that person will fall into the category stipulated by Listing Rule 10.11.4;
- (c) the maximum number of Placement Options to be issued to the Related Party Participant (or his nominee) is 500,000;

- (d) the 500,000 Placement Options issued will be issued on the same terms and conditions as the Company's other Placement Options (as set out in Schedule 1);
- (e) the 500,000 Placement Options will be issued to the Related Party Participant (or his nominee) no later than one month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules);
- (f) the Placement Options are issued for nil consideration as free options attaching to Placement Shares the subject of Resolution 5;
- (g) no funds will be raised by the issue of the Placement Options to the Related Party Participant, as they are issued as free attaching options to the relevant Placement Shares;
- (h) the Participation is not to remunerate or incentivise the Related Party Participant;
- (i) there is no agreement for the proposed issue of the 500,000 Placement Options other than the commitment pursuant to which Mr Cooper committed to participate in the Placement; and
- (j) a voting exclusion statement is included in the Notice.

Chapter 2E of the Corporations Act

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

- (f) obtain Shareholder approval in the manner set out in section 217 to 227 of the Corporations Act; and
- (g) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Participation will result in the issue of Placement Options which constitutes giving a financial benefit and the Related Party Participant is a related party of the Company by virtue of being a Director.

The Board considers that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Participation because the Shares and Options will be issued to the Related Party Participant on the same terms as Shares and Options issued to non-related party participants in the Placement and as such the giving of the financial benefit is on arm's length terms.

Directors' recommendation

The Directors (excluding Rober Cooper) unanimously recommend that Shareholders vote in favour of Resolution 6.
