State Street Investment Management is the business name for State Street Global Advisors, Australia, Limited (AFSL 238276, ABN 42 003 914 225), the parent entity of SSGA, ASL.

SSGA, ASL is the issuer of interests and the Responsible Entity for the ETFs which are Australian registered managed investment schemes quoted on the AQUA market of the ASX or listed on the ASX.

This material is general information only and does not take into account your individual objectives, financial situation or needs and you should consider whether it is appropriate for you. You should seek professional advice and consider the product disclosure statement, available at ssga.com, before deciding whether to acquire or continue to hold units in an ETF. Target market determinations are also available at ssga.com. This material should not be considered a solicitation to buy or sell a security.

ETFs trade like stocks, are subject to investment risk, fluctuate in market value and may trade at prices above or below the ETF's net asset value. ETFs typically invest by sampling an index, holding a range of securities that, in the aggregate, approximates the full index in terms of key risk factors and other characteristics. This may cause the fund to experience tracking errors relative to performance of the index. Investing involves risk including the risk of loss of principal.
