EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. RESOLUTION 1 - APPOINTMENT OF AUDITOR

1.1 General

Section 89(1) of the Companies Act 1981 of Bermuda (Companies Act) provides that members of a company at each annual general meeting shall appoint one or more auditors to hold office until the close of the next annual general meeting. In addition, section 89(6) provides that the remuneration of an auditor appointed by the members shall be fixed by the members or by the directors, if they are authorised to do so by the members.

The Bye-laws provide that, subject to the Companies Act, Shareholders shall appoint an auditor to the Company to hold office for such term as the Shareholders deem fit or until a successor is appointed.

Therefore, pursuant to this Resolution, Hall Chadwick WA Audit Pty Ltd will be appointed as the Company's auditors until the close of the next annual general meeting at a fee to be agreed by the Directors.

The Chair intends to vote all available undirected proxies in favour of this Resolution.

1.2 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of this Resolution.

2. RESOLUTION 2 – INCREASE OF AUTHORISED CAPITAL

2.1 General

In order for the Company to be capable of issuing that maximum number of Shares contemplated under its ASX Listing Rule 7.1 and 7.1A capacity and for future flexibility, the Company is required to increase its authorised share capital to £12,000,000 divided into 1,200,000,000 shares by the creation of an additional 200,000,000 Shares of £0.01.

Shares	Number	Authorised Share Capital

Additional number authorised to be issued	200,000,000	£2,000,000
Total	1,200,000,000	£12,000,000

The Chair intends to vote all available undirected proxies in favour of this Resolution.

2.2 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of this Resolution.

3. RESOLUTION 3 – ELECTION OF DIRECTOR – ANDREW REECE

3.1 General

The Bye-laws allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Bye-laws.

Pursuant to Listing Rule 14.4 and Bye-law 36, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Andrew Reece, having been appointed by other Directors on 2 December 2025 in accordance with Bye-law 36 of the Company, will retire in accordance with Bye-law 36 and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

4. RESOLUTION 4 – RE-ELECTION OF DIRECTOR – NEIL BIDDLE

4.1 General

Listing Rule 14.4 and Bye-law 36 of the Company provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

--	---

Term of office	Mr Biddle has served as a Director since 4 September 2020 and was last re-elected on 28 July 2023.
Independence	If re-elected the Board considers Mr Biddle will be an independent Director.
Board recommendation	The Board has reviewed Mr Biddle's performance since his appointment to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Biddle and recommends that Shareholders vote in favour of this Resolution. The Chair intends to vote all available undirected proxies in favour of this Resolution.

4.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Biddle will be re-elected to the Board as a non-executive Director.

In the event that this Resolution is not passed, Mr Biddle will not continue in his role as a non-executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its exploration programs, fundraising requirements and strategic vision.

5. RESOLUTION 5 – ADOPTION OF EMPLOYEE SECURITIES INCENTIVE PLAN AND APPROVAL TO ISSUE SECURITIES TO UNRELATED PARTICIPANTS UNDER THAT PLAN

5.1 General

The Company considers that it is desirable to continue to maintain a plan pursuant to which the Company can issue performance rights and options to eligible Directors, employees and consultants in order to attract, motivate and retain quality persons for the benefit of the Company and the Shareholders.

The Company may need to recruit additional personnel or engage specialist consultants as its exploration activities progress. The proposed limit provides capacity to make appropriate equity incentive offers as part of any future recruitment or engagement arrangements.

This Resolution seeks Shareholder approval for the adoption of the employee incentive scheme titled 'Employee Securities Incentive Plan' (**Incentive Plan**) and for the issue of up to a maximum of 35,000,000 Securities under the Incentive Plan in accordance with Listing Rule 7.2 (Exception 13(b)).

The objective of the Incentive Plan is to attract, motivate and retain directors, key employees, contractors and other persons who provide services to the Company, and the Company considers that the adoption of the Incentive Plan and the future issue of securities under the Incentive Plan will provide these parties with the opportunity to participate in the future growth of the Company. Equity-based incentives ensure that participants in the Plan share in the long-term success of the Company alongside shareholders. Grants under the Plan are typically subject to performance hurdles and/or service conditions designed to ensure that value is only delivered to participants where genuine value has also been created for shareholders.

5.2 Listing Rule 7.1 and Listing Rule 7.2 Exception 13(b)

Broadly speaking, and subject to a number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as an exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

5.3 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Incentive Plan to eligible participants over a period of 3 years from the date of the Meeting. The issue of any securities to eligible participants under the Incentive Plan (up to the maximum number of securities stated in Section 5.4(b) below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of securities under the Incentive Plan to a related party (including Directors) or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the Incentive Plan to eligible participants, but any issues of securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of those securities.

5.4 Technical information required by Listing Rule 7.2 (Exception 13)

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 5:

- (a) a summary of the key terms and conditions of the Incentive Plan is set out in Schedule 1;
- (b) the Company has previously issued 35,000,000 Securities under the Incentive Plan since the last approval under this rule, comprising:
 - (i) 25,000,000 Performance Rights to various consultants, employees and KMP's; and;
 - (ii) 10,000,000 Performance Rights to Directors of the Company, pursuant to Listing Rule 10.14 approval obtained at the annual general meeting of the Company held on 4 July 2025;
- (c) the maximum number of securities proposed to be issued under the Incentive Plan in reliance on Listing Rule 7.2 (Exception 13(b)) is 35,000,000 Securities. It is not envisaged that the maximum number of securities for which approval is sought will be issued immediately.

6. RESOLUTIONS 6 TO 8 – APPROVAL TO ISSUE INCENTIVE PERFORMANCE RIGHTS TO DIRECTORS

6.1 General

These Resolutions seek Shareholder approval for the purposes of Listing Rule 10.14 for the issue of an aggregate of 21,000,000 Performance Rights to the Directors (or their respective nominee(s)) pursuant to the Incentive Plan on the terms and conditions set out below.

Further details in respect of the Performance Rights proposed to be issued are set out in the table below.

6.2 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

6.3 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue and the Company may seek alternative methods of incentivising its Directors (for example by way of cash bonuses).

7. RESOLUTION 9 – APPROVAL OF 7.1A MANDATE

7.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. As of the date of this Notice, the Company's market capitalisation is approximately \$131,012,784. The Company is therefore an Eligible Entity.

7.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

7.3 Technical information required by Listing Rule 7.3A

Period for which the 7.1A Mandate is valid	The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following: (a) the date that is 12 months after the date of this Meeting; (b) the time and date of the Company's next annual general meeting; and
---	--

	(c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).																																							
Minimum price	Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the VWAP of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before: (a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or (b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.																																							
Use of funds	The Company intends to use any funds raised from issues of Equity Securities under the 7.1A Mandate for exploration activities at the Christmas Creek Manganese Gold project in the Kimberley and for general working capital.																																							
Risk of economic and voting dilution	Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue. If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below. The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 25 May 2026. The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate. <table><tr><th colspan="2" rowspan="4">Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)</th><th rowspan="4">Shares issued – 10% voting dilution</th><th colspan="3">Dilution</th></tr><tr><th colspan="3">Issue Price</th></tr><tr><th>\$0.081</th><th>\$0.162</th><th>\$0.243</th></tr><tr><th>50% decrease</th><th>Issue Price</th><th>50% increase</th></tr><tr><th colspan="6">Funds Raised</th></tr><tr><td>Current</td><td>727,848,800 Shares</td><td>72,784,880 Shares</td><td>\$5,895,575</td><td>\$11,791,150</td><td>\$17,686,725</td></tr><tr><td>50% increase</td><td>1,091,773,200 Shares</td><td>109,177,320 Shares</td><td>\$8,843,362</td><td>\$17,686,725</td><td>\$26,530,088</td></tr><tr><td>100% increase</td><td>1,455,697,600 Shares</td><td>145,569,760 Shares</td><td>\$11,791,150</td><td>\$23,582,301</td><td>\$35,373,451</td></tr></table> *The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1. The table above uses the following assumptions: 727,848,800 Shares on issue as at the date of this Notice; - The issue price set out above is the closing market price of the Shares on the ASX on 25 May 2026 (being \$0.162) (Issue Price). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised. - The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate. - The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1. 	5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders. 6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances. 7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed. 8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. 9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting. Shareholders should note that there is a risk that: (a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and (b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.
Allocation policy under 7.1A Mandate	The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company. The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors: (a) the purpose of the issue; (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate; (c) the effect of the issue of the Equity Securities on the control of the Company; (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company; (e) prevailing market conditions; and (f) advice from corporate, financial and broking advisers (if applicable).
Previous approval under Listing Rule 7.1A.2	The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 4 July 2025 (Previous Approval). During the 12-month period following the Previous Approval, being on and from 4 July 2025 the Company issued 60,743,860 Shares pursuant to the Previous Approval (Previous Issue), which represent approximately 8.84% of the total diluted number of Equity Securities on issue in the Company on 4 July 2025 which was 687,464,533 Shares. Further details of the issues of Equity Securities by the Company pursuant to Listing Rule 7.1A.2 during the 12-month period preceding the date of the Meeting are set out in Schedule 4.
Voting exclusion statement	As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

SCHEDULE 1 – TERMS AND CONDITIONS OF INCENTIVE PLAN

A summary of the material terms of the Company's Employee Securities Incentive Plan (**Plan**) is set out below.

Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate (as defined in the Corporations Act)), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Shares, Options, Performance Rights or other convertible securities (Securities).
Maximum number of Convertible Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Bye-laws specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b) – refer to Resolution 5 and Section 5). The maximum number of equity securities proposed to be issued under the Plan in reliance on Listing Rule 7.2 (Exemption 13(b)), following Shareholder approval, is 35,000,000 Securities. It is not envisaged that the maximum number of Securities will be issued immediately.
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Participant (being an Eligible Participant who has been granted a Security under the Plan) the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
Rights attaching to Convertible Securities	A Convertible Security represents a right to acquire one or more Plan Shares in accordance with the Plan (for example, an Option or a Performance Right). Prior to a Convertible Security being exercised, the holder: (a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security other than as expressly set out in the Plan; (a) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company;

	(b) is not entitled to receive any dividends declared by the Company; and (c) is not entitled to participate in any new issue of Shares (see Adjustment of Convertible Securities section below).
Restrictions on dealing with Convertible Securities	Convertible Securities issued under the Plan cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board in which case the Convertible Securities may be exercisable on terms determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.
Vesting of Convertible Securities	Any vesting conditions applicable to the Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that security will lapse.
Forfeiture of Convertible Securities	Convertible Securities will be forfeited in the following circumstances: (a) where a Participant acts fraudulently, dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group and the Board exercises its discretion to deem some or all of the Convertible Securities held by a Participant to have been forfeited; (b) where there is a failure to satisfy the vesting conditions in accordance with the Plan; (c) on the date the Participant becomes insolvent; or (d) on the Expiry Date.
Listing of Convertible Securities	Convertible Securities granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of Convertible Securities granted under the Plan on the ASX or any other recognised exchange.
Exercise of Convertible Securities and cashless exercise	To exercise a security, the Participant must deliver a signed notice of exercise (Exercise Notice) and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Securities (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice. In the case of Options, subject to the Board's approval, in lieu of paying the aggregate exercise price specified in the Exercise Notice, the Participant may elect a cashless exercise (Cashless Exercise) whereby the Board will issue to the Participant that number of Shares (rounded down to the nearest whole number) calculated in accordance with the following formula: $S = O * \frac{(MVS - EP)}{MVS}$ Where: S = number of Shares to be issued on the exercise of the Options. O = number of Options being exercised. MVS = market value of shares, being the volume weighted average price per Share traded on the ASX over the five trading days immediately preceding the date of exercise. EP = Exercise Price of the Options. For the avoidance of doubt, if the sum of the above calculation is zero or negative, then the holder will not be entitled to use Cashless Exercise. Convertible Securities may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.
Timing of issue of Shares and quotation of	Within five business days after the issue of a valid notice of exercise by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute

Shares on exercise	certificate for any remaining unexercised Convertible Securities held by that Participant.
Restriction periods and restrictions on transfer of Shares on exercise	If the invitation provides that any Shares issued upon the valid exercise of a Convertible Security are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction. Additionally, Shares issued on exercise of the Convertible Securities are subject to the following restrictions: (a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Convertible Securities may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act; (b) all Shares issued on exercise of the Convertible Securities are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and (c) all Shares issued on exercise of the Convertible Securities are subject to the terms of the Company's Securities Trading Policy.
Rights attaching to Shares on exercise	All Shares issued upon exercise of Convertible Securities will rank equally in all respects with the then Shares of the Company.
Change of control	If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), unvested Convertible Securities will vest unless the Board determines in its discretion otherwise. The Board's discretion in determining the treatment of any unvested Convertible Securities on a change of control event is limited to vesting or varying any vesting conditions in respect to the Convertible Securities and does not include a discretion to lapse or forfeit unvested Convertible Securities for less than fair value.
Participation in entitlements and bonus issues	Subject always to the rights under the following two paragraphs, Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Participant is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.
Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Amendment of Plan	Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

Plan duration	The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants. If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
Withholding	If required to account for any tax or superannuation amounts for a Participant, a Group member, trustee, or Plan administrator is entitled to withhold or be reimbursed by the Participant for the amount accordingly.

SCHEDULE 2 – TERMS AND CONDITIONS OF INCENTIVE PERFORMANCE RIGHTS

The following is a summary of the key terms and conditions of the Performance Rights:

1.	Plan	The Performance Rights are granted under the Company's Employee Securities Incentive Plan (Plan). In the event of any inconsistency between the Plan and these terms and conditions, these terms and conditions will apply to the extent of the inconsistency.

3.	Vesting Conditions	The Performance Rights shall vest on satisfaction of the vesting conditions set out in Section 6.1 (each, a Vesting Condition).
4.	Expiry Date	Each Performance Right shall expire on the date that is set out next to the relevant class of Performance Right Section 6.1 or otherwise in accordance with the Plan (Expiry Date). If the relevant Vesting Condition attached to the Performance Right has not been achieved by the Expiry Date, all unconverted Performance Rights of the relevant tranche will automatically lapse at that time.
5.	Cessation of Employment	Other than where the holder's employment is ceased for fraudulent or dishonest actions or breach of duties to the Company, on the termination or cessation of the holder's employment, any unvested Performance Rights will remain on foot and vest in the ordinary course, subject to the Board's overriding discretion to determine an alternate treatment.
6.	Notification to holder	The Company shall notify the holder in writing when the relevant Vesting Condition has been satisfied.
7.	Exercise period	The Performance Rights are exercisable at any time on and from the satisfaction of the Vesting Conditions until the Expiry Date (Exercise Period).
8.	Conversion	Upon the receipt of a valid notice of exercise by the holder, each Performance Right will, at the election of the holder, convert into one Share.
9.	Quotation of Performance Rights	The Performance Rights will not be quoted on ASX.
10.	Transfer of Performance Rights	The Performance Rights are not transferable.
11.	Timing of issue of Shares on conversion	Within 5 business days after the date that the Performance Rights are converted, the Company will: (a) issue the number of Shares required under these terms and conditions in respect of the number of Performance Rights converted; (b) if required, issue a substitute certificate for any remaining unexercised Performance Rights held by the holder; and (c) do all such acts, matters and things to obtain the grant of quotation of the Shares by ASX in accordance with the ASX Listing Rules and subject to the expiry of any restriction period that applies to the Shares under the Corporations Act or the ASX Listing Rules.
12.	Restrictions on transfer of Shares on exercise	Shares issued on exercise of the Performance Rights are subject to the following restrictions: (a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Performance Rights may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Act; (b) all Shares issued on exercise of the Performance Rights are subject to restrictions imposed by applicable law on dealing in Shares by

		persons who possess material information likely to affect the value of the Shares and which is not generally available; and (c) all Shares issued on exercise of the Performance Rights are subject to the terms of the Company's Securities Trading Policy.
13.	Share ranking	All Shares issued upon the vesting of Performance Rights will upon issue rank pari passu in all respects with other existing Shares.

15.	Reorganisation of capital	If at any time the issued capital of the Company is reorganised (including consolidation, subdivision, reduction or return), all rights of a holder will be changed in a manner consistent with the applicable ASX Listing Rules and the Corporations Act at the time of reorganisation.
16.	Adjustment for bonus issues of Shares	If the Company makes a bonus issue of Shares or other securities to the Company's existing shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) the number of Shares or other securities which must be issued on the conversion of a Performance Right will be increased by the number of Shares or other securities which the holder would have received if the holder had converted the Performance Right before the record date for the bonus issue.
17.	Dividend and voting rights	The Performance Rights do not confer on the holder an entitlement to vote (except as otherwise required by law) or receive dividends.
18.	Change in control	Subject to paragraph 19, upon: (a) a bona fide takeover bid under Chapter 6 of the Corporations Act having been made in respect of the Company and; (b) having received acceptances for not less than 50.1% of the Company's Shares on issue; and (c) having been declared unconditional by the bidder; or (d) a Court granting orders approving a compromise or arrangement for the purposes of or in connection with a scheme for the reconstruction of the Company or its amalgamation with any other company or companies; or (e) in any other case, a person obtains Voting Power (as defined in the Corporations Act) in the Company that the Board (which for the avoidance of doubt will comprise those Directors immediately prior to the person acquiring that Voting Power) determines, acting in good faith and in accordance with their fiduciary duties, is sufficient to control the composition of the Board, then, unvested Performance Rights will vest unless the Board determines in its discretion otherwise. The Board's discretion in determining the treatment of any unvested Performance Rights is limited to vesting or varying the Vesting Conditions in respect to the Performance Rights and does not include a discretion to lapse or forfeit unvested Performance Rights for less than fair value.
19.	Deferral of conversion if resulting in a prohibited acquisition of Shares	If the conversion of a Performance Right under paragraphs 6 or 18 would result in any person being in contravention of section 606(1) of the <i>Corporations Act 2001 (Cth)</i> (General Prohibition) then the conversion of that Performance Right shall be deferred until such later time or times that the conversion would not result in a contravention of the General Prohibition. In assessing whether a conversion of a Performance Right would result in a contravention of the General Prohibition: (a) holders may give written notification to the Company if they consider that the conversion of a Performance Right may result in the contravention of the General Prohibition. The absence of such written notification from the holder will entitle the Company to assume the conversion of a Performance Right will not result in any person being in contravention of the General Prohibition; and

		(b) the Company may (but is not obliged to) by written notice to a holder request a holder to provide the written notice referred to in paragraph (a) within 7 days if the Company considers that the conversion of a Performance Right may result in a contravention of the General Prohibition. The absence of such written notification from the holder will entitle the Company to assume the conversion of a Performance Right will not result in any person being in contravention of the General Prohibition.
20.	No rights to return of capital	A Performance Right does not entitle the holder to a return of capital, whether in a winding up, upon a reduction of capital or otherwise.
21.	Rights on winding up	A Performance Right does not entitle the holder to participate in the surplus profits or assets of the Company upon winding up.
22.	ASX Listing Rule compliance	The Board reserves the right to amend any term of the Performance Rights to ensure compliance with the ASX Listing Rules.

SCHEDULE 3 – VALUATION OF PERFORMANCE RIGHTS
