Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

1. the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way;

2. if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands;
3. if the proxy is the Chair at which the resolution is voted on – the proxy must vote on a poll, must vote that way; and

3. at the meeting, a poll is duly demanded on the resolution; and
4. either of the following applies:
 - (a) the proxy is not recorded as attending the meeting;
 - (b) the proxy does not vote on the resolution,

the Chair is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

Any corporate Shareholder who has appointed a person to act as its corporate representative at the Annual General Meeting must comply with the execution and appointment requirements set out on the Proxy Form and otherwise with the provisions of sections 127 and 250D of the Corporations Act or with the legal requirements of the country in which that corporate Shareholder was incorporated. The representative should be provided with a certificate or letter authorising him or her to act as that Company's representative including any authority under which it is signed. The authority may be sent to the Company and/or registry in advance of the Annual General Meeting or handed in at the Annual General Meeting when registering as a corporate representative.

Entitlement to attend and vote

In accordance with Regulations 7.11.37 and 7.11.38 of the Corporations Regulations 2001 (Cth), the Board has determined that, for the purposes of the Annual General Meeting, Shareholders are those persons who are the registered holders of Shares in the Company at 4pm (WST) on 22 November 2025. Accordingly, transactions registered after that time will be disregarded in determining a Shareholder's entitlement to attend and vote at the Meeting.

By order of the Board of Directors:

Matthew Howard
Strategic Elements Limited

Explanatory Notes

1 Accounts and Reports

The Corporations Act requires the financial report and the reports of the Directors and Auditor to be laid before the Annual General Meeting and the Company's Constitution provides for these reports to be received and considered. Neither the Corporations Act nor the Constitution requires a vote of Shareholders at the Annual General Meeting on these reports.

Shareholders will be offered the opportunity to:

- (a) discuss the Annual Report for the financial year ended 30 June 2025 which is available on the ASX platform at www.asx.com.au;
- (b) ask questions or make comment on the management of the Company; and
- (c) ask the Auditor questions about the conduct of the audit and the preparation and content of the Auditor's report.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or the Company's Auditor about:

- (a) the preparation and content of the Auditor's report;
- (b) the conduct of the audit;
- (c) accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the Auditor in relation to the conduct of the audit,

may be submitted no later than 5 business days before the Meeting to the company secretary at the Company's registered office.

2 Resolution 1: Remuneration Report

2.1 Introduction

The Remuneration Report discloses the remuneration of Directors of the Company. This report can be found within the Directors Report of the Annual Report.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and
- (c) sets out remuneration details for each Director and each of the Company's executives and group executives named in the Remuneration Report for the financial year ended 30 June 2025.

Section 250R(2) of the Corporations Act requires companies to put a resolution to their members that the Remuneration Report be adopted. The vote is advisory only and does not bind the Directors or the Company. The Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

The Chair will give Shareholders a reasonable opportunity to ask questions about or to make comments on the Remuneration Report.

2.2 Voting consequences

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution to approve calling an extraordinary general meeting at which all of the Company's Directors who were directors when the resolution to make the directors report considered at the later annual general meeting was passed (other than the Managing Director) must go up for re-election (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene an extraordinary general meeting (**Spill Meeting**) within 90 days of the Company's second annual general meeting. All of the directors of the company who were directors of the Company when the resolution to make the directors' report considered at the second annual general meeting was passed, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting

Voting on Resolution 1 may be determined by a poll at the Meeting rather than a show of hands.

2.4 Board Recommendation

The Directors decline to make a recommendation as to how Shareholders should vote in respect of Resolution 1 as they each have an interest in the outcome of the Resolution.

3 Resolutions 2 and 3 - Grant of Performance Rights to Mr Charles Murphy and Mr Elliot Nicholls

3.1 Introduction

The Company believes that achieving significant milestones in Australian Advanced Materials (**AAM**) and Stealth Technologies (**Stealth**) will generate value for all Shareholders.

For AAM, a significant milestone will be the validation of the Energy Ink™ through external collaboration with a significant and strategic organisation which will accelerate both technical and commercial progress.

For Stealth Technologies, a significant milestone will be the demonstration of commercial traction and validation of customer demand through actual cash receipts and confirmed operating performance.

As such, the Performance Hurdles relating to the Performance Rights the subject of Resolutions 2 and 3 have been structured as follows (collectively, the Performance Hurdles):

Objective	Performance Hurdle
Validates Energy Ink™ through external collaboration and accelerates technical and commercial progress.	50% of the Performance Rights to be issued the subject of the relevant Resolution will vest on execution of a joint development agreement between AAM and a recognised expert organisation in printed electronics, materials, energy systems or a potential end-user customer. (AAM Performance Hurdle)

Demonstrates commercial traction and validates customer demand through actual cash receipts and confirmed operating performance.	50% of the Performance Rights to be issued the subject of the relevant Resolution will vest on receipt of cumulative customer payments of at least A\$500,000 from executed contracts, or Stealth detailing in a quarterly report that it has achieved profitability. (Stealth Performance Hurdle)
--	---

Resolutions 2 and 3 seek Shareholder approval to issue 5,680,000 Performance Rights under the Plan to Mr Charles Murphy and 4,120,000 Performance Rights under the Plan to Mr Elliot Nicholls. The issue of Performance Rights to Mr Charles Murphy and Mr Elliot Nicholls or their respective nominees is proposed on the terms and conditions set out below.

The performance period is three years from the date of Shareholder approval (**Performance Period**). The Performance Rights will vest on the achievement of the AAM Performance Hurdle or the Stealth Performance Hurdle (as applicable).

Resolution 3 (being the issue of Performance Rights to Elliot Nicholls) is subject to and conditional on Resolution 4 (being the re-election of Mr Nicholls) being approved by Shareholders.

3.2 Vesting Conditions of the Performance Rights

The Company has determined that under the Plan, the Performance Rights will vest subject to the achievement of the hurdle and the terms and conditions of the Plan. The Performance Period commences from the date of shareholder approval of Resolutions 2 and 3 respectively.

The Performance Hurdles and proposed Performance Rights issues are summarised below:

Performance Hurdle	Performance Rights	Recipients
AAM Performance Hurdle	2,840,000	Mr Murphy
Stealth Performance Hurdle	2,840,000	Mr Murphy
AAM Performance Hurdle	2,060,000	Mr Nicholls
Stealth Performance Hurdle	2,060,000	Mr Nicholls

If either the AAM Performance Hurdle or the Stealth Performance Hurdle is satisfied, the vesting of the Performance Rights to which that Performance Hurdle relates will occur subject to the terms and conditions of the Plan. The Performance Rights lapse if and to the extent that the performance conditions are not met. There is no re-testing.

Each Performance Right, once vested, entitles the holder to be issued one fully paid ordinary share in the capital of the Company. Performance Rights may be issued directly or as a Performance Unit (referrable to a Performance Right) allocated by a trustee appointed by the Company and upon such additional terms as the Board determines.

3.3 Chapter 2E of the Corporations Act

Section 208 of the Corporations Act (set out in Chapter 2E) requires a public company to obtain the approval of its shareholders before providing a financial benefit to a 'related party' of the company for the purposes of the Corporations Act (e.g. a director or an entity controlled by a director), unless giving the financial benefit falls within a prescribed exception. Any financial benefit approved by shareholders must be provided within 15 months of the approval.

The proposed issue of the Performance Rights to Mr Murphy and Mr Nicholls constitutes giving a financial benefit for the purposes of section 208 of the Corporations Act on the basis that they are each a related party of the Company by virtue of being Director.

Section 211 of the Corporations Act provides that shareholder approval is not required for a company to give a financial benefit to a related party in circumstances where the benefit constitutes remuneration which would be reasonable given the company's and the related party's circumstances.

The Directors to which Performance Rights are not proposed to be issued in respect of each Resolution (being the members of the Board eligible to consider the matter) consider that Shareholder approval pursuant to section 208 of the Corporations Act is not required in respect of the relevant Resolution, on the basis that the giving of such financial benefit is reasonable given the Company's circumstances and the circumstances of each of Mr Murphy and Mr Nicholls (as applicable).

3.4 Listing Rule 10.14

Listing Rule 10.14 requires an entity to obtain the approval of its shareholders before issuing or agreeing to issue Equity Securities (including Performance Rights) under an employee share scheme (e.g. the Plan) to a 'related party' of the Company for the purposes of the Listing Rules, subject to certain specific exceptions in Listing Rule 10.16.

None of the exceptions apply to the proposed issue of Performance Rights under Resolutions 2 and 3.

In accordance with Listing Rule 10.14, the Company is seeking Shareholder approval for the grant of Performance Rights to each of Mr Murphy and Mr Nicholls under the Plan.

Approval pursuant to Listing Rule 7.1 is not required in order to issue the Performance Rights as approval is being obtained under Listing Rule 10.14. The issue of Performance Rights to the Related Parties will not be included in the 15% calculation for the purposes of Listing Rule 7.1.

3.5 Information required by Listing Rule 14.1A

If Resolution 2 is passed, the Company will be able to issue up to 5,680,000 Performance Rights under the Plan to Mr Murphy (or his nominee). The Performance Rights will only convert to Shares subject to achievement of the Performance Hurdles.

If Resolution 3 is passed, the Company will be able to issue up to 4,120,000 Performance Rights under the Plan to Mr Nicholls (or his nominee). The Performance Rights will only convert to Shares subject to achievement of the Performance Hurdles.

As Shareholder approval pursuant to Listing Rule 7.1 is not required for the issue of the Performance Rights (because shareholder approval is being obtained under Listing Rule 10.14), the issue of Performance Rights the subject of Resolutions 2 and 3 (if approved) will not use up any of the Company's 15% placement capacity.

If Resolutions 2 and 3 are not approved, the Company will not be able to proceed with the respective issues to Mr Murphy and Mr Nicholls (as applicable) and the Company may consider alternative forms of remuneration for Mr Murphy and Mr Nicholls, such as cash, which may not be as cost effective for the Company.

3.6 Information required pursuant to Listing Rule 10.15

The following information is provided to Shareholders in relation to Resolutions 2 and 3 for the purposes of Listing Rule 10.15:

- (a) As at the date of this Notice, it is intended that Mr Charles Murphy will nominate Robinia Partners Pty Ltd (ACN 019 017 627) as his nominee to receive the Performance Rights the subject of Resolution 2, being a consulting entity associated with Mr Murphy, in its own right as consideration for consulting services provided under the Consulting Services Agreement dated 1 July 2024.

As at the date of this Notice, it is intended that Mr Elliot Nicholls will nominate Ark N Pty Ltd (ACN 148 007 952) as his nominee to receive the Performance Rights the subject of Resolution 3, being a consulting entity associated with Mr Nicholls, in its own right as consideration for consulting services provided under the Consulting Services Agreement dated 1 July 2024.

Each recipient falls within Listing Rule 10.14.1 by virtue of being a Director. Any nominees of Mr Murphy or Mr Nicholls who receive Performance Rights may constitute 'associates' for the purposes of Listing Rule 10.14.2.

- (b) The maximum number of Performance Rights to be granted (being the nature of the financial benefit to be given) is 9,800,000 comprising 5,680,000 Performance Rights to Mr Charles Murphy (or his nominee) and 4,120,000 Performance Rights to Mr Elliot Nicholls (or his nominee).
- (c) Details (including the amount) of each Director's current total remuneration package as at the date of this Notice is set below.

Director	Current Total Remuneration Package	Component

Elliot Nicholls	\$212,000 \$32,500 ² (calculated value of Performance Rights when the Plan was approved by shareholders on 13 Nov 2024)	Cash 2,500,000 Performance Rights (unvested and will only convert to Shares subject to achievement of the performance hurdle approved by shareholders in 2024)

^{1,2}: The calculation of the value the Company attributes to the Performance Rights referred to in the above table is set out in Part A of Schedule 3.

- (d) Since the Plan was last approved on 13 November 2024 by Shareholders, Mr Charles Murphy and Mr Elliot Nicholls each received a total of 2,500,000 Performance Rights each for nil consideration. No issued Performance Rights were converted to Shares.
- (h) A summary of the material terms of the Performance Rights is provided in **Schedule 2**.
- (i) Performance Rights are being issued as consideration for consulting services provided to the Company.
- (j) The Company attributes a value of \$70,290 for the Performance Rights proposed to be issued to Mr Murphy and a value of \$50,985 for the Performance Rights proposed to be issued to Mr Nicholls for the Performance Rights proposed to be issued on the basis set out in Part B of **Schedule 3**.
- (k) The Performance Rights will be issued to Mr Charles Murphy and Mr Elliot Nicholls (or their nominee) no later than 3 years after the date of the Meeting.

- (l) The Performance Rights are being issued for nil cash consideration under the terms of the Plan as consideration for consulting services provided to the Company.
- (m) A summary of the material terms of the Plan is provided in **Schedule 1**.
- (n) No loan will be made to Mr Charles Murphy or Mr Elliot Nicholls in relation to the acquisition of Performance Rights under Resolutions 2 and 3.
- (o) Details of any securities issued under the Plan will be published in each annual report of the Company relating to a period in which they were issued, with a statement that approval for the issue was obtained under Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the Plan after Resolutions 2 and 3 are approved and who were not named in the Notice will not participate until approval is obtained under that rule.
- (p) A voting exclusion statement in relation to each of Resolution 2 and Resolution 3 is included in the Notice.

3.7 Directors' recommendation

The Board (excluding Charles Murphy, who has a material personal interest in the outcome of the Resolution and declines to make a recommendation) consider that the compensation represented by the issue of the Performance Rights are an efficient means for the Company to remunerate Mr Murphy while preserving the Company's cash reserves and recommend Shareholders vote in favour of Resolution 2.

The Board (excluding Elliot Nicholls, who has a material personal interest in the outcome of the Resolution and declines to make a recommendation) consider that the compensation represented by the issue of the Performance Rights are an efficient means for the Company to remunerate Mr Nicholls while preserving the Company's cash reserves and recommend Shareholders vote in favour of Resolution 3.

4 Resolution 4: Re-election of Mr Elliot Nicholls as a Director

4.1 Background

The Company's Constitution requires that one-third of the Directors retire by rotation at each Annual General Meeting and that Directors appointed by the Board hold office until the next annual general meeting.

Listing Rule 14.5 requires that an entity which has directors must hold an election of directors at each annual general meeting.

Mr Nicholls was first appointed as a Director on 7 January 2009 and is a Director of the Company. In accordance with Clause 11.3 of the Company's constitution Mr Nicholls retires from office and offers himself for re-election under Clause 11.4 of the Company's constitution.

Further information on Mr Elliot Nicholls can be found in the Directors' Report contained within the Annual Report.

If Resolution 4 is not passed, Mr Nicholls will not be re-elected to his current directorship position.

4.2 Board Recommendation

The Board, other than Mr Elliot Nicholls, unanimously recommends that Shareholders vote in favour of Resolution 4. Mr Nicholls declines to make a voting recommendation noting his interest in the Resolution.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation. A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

6. **Grant of Securities:** The Company will, to the extent that it has accepted a duly completed application, grant the successful Eligible Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
7. **Issue of Plan Shares:** The Company will, to the extent that it has accepted a duly completed application, and deduction of any shares in lieu contribution, either issue, transfer or allocate to the Participant the relevant number of Plan Shares, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
8. **Maximum allocation:** The Company must not make an offer of Securities under the Plan in respect of which monetary consideration is payable where the total number of Plan Shares that may be issued, or acquired upon exercise of Plan Convertible Securities offered, when aggregated with the number of Shares issued or that may be issued as a result of offers made under the Plan at any time during the previous 3 year period would exceed 5% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company's Constitution from time to time.
9. **Terms of Convertible Securities:** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan. Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.
10. **Vesting of Convertible Securities:** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
11. **Exercise of Convertible Securities and cashless exercise:** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation. At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities. Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation. A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

12. **Delivery of Shares on exercise of Convertible Securities:** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
13. **Forfeiture of Convertible Securities:** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (a) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
 - (b) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.
14. **Uncontrollable event:** In the event of an uncontrollable event (such as death, serious injury, disability or illness, which renders the Participant incapable of continuing their employment with the Company, redundancy, removal of a Board member or other defined events), any unvested Convertible Securities will vest. The Participant may, at any time prior to the first to occur of the Expiry Date and 3 months (or such other period as the Board shall, in its absolute discretion, determine) from the date on which the Participant ceased that employment or engagement, exercise all vested Convertible Securities in accordance with the Plan rules. Unless as otherwise set out in the Plan rules, any Convertible Securities not so exercised will lapse and be forfeited.
15. **Change of control:** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
16. **Rights attaching to Plan Shares:** All Shares issued under the Plan or issued or transferred to an ESS Participant upon the valid exercise of a Convertible Security, (Plan Shares) will rank *pari passu* in all respects with the Shares of the same class. An ESS Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. An ESS Participant may exercise any voting rights attaching to Plan Shares.
17. **Disposal restrictions on Securities:** If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by an ESS Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.
18. **Adjustment of Convertible Securities for capital events:** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), a rights issue, or any other such event the Board considers significant to the operation of the Plan, the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation. If Shares are issued by the

Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

19. **Other capital events:** If the Company announces a priority issue in relation to an initial public offering of an Investee or an in-specie distribution of shares of an Investee, all unvested Convertible Securities will automatically vest and any Shares issued as a result must be issued 3 days prior to any relevant Record Date.
20. **Participation in new issues:** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
21. **Alteration of Shares in lieu Contribution:** A Participant may, in Special Circumstances, request in writing to the Board, to vary the Participants Shares in lieu contribution amount, which the Board may accept or decline in its sole and absolute discretion.
22. **Termination of Shares in lieu Contributions:** A Participant may in writing to the Board, request to terminate a prior Shares in lieu arrangement and their participation in the Plan at any time. Subject to Applicable Law, with effect from the time the Board receives a termination notice, the Shares in lieu arrangement will be terminated and no further Shares in lieu contributions for Participant Shares will be made in respect of the Participant and no Participant Shares will be granted, issued, transferred or allocated to the Participant in consideration for any Shares in lieu contributions made under the Plan that have not at the time of the receipt of the Termination Notice been used for or applied to the grant of the Participant Shares and any such amounts will be repaid to the Participant with any interest.
23. **Amendment of Plan:** The Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. However, no amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
24. **Income Tax Assessment Act:** the Plan is a plan to which Subdivision 83A-C of the *Income Tax Assessment Act 1977* (Cth) applies (subject to the conditions in that Act) except to the extent that an invitation provides otherwise.

Schedule 3: Value attributed by Company to Performance Rights and basis

Part A: Current Remuneration Package

The calculation of the value the Company attributes to the Performance Rights which form part of the Director's Current Total Remuneration Package referred to in Section 3.6(c) was disclosed in the 2024 Notice of Meeting (**2024 Performance Rights**) and is set out below:

For the purposes of valuing the 2024 Performance Rights, the Company has used a probability model which calculated the value over the 3 year performance period commencing from the date of Shareholder approval (**2024 Performance Rights Period**) based on the probability of attaining the hurdle, the number of shares issued assuming the performance rights are converted and the share price at the time of the 2024 Notice of Meeting and subject to the hurdles being achieved within the 2024 Performance Rights Period. The maximum value attributed to each director for the 2024 Performance Rights is \$32,500.

Vesting conditions

The vesting condition for the 2024 Performance Rights is the transfer of the Energy Ink technology to a commercial production facility and manufacture a minimum volume of 1000 prototype Energy Ink cells and the Directors remaining in continuous employment with the Company over the Performance Period.

Part B: Performance Rights under Resolutions 2 and 3

The Company obtained an independent valuation model of the proposed issue of Performance Rights in Resolutions 2 and 3 (**2025 Performance Rights**). The proposed performance hurdles are:

- 50% of the Performance Rights to be issued the subject of the relevant Resolution will vest on execution of a joint development agreement with a recognised expert organisation in printed electronics, materials, energy systems or a potential end-user customer. (**AAM Performance Hurdle**).
- 50% of the Performance Rights to be issued the subject of the relevant Resolution will vest on receipt of cumulative customer payments of at least A\$500,000 from executed contracts, or Stealth detailing in a quarterly report that it has achieved profitability. (**Stealth Performance Hurdle**).

The valuation model utilises a probability tree to breakdown the proposed hurdles. This resulted in a likely achievement probability of 20% for the AAM Performance Hurdle and a likely achievement probability of 17.5% for the Stealth Performance Hurdle. The probability is then multiplied by the closing price of 6.6c (13 October 2025) and the number of performance rights for each recipient as disclosed in s3.6(j)

If the relevant performance hurdle is met within 3 years of the date of Shareholder approval (**2025 Performance Rights Period**), those 2025 Performance Rights which are subject to that performance hurdle will vest to the holder as described in the Explanatory Notes.

Vesting conditions

The vesting condition for the 2025 Performance Rights is based on the achievement of the AAM Performance Hurdle and the Stealth Performance Hurdle.

For the purposes of valuing the 2025 Performance Rights, the Company has used a probability model which calculated the value over the 2025 Performance Rights Period based on the probability of attaining the hurdle, the number of shares issued assuming the performance rights are converted and the share price at the time of this Notice of Meeting. A value of \$70,290 for the Performance Rights proposed to be issued to Mr Murphy and a value of \$50,985 for the Performance Rights proposed to be issued to Mr Nicholls over the 2025 Performance Rights Period.

23 October 2025

Dear Shareholder,

The past year has been one of the most significant in Strategic Elements' history. The Company achieved major technical and business milestones while positioning for the next phase of growth — a phase intended to be increasingly defined by revenue generation and commercial partnerships.

Remuneration Context

The SOR executive team carries multiple concurrent responsibilities — spanning corporate management, venture oversight, finance, compliance and R&D leadership — that would typically be separate, individually paid roles in other listed companies. Overall, the Board's cash remuneration remains well below that of comparable ASX small-cap technology peers. The performance rights now proposed are designed to recognise this contribution and align future reward entirely with externally validated technical and business milestones, rather than with salary increases or cash bonuses.

Energy Ink™ — Key Step Toward Global Collaboration

The Company recently achieved a significant breakthrough: Energy Ink™ was successfully fabricated for the first time in a commercial printing facility using industrial equipment common to consumer, defence and healthcare sectors. This established reproducibility outside the laboratory and created the foundation for collaboration with international printed-electronics centres and potential end-users.

Stealth Technologies — Mining and Defence Applications

Stealth Technologies signed a Memorandum of Understanding with an Australian mining company to explore underground deployment of its EdgelQ system. Pilot projects are expected to validate performance in live operations and open pathways to early revenue. Stealth is also evaluating opportunities to extend its autonomous and sensing capabilities into defence and national-security programs.

Cognition Engines — Artificial Intelligence Venture

The Company launched Cognition Engines, targeting enabling technologies that make artificial intelligence more practical, reliable and secure — positioning SOR within one of the fastest-growing global technology sectors, with applications across industry and defence.

Alignment of Management and Shareholders

The performance rights proposed in the resolutions will vest only on achievement of independently verified milestones such as Energy Ink™ collaboration or pilot agreements, and Stealth contracts generating customer receipts. The explanatory information within the Notice of Meeting is disclosed according to ASX Listing Rule 10.14 and reflects accepted small-cap governance standards that reward measurable value creation, not tenure or share-price movement.

The Board believes this structure remains both reasonable and defensible, ensuring that management success is directly linked to shareholder outcomes.

Thank you for your continued support as we progress our Australian-developed innovations toward global collaboration and commercial application.

Yours sincerely,

Charles Murphy
Managing Director & Chairman
Strategic Elements Ltd
