Appointment of Company Secretaries

Vitasora Health Limited (ASX: VHL; OTCQB: VHLUF) ("Vitasora" or "the Company") is pleased to announce the appointment of Charly Duffy and Shelby Coleman as joint company secretaries of the Company.

As a practising corporate and equity capital markets lawyer, Ms Duffy established cdPlus Corporate Services Pty Ltd in 2014 to leverage her experience to provide outsourced company secretarial and governance services to listed, unlisted, private and not-for-profit Boards with a strong focus on ASX Listing Rules compliance. Ms Duffy is also a Partner of Coghlan Duffy Lawyers with a Bachelor of Laws, and a Fellow Member of Governance Institute of Australia and ICSA holding a Graduate Diploma of Applied Corporate Governance.

Ms Coleman is a seasoned governance and compliance specialist with experience advising ASX listed companies across a range of industries on corporate governance and compliance matters. Ms Coleman holds a Bachelor of Laws and a Bachelor of Arts from Victoria University of Wellington and is an Affiliate member of the Governance Institute of Australia and ICSA.

Ms Duffy and Ms Coleman will be responsible for communications with the ASX in relation to Listing Rule matters under Listing Rule 12.6.

The Company advises that Mr Justin Mouchacca and Ms Nova Taylor have tendered their resignations as joint company secretaries. The Board thanks Mr Justin Mouchacca and Ms Nova Taylor for their assistance to the Company over the past 2 years.

This ASX announcement has been authorised for release by the Board of Directors of Vitasora Health Limited.

About Vitasora Health Limited – A Revolutionary Remote Healthcare Solutions Provider

Vitasora Health Limited (ASX:VHL, OTCQB:VHLUF) is redefining digital Connected Care in the U.S. healthcare market. We combine cutting-edge technologies and expert clinical teams to deliver a turnkey solution for providers. Our remote patient monitoring (RPM) and chronic care management (CCM) services improve outcomes, reduce costs, and help healthcare clients thrive in a value-based world. Partnering with healthcare providers and organisations we empower our clients to extend exceptional care into the community, making a real difference to patients' lives.

We are revolutionising healthcare one patient at a time with our disruptive business model, which provides personalised and responsive care. Our cutting-edge R&D sets us apart, offering comprehensive Connected Care Management programs for all major chronic conditions, including our exclusive remote wheeze detection for respiratory disorders.

Through strategic partnerships, we seamlessly integrate our advanced solutions into existing systems and workflows, boosting efficiency and significantly reducing overall healthcare costs. Our data-driven programs and superior clinical expertise position us at the forefront of chronic disease management, ensuring patients' healthcare needs are met consistently and effectively across the continuum of care.

About the wheezo® Medical Device

wheezo®, a world-first FDA-approved Class II medical device, is the sole WheezeRate detector capable of integrating into RPM programs. Developed by Vitasora, wheezo® utilises innovative technology to analyse breath sounds for wheeze. The device works with the user-friendly respiri™ app, enabling users to log symptoms and triggers. The wheezo® system creates a comprehensive and individualised patient profile, fostering informed dialogues between patients and physicians. For details on our US offering, visit https://respiri.co/us/ or for wheezo®
Vitasora Health Limited is headquartered in Melbourne with offices in Los Angeles.
wheezo® is a registered trademark of Vitasora Health Limited

Forward Looking Statements

Certain statements made in this announcement are forward-looking statements. These forward-looking statements are not historical facts but rather are based on Vitasora's current expectations, estimates and projections about the industry in which Vitasora operates, and its beliefs and assumptions. Words such as "anticipates," "expects," "intends," "plans," "believes," "seeks," "estimates," "guidance" and similar expressions are intended to identify forward looking statements and should be considered an at-risk statement. Such statements are subject to certain risks and uncertainties, particularly those risks or uncertainties inherent in the process of developing technology and in the endeavour of building a business around such products and services. These statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties, and other factors, some of which are beyond the control of Vitasora, are difficult to predict and could cause actual results to differ materially from those expressed or forecasted in the forward-looking statements. Vitasora cautions shareholders and prospective shareholders not to place undue reliance on these forward-looking statements, which reflect the view of Vitasora only as of the date of this release. The forward-looking statements made in this announcement relate only to events as of the date on which the statements are made. Vitasora will not undertake any obligation to release publicly any revisions or updates to these forward-looking statements to reflect events, circumstances or unanticipated events occurring after the date of this announcement except as required by law or by any appropriate regulatory authority.
