

ASX Announcement

Coffee Microcaps Webinar – Thursday, 30 July @ 11:30 am AEST

29 July 2026, RocketDNA Ltd (ASX: RKT) (RocketDNA or the Company), a technology services company that leverages AI and Autonomous Drones to provide mission-critical services for enterprise customers, is pleased to invite shareholders and interested parties to tomorrow's **Coffee Microcaps Webinar**.

Chris Clark, MD and CEO of RocketDNA, will present the June 2026 quarterly results.

Q2 delivered the second consecutive quarter of positive net operating cash flow (\$60k), with Q2 FY26 Revenue of \$2.53m, up 2% on Q1 FY26 and up 52% on Q2 FY25.

During the quarter, RocketDNA continued to scale its autonomous drone platform across enterprise mining customers, with its flagship BHP Mitsubishi Alliance (**BMA**) deployment maturing into one of the largest continuous autonomous drone operations in Australia. The Company progressed the rollout of its proprietary Skylink® operating system, deepened adoption of the SiteTube® data platform, and subsequent to quarter-end, entered into a software-integration MOU with Deswik, reinforcing its strategy of embedding drone-captured data directly into core mine-planning workflows.

Investor Q&A to follow.
