

ASX ANNOUNCEMENT

5 December 2025

Rumble Launches Interactive Investor Hub

Rumble Resources Limited (ASX:RTR) is pleased to advise that it has entered into a partnership with InvestorHub, a direct-to-investor engagement platform that enables listed companies to build more interactive and transparent relationships with investors.

In line with the Company's ongoing commitment to strengthening communication and transparency with shareholders, Rumble has launched its new interactive investor hub – a central platform designed to keep investors informed, engaged, and connected to the Company's operations and strategic growth initiatives.

Through the hub, stakeholders can access ASX announcements, operational updates, project insights, video content, and key commentary as Rumble Resources continues advancing its exploration and development activities across its portfolio of projects.

The Company will also be regularly uploading new content to the hub, including CEO updates, project milestones, and educational material designed to give investors deeper insight into Rumble's growth strategy and value creation.

Rumble's Managing Director & CEO, Peter Harold, commented: *"we are delighted to have entered this partnership with InvestorHub as we strive to continue to improve interaction with our existing shareholder and potential new investors. There is a lot going on at Rumble as we move rapidly towards gold production from Western Queen and look to grow the gold and tungsten resources with the current 20,000m infill and extensional diamond drilling program. InvestorHub will allow existing and potential investors another avenue to get up to date information on Rumble's activities."*

Peter Harold has included a video to go with this announcement; the video can be found by clicking on the following link: <https://investors.rumblersources.com.au/link/yMN5Ee>
