SARAMA PARTNERS WITH INVESTORHUB TO STRENGTHEN INVESTOR ENGAGEMENT

VANCOUVER, CANADA. Sarama Resources Ltd. ("Sarama" or the "Company") (TSX-V:SWA, ASX:SRR) is pleased to announce that it has partnered with InvestorHub and launched a new interactive website, a direct-to-investor engagement platform ("**Investor Hub**" or "**Hub**") designed to be more transparent and interactive with investors.

Through the Hub, investors and shareholders can easily access ASX announcements, project updates, videos, and insights as Sarama continues advancing gold exploration at the Cosmo and Mt Venn Gold Projects in Western Australia and progressing its fully funded **US\$242M** arbitration claim against the Government of Burkina Faso ("**GoBF**").

The Company will share new content through the Hub aimed at giving shareholders a deeper insight into Sarama's growth strategy and value creation initiatives.

Sarama's Executive Chairman, Andrew Dinning commented:

"We are very pleased to launch our InvestorHub Platform which we believe will serve as a valuable tool for engaging with our investor community.

In the Hub you will find announcements, interviews, presentations and an interactive function that allows Sarama shareholders and interested investors to submit relevant, constructive questions, which will be answered in a timely manner.

We encourage stakeholders to sign up to the Hub and we look forward to your feedback."
