SERVICE STREAM SECURES CONTRACTS WITH TRANSPORT FOR VICTORIA

Leading essential network services company Service Stream Limited (ASX: SSM) is pleased to announce that it has secured two contracts with Transport for Victoria worth **\$144 million** over their respective initial terms.

The Company has been awarded two Intelligent Transport Systems maintenance contracts by Transport for Victoria: the Victoria West ITS Maintenance Contract and the Motorway Communications Network Contract. Each contract has an initial five-year term, with two further two-year extension options, and is expected to commence in Q4 2026.

Under the contracts, Service Stream will provide a range of routine and reactive maintenance services, including program management, asset monitoring, inspections, servicing, fault management, and network operations support.

Service Stream Managing Director, Leigh Mackender, said:

“The award of these two long-term maintenance agreements reinforces Service Stream’s position as a leading provider of transport technology and network maintenance services. The award further strengthens the Group’s maintenance portfolio and bolsters annuity-style work-in-hand revenues.”
