About Vitura Health Limited (ASX: VIT)

www.vitura.com.au

Vitura Health Limited is diversified digital health business listed on the ASX (ASX: VIT) and, via its wholly owned subsidiaries, operates the following businesses:

- www.burleighheadscannabis.com

Burleigh Heads Cannabis operates the market leading prescriber, patient, pharmacy, and supplier online ecosystem, Canview, which sells and distributes almost 650 therapeutic product and device SKUs within Australia from roughly 65 international and domestic brands.

- www.canview.com.au

Canview is being developed to be a complete end-to-end healthcare ecosystem designed to provide doctors, pharmacists, and patients with a simple and cost-effective way to facilitate the treatment of patients with increased efficiency and compliance. The Canview system is based on a medicines wholesaling platform which seamlessly brings together several disparate SAAS (software-as-a-service) providers including inventory control, invoicing, customer management, reporting and analytics, all linked together through customised integration from third party providers. Underpinning the suite of SAAS elements are several bespoke, internally generated operating procedures and intellectual property assets, supported by the Canview customer support and infield customer engagement teams. Through the integration of the different elements which together make up Canview, the platform provides the best user experience in the industry.

Through the Company's relationships with third party integrators, Canview provides Australian doctors with the ability to integrate their patient management systems directly with the platform and to use their patient information to generate electronic prescriptions within the Canview platform, without the need to input the patient's details. Prescriptions are then sent directly to the Canview patient app where patients can manage their treatment and submit the prescription and subsequent repeats to one of the roughly 4,700 Australian pharmacies with accounts on Canview for dispensing.

While the Company's current operations focus on the sale and distribution of medicinal cannabis products, Vitura is fully licensed and equipped, via its two state-of-the-art distribution centres in Melbourne and the Gold Coast, to distribute all products under Schedules 2, 3, 4, 8 and 9. The establishment during the year of the Company's joint venture to distribute psychedelic products, including MDMA and Psilocybin, is a timely example of the many opportunities that the Company believes can be seamlessly integrated into its existing digital health platform business.

- (b) otherwise, the next Dividend Record Date, until:

A DRP Instruction Form must specify whether the Shareholder elects Full Participation or Partial Participation, and if Partial Participation is specified, the DRP Instruction Form must specify the number of Shares that are to be Participating Shares.
- (b) A DRP Instruction Form that does not specify whether participation is to be a Full Participation or a Partial Participation, that specifies both, that does not clearly identify the number of Participating Shares or identifies a number of Participating Shares in excess of the number of Shares currently held by the Shareholder, is deemed to be an election for Full Participation.
- (c) Full Participation means that all Shares registered in the Shareholder's name from time to time, including Shares issued pursuant to the DRP, are Participating Shares subject to:

 - (ii) any subsequent changes to the extent of that Participant's participation,

only the number of Shares specified in the DRP Instruction Form by the Shareholder as Participating Shares (being less than the Shareholder's total shareholding) are subject to the DRP. However, if at the relevant Dividend Record Date the number of Shares held by the Participant is less than the specified number of Participating Shares on the DRP

4. Application to participate and extent of participation CONTINUED

Instruction Form, the DRP will apply to the lesser number of Shares (and the Participant is deemed to have submitted a DRP Instruction Form to this effect for the relevant Dividend). If a Shareholder elects Partial Participation, Shares in excess of the number specified as participating that are subsequently acquired by the Participant (whether under the DRP or otherwise), will not participate in the DRP unless the Participant alters its participation by submitting DRP Instruction Form in accordance with Rule 10. The effect of this Rule is that where the Participant has disposed of Shares then acquired more Shares, newly acquired Shares will participate up to the number specified in the latest DRP Instruction Form received by the Share Registry by 5.00pm AEST (or such other time determined by the Board from time to time) on the Business Day after the relevant Dividend Record Date.

- (e) The Company is not liable to any Shareholder for any loss, damage or claim in respect of that Shareholder's participation as a result of the operation of Rules 4.4(b), 4.4(c) or 4.4(d).

The Company will record, with respect to each Participant:

- (a) the name and address of the Participant (being the name and address in the Share Register, from time to time); and
- (b) the number of Participating Shares held by the Participant from time to time, and the Company's record will be conclusive evidence of the matters so recorded.

5. Shareholder's acknowledgments

By applying to participate in the DRP, the Shareholder:

- (a) warrants to the Company that it is an Eligible Shareholder;
- (b) acknowledges that Dividends reinvested under the DRP will be assessable for applicable income tax in the same way as cash Dividends;
- (c) authorises the Company (and its officers or agents) to correct any error in, or omission from, any DRP Instruction Form that it submits;
- (d) acknowledges that the Company (or its officers or agents) may at any time irrevocably determine that the applicant's DRP Instruction Form is valid, in accordance with these Rules, even if the DRP Instruction Form is incomplete, contains errors or is otherwise defective;
- (e) acknowledges that the Company (or its officers or agents) may reject any DRP Instruction Form;
- (f) consents to the establishment of a DRP account on its behalf;
- (g) agrees to the appointment of the Company, a trustee or nominee (including a broker or the Share Registry) appointed by the Company (or its officers or agents) as the Participant's agent to acquire Shares on ASX where the Company (or its officers or agents) decides to Allocate Shares to Participants by transferring existing Shares in accordance with Rule 7 (and for the avoidance of doubt, the Shareholder agrees to the Company, the trustee or nominee taking all steps necessary to register the Shares in the Participant's name, including the execution of any share transfers required);
- (h) consents to any entitlement to a fraction of a Share produced by the calculation in Rule 6.3, to be dealt with in accordance with Rule 6;

5. Shareholder's acknowledgments CONTINUED

- (i) acknowledges that the Company (or its officers or agents) may, in its absolute discretion, arrange for the DRP to be fully or partially underwritten in respect of any one or more Dividends with one or more underwriters;

in each case at all times until termination of the DRP or until the Shareholder's participation in the DRP ends.

6. Reinvestment of Dividends

6.1 APPLICATION TOWARDS ADDITIONAL SHARES

Each Dividend payable to a Participant in respect of Participating Shares will be applied by the Company on the Participant's behalf in acquiring additional Shares by issue or transfer in accordance with these Rules.

6.2 DIVIDENDS NOT AVAILABLE FOR REINVESTMENT

A Dividend payable in respect of Participating Shares is not available for reinvestment under the DRP to the extent that the Company is entitled to and does retain or otherwise deals with the Dividend in accordance with its Constitution or any legal requirement, including withholding tax.

6.3 DRP ACCOUNT AND ALLOCATION OF SHARES

- (a) The Company will establish and maintain a DRP account for each Participant. The Company will in respect of each Dividend payable to a Participant:
 - (i) determine the Dividend Payment in respect of that Participant's Participating Shares (excluding any amount not available under Rule 6.2);

 - (iii) determine the maximum whole number of additional Shares that may be acquired or subscribed under the DRP by dividing the amount in the Participant's DRP account by the Allocation Price and rounding that number down to the nearest whole number;
 - (iv) on behalf and in the name of the Participant, subscribe for or acquire the number of Shares determined under Rule 6.3(a)(iii) and debit the total price for these Allocated Shares from the Participant's DRP account; and

- (v) subject to Rule 6.5, retain in the Participant's DRP account, without interest and on the terms set out in these Rules, any cash balance remaining (rounded down to the nearest cent) unless and until the cash balance is applied in accordance with these Rules.
- (b) Except as set out in these Rules, as required by law or as determined by the Board, neither a Participant's DRP account nor any amount credited to it is transferrable.

6.4 RESIDUAL BALANCE TO BE RETAINED

Subject to Rule 6.5, any residual balance in a Participant's DRP account will remain in the Participant's DRP account (without accruing interest) and will be aggregated with any further Dividend Payment credited to the Participant's DRP account.

6.5 RESIDUAL BALANCE TO BE PAID OUT

If the DRP is suspended or terminated by the Company pursuant to these Rules or the Participant ceases to participate in the DRP for whatever reason, any positive residual balance in the Participant's DRP account at that time will be paid in any manner and on the terms determined by the Board.

6.6 ALLOCATION PRICE

- (a) Shares are allocated under the DRP at the Allocation Price. The Allocation Price is the Average Market Price of Shares for the Pricing Period, less the Discount (if any), rounded as determined by the Company. The determination of the Allocation Price by the Company is binding on all Participants.
- (b) The Average Market Price must be calculated by the Company or another suitable person nominated by the Company, by reference to information the Company approves for that purpose from time to time.
- (c) A Discount (if any) or Pricing Period may be different from one Dividend to the next, and either may be determined or varied by the Company by announcement on the Company's website and to ASX at any time.

7. Allocation of Shares

- (a) The Company may, in its discretion, either issue new Shares or cause existing Shares to be acquired for transfer to Participants (or undertake a combination of both options), to satisfy its obligations under these Rules.
- (b) If the Company determines to transfer Shares to Participants, those Shares may be acquired in the market or otherwise in such manner as the Company considers appropriate.
- (c) All Shares newly issued under the DRP will, from the date of Allocation, rank equally in all respects with existing Shares unless the Board determines that they are not to participate in either or both of:
 - (i) the next Dividend paid; and
 - (ii) any offer of Shares open when the Shares are issued under the DRP.
- (d) Shares will be allocated within the time required by ASX.
- (e) Shares Allocated pursuant to the DRP will be registered on the Share Register.

7. Allocation of Shares CONTINUED

- (f) Where the Shares Allocated pursuant to the DRP are not quoted on ASX at the time the Allocation is effected, the Company will, at its own cost, apply (or procure the application) for quotation of those shares on the ASX within the time required by the Listing Rules.
- (g) Shares will not be issued under the DRP if the issue would breach a provision of any applicable law.

8. Underwriting

The Board may, in its absolute discretion, choose to partially or fully underwrite the DRP in respect of any Dividend with one or more underwriters.

9. DRP statements

On, or as soon as practicable after, each Dividend Payment Date, the Company must forward to each Participant a statement in a form determined by the Board detailing:

- (a) the number of the Participant's Participating Shares as at the relevant Dividend Record Date;
- (b) the amount of the relevant Dividend Payment in respect of the Participant's Participating Shares (including any amounts withheld or deducted from the Dividend payable);
- (c) the amount, if any, in the Participant's DRP accounts immediately prior to the payment of the relevant Dividend;
- (d) the number of Shares Allocated to the Participant under these Rules and the date of Allocation of those Shares;
- (e) the cash balance, if any, retained in the Participant's DRP account after the deduction of the amount payable on Allocation of the additional Shares;
- (f) the Participant's total holding of Shares after Allocation;
- (g) the Allocation Price of each Share Allocated to the Participant;
- (h) the franked amount, if any, of the Dividend Payment and the franking credit, if any, attached to the Dividend; and
- (i) any other matters required by law to be included in a statement confirming a transaction of this nature.

10. Variation or termination by the Participant

- (a) A Participant may at any time give written notice to the Company via the Share Registry using a DRP Instruction Form of the Participant's decision to:
 - (i) increase or decrease the number of Shares participating in the DRP (including by varying participation for Partial Participation to Full Participation, or vice versa); or
 - (ii) terminate the Participant's participation in the DRP.
- (b) The alteration or termination takes effect in accordance with Rule 14.
- (c) If a Participant increases the level of participation in the DRP to Full Participation, Rule 4.4(c) applies.

10. Variation or termination by the Participant CONTINUED

- (d) If a Participant decreases the level of participation in the DRP or increases the level of participation in the DRP to a level below Full Participation, Rule 4.4(d) applies.
- (e) Unless otherwise agreed by the estate of a Participant, if a Participant dies, participation in the DRP terminates upon receipt by the Company of written notice of the death. If a Participant is declared bankrupt or is wound-up, participation in the DRP terminates upon receipt by the Company of a notification of bankruptcy or winding-up from the Participant or the Participant's trustee in bankruptcy or liquidator, as the case may be. The death, bankruptcy or winding-up of one or more joint holders does not automatically terminate participation provided the remaining holder or all remaining joint holders are Eligible Shareholders.
- (f) Following termination of participation for whatever reason, including termination of the DRP under Rule 12, the Company will provide the Participant a statement of the Participant's DRP account made out to the date of termination, if the Participant or the Participant's legal representative requests such statement.

11. Reduction or termination by the Participant where no notice is given

- (a) Where all of a Participant's Shares are Participating Shares and the Participant disposes of some (but not all) of those Shares, then subject to Rule 10(a), the remaining Shares held by the Participant continue to be Participating Shares.
- (b) Where only some of a Participant's Shares are Participating Shares and the Participant disposes of part of the Participant's Shares, then the Shares disposed of will, to the extent possible:
 - (i) first, reduce the number of Shares that are not Participating Shares that the Participant holds; and
 - (ii) secondly, reduce the number of Participating Shares that the Participant holds.
- (c) Where a Participant disposes of all Shares, the Participant is deemed to have terminated participation in the DRP with respect to the holding effective on the date the Company registered a transfer or instrument of disposal of the Participant's holding.

12. Variation, suspension and termination of the DRP or these Rules by the Company

- (a) The DRP or these Rules may be varied, suspended or terminated by the Company at any time by notification on the Company's website and by notice to ASX. For the avoidance of doubt, where the Company has announced that the DRP will operate in respect of a Dividend, the Company retains the discretion to suspend the DRP in respect of that Dividend at any time prior to the Dividend Payment Date.
- (b) The variation, suspension or termination takes effect upon the date specified by the Company and the variation, suspension or termination does not give rise to any liability in the part of, or right against, the Company or its officers, employees and agents.
- (c) If the DRP or these Rules are varied, a Participant continues to participate under the DRP and these Rules in their varied form unless the Participant varies or terminates its participation in the DRP by submitting an appropriately completed DRP Instruction Form in accordance with these Rules.

12. Variation, suspension and termination of the DRP or these Rules by the Company CONTINUED

- (d) If the DRP is suspended, an election as to participation in the DRP will also be suspended and all Shares are deemed not to be Participating Shares for the purpose of any Dividend paid while the DRP is suspended.
- (e) Any suspension under Rule 12(d) will continue until such time as the Board resolves to recommence or terminate the DRP.
- (f) The DRP may be reinstated following a suspension in accordance with this Rule 12 by notification on the Company's website and notice to ASX. Upon reinstatement of the DRP, all prior elections will be reinstated and will continue to apply until a new valid DRP Instruction Form is lodged, unless the Company determines otherwise.

13. Cost to Participants

No brokerage, commission, or other transaction costs are payable by Participants in respect of Shares Allocated under the DRP and no stamp or other duties are payable, under present law, by Participants in respect of Shares Allocated under the DRP. The Company may, to the extent permitted by law, apply its funds in the payment of brokerage, commission or other transaction costs in respect of Shares Allocated under the DRP.

14. Applications and other notices

- (a) Applications and notices to the Company must be:
 - (i) in the form prescribed by the Company from time to time;
 - (ii) in writing; or
 - (iii) submitted through the electronic platform provided for this purpose by the Share Registry.
- (b) Any notices submitted through the electronic platform provided for this purpose by the Share Registry must comply with the applicable terms and conditions of the Share Registry.
- (c) Subject to Rules 14(d) and 14(e), applications and notices are effective upon receipt by the Company via the Share Registry.
- (d) Unless the Board determines otherwise, applications and notices received by the Company via the Share Registry after 5.00pm AEST (or such other time set by the Board) on the Business Day after the relevant Dividend Record Date are not effective in respect of that Dividend, but are effective from the next relevant Dividend Record Date.
- (e) Without limiting Rule 14(d), the Company has absolute discretion to:
 - (i) accept or reject an application or notice which is not properly completed or signed; and
 - (ii) prior to acceptance, clarify with an Eligible Shareholder any instruction with respect to an application or notice in order for the application or notice to be properly completed.
- (f) The accidental omission by the Company or the Board to give any notice under these Rules to any Shareholder, ASX or any other person will not invalidate any act, matter or thing.
- (g) For the purpose of this Rule 14, an application or notice includes, but is not limited to, a DRP Instruction Form.

15. Taxation

Neither the Company nor any of its officers, employees, representatives or agents:

- (a) take any responsibility or assume any liability for, or as a consequence of, the tax liabilities of any person in connection with the DRP; or
- (b) represent or warrant that any person will gain any taxation advantage, or will not incur a taxation liability or disadvantage, as a result of participation in the DRP.

16. General

- (a) Any power, discretion or function of the Company under these Rules may be exercised or undertaken by the Board and the Board may delegate any such power, discretion or function to any person, including the Share Registry.
- (b) Any Dividend payable on Participating Shares that the Company is entitled to retain as a result of a charge or lien in favour of the Company in accordance with the Constitution or other requirements of law, is not available for the purpose of participating in the DRP.
- (c) Subject to the Constitution, the Company may:
 - (i) implement the DRP in any manner the Company thinks fit; and
 - (ii) settle any difficulty, anomaly or dispute which may arise either generally or in a particular case in connection with, or by reason of, the operation of the DRP or these Rules as the Company thinks fit, whether generally or in relation to any Shareholder or DRP account or any Shares and the determination of the Company is conclusive and binding on all relevant Shareholders and other persons to whom the determination relates.
- (d) Neither the Company nor any officer, employee, agent or adviser of the Company is liable or responsible to any Shareholder or Participant for any loss, alleged loss or disadvantage suffered or incurred by them as a result, directly or indirectly, of any one or more of:
 - (i) the establishment or operation of the DRP;
 - (ii) participation or non-participation in the DRP; or
 - (iii) any advice given with respect to participation in the DRP by any person.
- (e) The DRP, its operation and these Rules are governed by the laws of Victoria and each Shareholder submits to the jurisdiction of the courts of that State and the courts which may hear appeals from those courts.
- (f) Despite anything else in these Rules, the Listing Rules and the Corporations Act prevail to the extent of any inconsistency with these Rules.
