Explanatory Statement

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the General Meeting.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the Resolutions in the accompanying Notice of General Meeting.

This Explanatory Statement should be read in conjunction with the Notice of Annual General Meeting. Capitalised terms in this Explanatory Statement are defined in the Glossary or otherwise in the Explanatory Statement.

1. Annual Financial Report

The Corporations Act requires that the annual financial statements, Directors' report and Auditor's report of the Company for the year ended 30 June 2025 be tabled at the Meeting. These reports are contained in the 2025 Annual Report which is available on the Company's website, <https://investorhub.spectur.com.au/announcements>.

Shareholders will be given reasonable opportunity to raise questions on these reports and ask questions of the Auditor.

2. Resolution 1: Adoption of Remuneration Report

2.1 Background

Pursuant to section 250R(2) of the Corporations Act, the Company submits to Shareholders for consideration and adoption, by way of a non-binding resolution, its remuneration report for the year ended 30 June 2025 (the **Remuneration Report**). The Remuneration Report is a distinct section of the annual directors' report (the **Directors' Report**) which deals with the remuneration of Directors, executives and senior managers of the Company. More particularly, the Remuneration Report can be found within the Directors' Report in the Company's 2025 Annual Report. The Annual Report will be available on the Company's website at <https://investorhub.spectur.com.au/announcements>.

By way of summary, the Remuneration Report:

- explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- addresses the relationship between the Company's remuneration policy and the Company's performance; and
- sets out the remuneration details for each Director and executive officer named in the Remuneration Report for the financial year ended 30 June 2025.

The remuneration levels for Directors, executives and senior managers are competitively set to attract and retain appropriate Directors and key management personnel.

The Chair of the Meeting will provide a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Report.

The vote on Resolution 1 is advisory only and does not bind the Directors or the Company. Notwithstanding, the Board will take the outcome of the vote into consideration when considering remuneration policy of the Company going forward.

2.2 Directors' recommendation

The Directors decline to make a recommendation as to how Shareholders should vote in respect of Resolution 1 as they each have an interest in the outcome of the Resolution.

3. Resolution 2: Re-election of Director by Rotation – Darren Cooper

3.1 Background

Darren Cooper has served as Chair of the Company from his appointment on 5 October 2018.

Mr Cooper will retire at the Meeting by rotation, and being eligible, submits himself for re-election.

Resolution 2 is an ordinary resolution for the re-election of Mr Cooper as a Director. If the Resolution is not passed, Mr Cooper will not be re-elected as a Director.

3.2 Listing Rule and Constitutional requirements

Listing Rule 14.4 provides, among other things, that a director of an entity must not hold office (without re-election) past the third annual general meeting of the entity following the director's appointment, or 3 years, whichever is the longer.

Listing Rule 14.5 requires that an entity which has directors must hold an election of directors at each annual general meeting. The note to the rule provides that if no director is required to stand for re-election under Listing Rule 14.4, an entity must select at least one director to stand for re-election by calling for a volunteer or by drawing lots. The rule does not apply to the entity's managing director, unless there is more than one managing director, in which case only one is entitled not to be subject to re-election.

Articles 6.3(b) to (f) of the Constitution substantially reflect the director rotation requirements of Listing Rules 14.4. They provide that the Directors to retire are:

- those who have held their office as Director the longest period of time since their last election or appointment to that office; and
- if two or more Directors have held office for the same period of time, those Directors determined by lot, unless those Directors agree otherwise,

and those Directors who retire are eligible for re-election.

3.3 Biography

Darren Cooper spent in excess of 20 years with various companies in management and senior executive roles. Darren now holds a number of Board and Strategic Advisory roles across a range of industries including government, property, construction and aged care. He is also an investor in and director of a range of technology & media-based start-up businesses. Mr Cooper is also the Chair of Development WA, a large WA State Government Trading Enterprise, and chairs the Advisory Board for a large private civil engineering business. He provides investment, advisory, strategy development, and implementation across a wide range of industries. Directors' recommendation

3.4 Directors' recommendation

The Directors (other than Mr Cooper) support the re-election of Mr Cooper and recommend that Shareholders vote in favour of Resolution 2. Mr Cooper declines to make a voting recommendation noting his interest in the Resolution.

4. Resolution 3 – Re-election of Director – Santo Carlini

4.1 Background

The Company announced on 23 October 2025 that it intends to appoint Santo Carlini as an additional non-executive Director effective 1 November 2025. Mr Carlini offers himself for re-election at this Meeting.

Resolution 3 is an ordinary resolution to approve the re-election of Santo Carlini as Director.

If Resolution 3 is not passed, Mr Carlini will not be re-elected to his current directorship position.

4.2 Listing Rule and Constitutional requirements

Under Listing Rule 14.4, a Director appointed to fill a casual vacancy or as an addition to the Board must not hold office, without re-election, past the next annual general meeting of the Company.

Article 6.2(b) of the Company's Constitution enables the Directors to appoint any person as Director. Article 6.3(i) of the Constitution provides that a Director appointed pursuant to article 6.2(b) may retire at the next general meeting of the Company and is eligible for re-election at that meeting. Pursuant to article 6.3(j) of the Constitution, a Director appointed under article 6.2(b) who does not retire under article 6.3(i) must retire at the next annual general meeting of the Company, and is eligible for re-election at that meeting.

Listing Rule 14.4 and articles 6.3(i) and 6.3(j) of the Constitution do not apply to the Company's Managing Director.

As the Meeting is the Company's first annual general meeting since Mr Carlini's appointment, in accordance with Listing Rule 14.4 and article 6.3(i) of the Constitution, Mr Carlini retires and seeks re-election as a Director.

4.4 Directors' recommendation

The Directors (other than Mr Carlini) support the re-election of Mr Carlini and recommend that Shareholders vote in favour of Resolution 3. Mr Carlini declines to make a voting recommendation noting his interest in the Resolution.

5. Resolutions 4 & 5: Ratification of issue of Placement Shares

5.1 Background

On 23 October 2025, the Company announced that it had received commitments to raise \$2,300,000 (before costs) by issue of 76,666,667 ordinary Shares in the Company (**Placement Shares**), at an issue price of \$0.03 per Placement Share, to various institutional and sophisticated investors (**Placement Participants**) (the **Placement**). The issue of the Placement Shares is comprised of:

- 45,151,655 Placement Shares issued using the Company's placement capacity under Listing Rule 7.1; and
- 31,515,012 Placement Shares issued using the Company's placement capacity under Listing Rule 7.1A.

The Company entered into a lead manager agreement with Morgans Corporate Limited (ABN 32 010 539 607) (**Lead Manager**) to the Placement (**Lead Manager Agreement**). In accordance with the terms of the Lead Manager Agreement, the Company has agreed to pay the Lead Manager (or its nominee(s)) a lead manager fee of 6% (excluding GST) of the total funds raised under the Placement. The Lead Manager Agreement otherwise contains terms which are standard for an agreement of this type.

Resolution 4 seeks ratification and approval by Shareholders of the issue of the 45,151,655 Placement Shares under the Company's Listing Rule 7.1 placement capacity.

Resolution 5 seeks ratification and approval by Shareholders of the issue of the 31,515,012 Placement Shares under the Company's Listing Rule 7.1A placement capacity.

The agreement to issue did not breach the Company's collective Listing Rule 7.1 and 7.1A capacity at the date of the agreement to issue.

5.2 Listing Rules requirements

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issued at the start of that period.

Listing Rule 7.1A provides that, in addition to issues permitted without prior shareholder approval under Listing Rule 7.1, an entity that is eligible and obtains shareholder approval under Listing Rule 7.1A at its annual general meeting may issue or agree to issue during the period the approval is valid an additional number of equity securities which represents 10% of the number of fully paid ordinary securities on issue at the date of the approval, as adjusted in accordance with the formula in Listing Rule 7.1A. Having obtained Shareholder approval at the Company's annual general meeting on 20 November 2024 the Company has an additional 10% placement capacity under Listing Rule 7.1A.

The issue does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by the Company's shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1 and 10% additional limit in Listing Rule 7.1A, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the date of issue of the securities.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule. Listing Rule 7.4 also provides that an issue made in accordance with Listing Rule 7.1A can be approved subsequently under Listing Rule 7.4.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

5.3 Information required by Listing Rule 14.1A

If Resolution 4 is passed, the issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval under that rule.

If Resolution 4 is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval under that rule.

If Resolution 5 is passed, the issue will be excluded in calculating the Company's 10% additional limit in Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without shareholder approval under that rule.

If Resolution 5 is not passed, the issue will be included in calculating the Company's 10% additional limit in Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without shareholder approval under that rule.

5.4 Listing Rule information requirements

5.5 Directors' recommendation

The Board believes that the ratification of the issue of the Placement Shares under Resolution 4 is beneficial for the Company as it allows the Company to retain the flexibility to issue further securities representing up to 15% of the Company's share capital during the next 12 months without the requirement to obtain prior Shareholder approval. Accordingly, the Board recommends Shareholders vote in favour of Resolution 4.

The Board believes that the ratification of the issue of the Placement Shares under Resolution 5 is beneficial for the Company as it allows the Company to retain the flexibility to issue further securities representing up to 10% annual placement capacity under Listing Rule 7.1A without the requirement to obtain prior Shareholder approval. Accordingly, the Board recommends Shareholders vote in favour of Resolution 5.

6. Resolutions 6 & 7: Approval to issue Remuneration Shares to Directors – Darren Cooper and Marco Da Silva

6.1 Background

Darren Cooper and Marco Da Silva have each agreed to receive Shares in lieu of cash (**Remuneration Shares**) in respect of 100% of the director fees owing to them for the period 1 October 2024 to 30 September 2025.

Mr Cooper is the Non-Executive Chairman of the Company, and Mr Da Silva is a Non-Executive Director of the Company.

Resolution 6 is an ordinary resolution to approve the issue of 3,491,095 Remuneration Shares to the Mr Cooper (or his nominee) for the purposes of Listing Rule 10.11.

Resolution 7 is an ordinary resolution to approve the issue of 1,861,916 Remuneration Shares to Mr Da Silva (or his nominee) for the purposes of Listing Rule 10.11.

The number of Remuneration Shares to be issued to each of the recipients has been calculated based on the VWAP for Shares traded each month over the period to which the Director fees relate.

6.2 Related party financial benefits

Chapter 2E of the Corporations Act regulates the provision of "financial benefits" by a public company to "related parties" of the company.

Specifically, section 208 of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the company without prior shareholder approval, unless the giving of the financial benefit falls within a specified exception.

A “related party” has a broad meaning under the Corporations Act and includes directors of a public company. Accordingly, Mr Cooper and Mr Da Silva are related parties of the Company.

A “financial benefit” also has a broad meaning. In determining whether a financial benefit is being given by a public company, section 229 of the Corporations Act requires that any consideration given by the related party recipient is to be disregarded, even if the consideration is adequate. It is necessary to look at the economic and commercial substance and the effect of the transaction in determining the financial benefit. Section 229 includes as an example of a financial benefit, the issuing of securities or the granting of an option to a related party.

The proposed issue of Remuneration Shares to Mr Cooper and Mr Da Silva may constitute the giving of a ‘financial benefit’ for these purposes.

For the purposes of Resolution 6, the Directors (other than Mr Cooper) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the proposed issue of Remuneration Shares to Mr Cooper (or his nominees) because the agreement to issue those Remuneration Shares, reached as part of Mr Cooper’s remuneration, is considered reasonable remuneration for the purposes of section 211 of the Corporations Act, having regard to the circumstances of the Company, the quantum of the Remuneration Shares (which do not represent an incentive in addition to Mr Cooper’s remuneration, but the actual director fees owed to him), and the responsibilities of Mr Cooper in the Company.

For the purposes of Resolution 7, the Directors (other than Mr Da Silva) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the proposed issue of Remuneration Shares to Mr Da Silva (or his nominees) because the agreement to issue those Remuneration Shares, reached as part of Mr Da Silva’s remuneration, is considered reasonable remuneration for the purposes of section 211 of the Corporations Act, having regard to the circumstances of the Company, the quantum of the Remuneration Shares (which do not represent an incentive in addition to Mr Da Silva’s remuneration, but the actual director fees owed to him), and the responsibilities of Mr Da Silva in the Company.

6.3 Listing Rule requirements

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, an entity must not issue or agree to issue Equity Securities to any of the following, unless it obtains the prior approval of its shareholders:

- a ‘related party’ of the entity for the purposes of the Listing Rules;
- a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the entity;
- a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the entity who has nominated a director to the board of the entity pursuant to a relevant agreement which gives them a right or expectation to do so;
- an associate of a person referred to above; or
- a person whose relationship with the entity or a person referred to above is such that, in ASX’s opinion, the issue or agreement should be approved by its shareholders.

The issue falls within Listing Rule 10.11.1 as the proposed recipients are related parties of the Company and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

As approval is being sought under Listing Rule 10.11, approval is not also required under Listing Rule 7.1.

6.4 Information required by Listing Rule 14.1A

If Resolution 6 is approved, the Company will be able to proceed with the proposed issues of Remuneration Shares to Mr Cooper (or his nominees). As approval is obtained under Listing Rule 10.11, the issue of these Remuneration Shares will not use up any of the Company’s 15% issuing capacity under Listing Rule 7.1. However, if the Resolution is not approved, the Company will not proceed with the proposed issue of these Remuneration Shares, and instead will be required to pay Mr Cooper his director fees in cash (\$52,500).

If Resolution 7 is approved, the Company will be able to proceed with the proposed issues of Remuneration Shares to Mr Da Silva (or his nominees). As approval is obtained under Listing Rule 10.11, the issue of these Remuneration Shares will not use up any of the Company’s 15% issuing capacity under Listing Rule 7.1. However, if the Resolution is not approved, the Company will not proceed with the proposed issue of these Remuneration Shares, and instead will be required to pay Mr Da Silva his director fees in cash (\$28,000).

6.6 Directors' recommendations

The Directors (other than Mr Cooper) recommend that Shareholders vote in favour of Resolution 6 to enable the Company to issue Remuneration Shares to Mr Cooper (or his nominees) in lieu of cash payment for the director fees in order to preserve the Company's cash reserves. Mr Cooper has a material personal interest in the outcome of the Resolution and accordingly does not make a voting recommendation to Shareholders.

The Directors (other than Mr Da Silva) recommend that Shareholders vote in favour of Resolution 7 to enable the Company to issue Remuneration Shares to Mr Da Silva (or his nominees) in lieu of cash payment for the director fees in order to preserve the Company's cash reserves. Mr Da Silva has a material personal interest in the outcome of the Resolution and accordingly does not make a voting recommendation to Shareholders.

7. Resolution 8: Approval of Additional Issuance Capacity

7.1 Background

Resolution 8 seeks Shareholder approval for an additional issuing capacity under Listing Rule 7.1A (**Additional Issuance Capacity**).

Resolution 8 is a special resolution. It must be passed by at least 75% of the votes cast by Shareholders present and entitled to vote on the Resolution.

7.2 Applicable Listing Rules

Listing Rule 7.1A provides that an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting, to allow it to issue Equity Securities totalling up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (i.e. the Additional Issuance Capacity). This capacity is in addition to the 15% annual issuance capacity under Listing Rule 7.1.

An "eligible entity" for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company meets the requirements of an eligible entity for this purpose.

7.3 Information required by Listing Rule 14.1A

If approved, the Resolution will enable the Company to issue additional Equity Securities (calculated below) over a 12-month period without having to obtain Shareholder approval. If the Resolution is not approved, the Company's ability to issue Equity Securities without Shareholder approval will remain limited to the amount permitted under Listing Rule 7.1.

7.4 Overview of Listing Rule 7.1A

(a) Quoted securities

Equity Securities issued under the Additional Issuance Capacity must be the same as an existing class of Equity Securities of the Company quoted on ASX.

As at the date of this Explanatory Statement, the Company has one class of quoted Equity Securities on issue, being Shares.

(b) **Formula for calculating Additional Issuance Capacity**

Listing Rule 7.1A.2 provides that the Company may issue or agree to issue a number of Equity Securities calculated in accordance with the following formula under the Additional Issuance Capacity:

$$\text{Additional Placement Capacity} = (A \times D) - E$$

where:

A is the number of Shares on issue 12 months before the date of issue or agreement:

- plus the number of Shares issued during the 12 month period immediately preceding the date of the issue or agreement (**Relevant Period**) under an exception in Listing Rule 7.2 (other than exceptions 9, 16 or 17);
- plus the number of Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rules 7.1 or 7.4;
- plus the number of Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the Relevant Period; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rules 7.1 or rule 7.4;
- plus the number of Shares issued in the Relevant Period with approval under Listing Rules 7.1 or 7.4;
- plus the number of partly paid ordinary securities that became fully paid in the Relevant Period; and
- less the number of Shares cancelled in the Relevant Period;

D is 10%; and

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by the Shareholders under Listing Rule 7.4.

(c) **Interaction with Listing Rule 7.1**

Listing Rule 7.1 limits the number of Equity Securities that an entity may issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period, subject to certain exceptions.

The Additional Issuance Capacity under Listing Rule 7.1A is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

7.5 Listing Rule requirements

The following information is provided in relation to Resolution 8, in accordance with Listing Rule 7.3A:

(a) **Period over which approval will be valid**

The Additional Issuance Capacity will commence on the date of the Meeting and expire on the earlier of:

- 12 months from the Meeting date;
- the time and date of the Company's next annual general meeting; and
- the time and date of an approval by Shareholders of a transaction under Listing Rules 11.1.2 (change to nature or scale of activities) or 11.2 (change involving main undertaking).

(b) **Minimum price at which Equity Securities may be issued**

The issue price of any Equity Security under the Additional Issuance Capacity will not be less than 75% of the VWAP for securities in the same class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- if the securities are not issued within 10 trading days of the date above, the date on which the securities are issued.

(c) **Purposes for which funds may be used**

The Company does not have any current intention to issue Equity Securities using the Additional Issuance Capacity. However, it may decide to do so for cash consideration to fund working capital requirements, advancing projects (including those outlined in its initial public offer prospectus), potential acquisitions, meet financial commitments and capital management activities.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.3 upon any issue of Equity Securities under Listing Rule 7.1A.

(d) **Risk of economic and voting dilution**

Any issue of Equity Securities under the Additional Issuance Capacity will dilute the interests of Shareholders who do not receive Shares under the issue.

If Resolution 8 is approved and the Company issues Equity Securities under the Additional Issuance Capacity, then there is a risk to existing Shareholders of economic and voting dilution, including the risk that:

- the market price for Equity Securities in the same class may be significantly lower on the issue date of the new Equity Securities than on the date of the Meeting; and
- the new Equity Securities may be issued at a price that is at a discount to the market price for Equity Securities in the same class on the issue date.

This may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below identifies the potential dilution to existing Shareholders following the issue of Equity Securities under the Additional Issuance Capacity (based on the formula set out above) using different variables for the number of issued Shares and the market price of Shares.

Number of Shares on issue	Share price	New Shares issued	Funds raised	Voting dilution
316,900,124 (Shares currently on issue / current variable 'A' in Listing Rule 7.1A)	\$0.029 (current market price)	31,690,012	\$919,010.36	10.00%
	\$0.022 (25% decrease)	31,690,012	\$689,257.77	10.00%
	\$0.015 (50% decrease)	31,690,012	\$459,505.18	10.00%
475,350,186 (50% increase)	\$0.029 (current market price)	47,535,019	\$1,378,515.54	10.00%
	\$0.022 (25% decrease)	47,535,019	\$1,033,886.65	10.00%
	\$0.015 (50% decrease)	47,535,019	\$689,257.77	10.00%
633,800,248 (100% increase)	\$0.029 (current market price)	63,380,025	\$1,838,020.72	10.00%

Number of Shares on issue	Share price	New Shares issued	Funds raised	Voting dilution
	\$0.022 (25% decrease)	63,380,025	\$1,378,515.54	10.00%
	\$0.015 (50% decrease)	63,380,025	\$919,010.36	10.00%

Notes: The above table has been prepared on the following assumptions:

1. the current market price is the closing price at which Shares were traded on 20 October 2025;
2. the current Shares on issue are the Shares at 20 October 2025;
3. the Company issues the maximum number of Equity Securities available under the Additional Issuance Capacity;
4. existing Shareholders' holdings do not change from the date of this Meeting to the date of the issue under the Additional Issuance Capacity, mainly being that the Placement Shares subject to resolutions 4 and 5 have not been issued;
5. the Company issues Shares only and does not issue other types of Equity Securities (such as Options) under the Additional Issuance Capacity; and
6. the impact of placements under Listing Rule 7.1 or following the conversion of convertible securities (e.g. Options, Performance Rights) is not included in the calculations.

(e) **Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional Issuance Capacity.

The Company has not yet identified allottees to receive the Equity Securities under the Additional Issuance Capacity. However, they may include current Shareholders, new investors, or both. None of the allottees will be 'related parties' or an 'associate' of 'related parties' for the purposes of the Listing Rules.

Potential allottees will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the purpose of the issue;
- the methods of raising funds that are available to the Company including, but not limited to, an entitlements issue or other issue in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from corporate, financial and broking advisers (if applicable).

(f) **Details of prior issues**

The Company previously obtained Shareholder approval under Listing Rule 7.1A at its 2024 Annual General Meeting held on 20 November 2024.

Details of the Equity Securities issued in the 12 month period preceding the date of the Annual General Meeting are outlined below:

- **Number and percentage of securities:** In the 12 months preceding the date of the Annual General Meeting, the Company has agreed to issue 31,515,012 Shares under Listing Rule 7.1A which represents 10% of the total number of Equity Securities on issue at the commencement of that 12 month period. The ratification of these Shares is subject to resolution 5.
- **The recipients:** the 31,515,012 Shares were agreed to be issued on 23 October 2025 to various professional and sophisticated investors (i.e. the Placement Participants) identified by the Company as part of the Placement at an issue price of \$0.03 per Share. The Placement Participants were not Related Parties of the Company and were not considered "material investors" for the purposes of paragraph 7.2 of ASX Guidance Note 21.

- **Number and class of securities issued or agreed to be issued:** the Company has agreed to issue 31,515,012 fully paid ordinary Shares to Placement Participants.
- **The consideration of the issue:** the issue of the 31,515,012 Shares to the Placement Participants resulted in the Company receiving \$945,450.36. There was no discount that the issue price represented to the closing market price (being \$0.029) on 20 October 2025.
- **Use of consideration received for the issue of Shares:** The Company intends to use the funds as set out in section 5.4 above.

(g) **Voting exclusion statement**

At the date of the Notice, the Company has not approached any particular existing security holder or an identifiable class of existing security holders to participate in an issue of Equity Securities pursuant to the Additional Issuance Capacity. No existing Shareholder's votes will therefore be excluded in relation to Resolution 8.

7.6 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 8 as it will give the Company the flexibility to raise additional working capital whilst preserving the Company's cash reserves.

8. Resolution 9: Renewal of Proportional Takeover Provisions

8.1 Background

Resolution 9 is a special resolution seeking Shareholder approval for the proportional takeover provisions set out in Schedule 5 of the Constitution (**Proportional Takeover Provisions**).

An extract of the Proportional Takeover Provisions is set out in the Schedule to this Explanatory Statement.

Although the Proportional Takeover Provisions are set out in the Constitution, pursuant to the Corporations Act, their operation and effectiveness is separate to the rest of the document. They must be renewed every 3 years in order to be effective.

If Resolution 9 is not approved, the Proportional Takeover Provisions will not have any effect.

8.2 Corporations Act requirements

Sections 648D to 648H of the Corporations Act regulate the incorporation of provisions in a company's constitution related to proportional takeovers.

Specifically, section 648G of the Corporations Act requires that, if a company is to include such provisions in its constitution, the provisions must be approved by shareholders at a general meeting. The approval is effective for up to 3 years.

The Company provides the information set out in this Section 8 for the purposes section 648G(5) of the Corporations Act.

8.3 Overview of takeovers

(a) What is a takeover bid?

Chapter 6 of the Corporations Act regulates the acquisition (direct and indirect) of interests in shares of listed companies and other companies with more than 50 members.

Subject to certain exceptions, section 606 of the Corporations Act prohibits the acquisition of an interest which results in any person's voting power in such companies increasing to more than 20% (or any person's voting power increasing between 20% and 90%). This is colloquially known as the "takeover threshold".

A takeover bid made under Chapter 6 of the Corporations Act is an exception to this prohibition. It is an offer (or 'bid') by a potential acquirer to all the shareholders of a target company to acquire all or part of their shares on the same terms.

(b) What are proportional takeover bids?

A proportional takeover bid is a takeover bid sent to all shareholders of a company, but only in respect of the acquisition of a proportion of each shareholder's shares.

If a shareholder accepts the offer, they will dispose of the specified proportion of their shares and retain the balance.

8.4 Effect of Proportional Takeover Provisions

Sections 648D to H of the Corporations Act allow a company to include in its constitution certain provisions regarding proportional takeover bids. The Proportional Takeover Provisions in the Constitution have been drafted to reflect these sections.

The Proportional Takeover Provisions require the Directors to refuse to register any transfer of Shares (**Bid Shares**) made in acceptance of a proportional takeover bid (**Bid**) until the holders of Bid Shares (**Bid Shareholders**) have approved the Bid at a meeting of the Bid Shareholders held in accordance with the Constitution (**Bid Meeting**). In this regard:

- A resolution approving the Bid will be taken to have been passed if more than 50% of Bid Shares voted at the meeting, excluding any Bid Shares held by the bidder and its 'associates' for the purposes of the Corporations Act, vote in favour of the resolution.
- If a resolution to approve the Bid has not been voted on as at the end of the day before the 14th day before the last day of the Bid period, or a later day allowed by ASIC, then that resolution is taken to have been passed.

The proportional takeover provisions do not apply to takeover bids for 100% of the shares on issue.

In accordance with section 648G of the Corporations Act, the Proportional Takeover Provisions will only apply for 3 years after the date of their adoption by Shareholders. They may be renewed, but only by a further special resolution of Shareholders.

8.5 Purpose of the Proportional Takeover Provisions

Without the Proportional Takeover Provisions, a Bid may enable effective control of the Company to be acquired without Shareholders having the opportunity to dispose of all of their Shares to the bidder.

Further, Shareholders could be at risk of passing control of the Company to a bidder without payment of an adequate 'control premium' for all of their Shares whilst leaving themselves as part of a minority interest in the Company.

The proportional takeover provisions are intended to protect Shareholders as a whole by requiring a Bid be put to a Bid Meeting. The benefit of this is that Shareholders may decide whether the Bid is acceptable in principle and appropriately priced.

8.6 Potential advantages

Some potential key advantages of enlivening the Proportional Takeover Provisions include:

- the provisions give all Bid Shareholders the opportunity to consider, discuss and vote on whether a Bid should be approved and proceed;
- the provisions should encourage Bids to be structured in a way that they are more attractive to at least the majority of Bid Shareholders, and should discourage more 'opportunistic' Bids; and
- the provisions potentially:
 - enhance the bargaining power of Directors in relation to negotiating a potential sale of the Company, as the Directors must make a recommendation to Bid Shareholders whether or not to approve a Bid;
 - enhance the bargaining power of Shareholders in relation to a Bid as it allows them to collectively vote and determine whether a Bid proceeds;
 - assist in ensuring that any Bid is appropriately priced as the provisions would likely encourage a potential Bidder to make the offer price more attractive to Bid Shareholders;
 - allow the Bid Shareholders themselves to express a view on a Bid (as opposed to only the Directors doing so on behalf of the Company); and
 - assist Bid Shareholders in deciding whether or not to accept the Bid by providing an indication of how the other Bid Holders view the Bid and its likely outcome.

8.7 Potential disadvantages

Some potential key disadvantages of enlivening the Proportional Takeover Provisions include:

- a Bidder may be discouraged from making a Bid due to the additional requirements of satisfying the Proportional Takeover Provisions;
- a vote on a Bid resolution will likely suffer from a bias in favour of the incumbent Directors;

- the provisions restrict the ability of Bid Shareholders to freely sell their Bid Shares (potentially at an attractive price) without the consent of other Bid Shareholders; and
- a Bid Shareholder may not have sufficient financial interest in the Company to have an incentive to determine whether a Bid is appropriate.

8.8 Knowledge of present acquisition proposals

As at the date of this Explanatory Statement, the Board is not aware of any proposals by a person to acquire, or to increase the extent of, a substantial interest in the Company (i.e. control of 5% or more of the ordinary shares).

8.9 Directors' recommendations

The Directors unanimously recommend that Shareholders vote in favour of Resolution 9 for the reasons outlined above.

Proxy Voting Form

If you are attending the Meeting in person, please bring this with you for Securityholder registration.

Your proxy voting instruction must be received by **10:00am (AWST) on Wednesday, 26 November 2025**, being **not later than 48 hours** before the commencement of the Meeting. Any Proxy Voting instructions received after that time will not be valid for the scheduled Meeting.

SUBMIT YOUR PROXY

Complete the form overleaf in accordance with the instructions set out below.

YOUR NAME AND ADDRESS

The name and address shown above is as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

STEP 1 - APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of Key Management Personnel.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
